**Sufism** William C. **Companion to Sufism** Lloyd Ridgeon, 2015 This book traces the evolution of Sufism from the formative period to the present **The Nature of the Sufi Path** Anab Whitehouse, 2018-11-06 The material in The Nature of the Sufi Path consists of 70 commentaries on a book entitled Sufism A Short Introduction by Professor William C Chittick Many if not most of the paragraphs that comprise the 163 pages preface plus text of Professor Chittick's book contain problems errors misleading statements and or incorrect understandings concerning Islam in general and the Sufi path in particular This is both surprising and disturbing since the author is someone who apparently enjoys a considerable reputation in North America and perhaps elsewhere in the world as an expert on and scholar of the Sufi mystical tradition I do not claim that what I say in this book is a definitive exhaustive incapable of being improved upon treatment of the Sufi path Rather my hope is that the present book might move a person closer to the truth concerning the nature of that path than Professor Chittick's aforementioned introduction to Sufism does and as such would represent an improvement over his work **Sufism** Ahmet
