in Ted Berrigan's poems the unique colors of a particularly lived and still intensely living ensemble of moments Tom Clark author of *Late Returns: A Memoir of Ted Berrigan* Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi **Ted Berrigan** Aaron Fischer, Ted Berrigan, George Schneeman, 1998 Poet editor and publisher of the legendary C Press Ted Berrigan 1934-1983 was a charismatic presence on the literary scene of New York's Lower East Side during the 60s and 70s Through anecdotal descriptions Ted Berrigan: An Annotated Checklist provides a vivid glimpse of one writer's life as seen through his publications Illustrated throughout with collaborations between Berrigan and Painter George Schneeman and with an introduction by Lewis Warsh this book is a must for all with an interest in the literary underground As contributor Anne Waldman puts it more imaginative investigative than a mere checklist **Irish Americans** William E. Watson, Eugene J. Halus Jr., 2014-11-25 Virtually every aspect of American culture has been influenced by Irish immigrants and their descendants This encyclopedia tells the full story of the Irish American experience covering immigration assimilation and achievement The Irish have had a significant impact on America across three centuries helping to shape politics law labor war literature journalism entertainment business sports and science This encyclopedia explores why the Irish came to America where they settled and how their distinctive Irish American identity was formed Well known Irish Americans are profiled but the work also captures the essence of everyday life for Irish Americans as they have assimilated established communities and interacted with other ethnic groups The approximately 200 entries in this comprehensive one-stop reference are organized into four themes the context of Irish American emigration political and economic life cultural and religious life and literature the arts and popular culture Each section offers a historical overview of the subject matter and the work is enriched by a selection of primary documents Spatial Poetics Yasmine Shamma, 2018-09-04 What is the relationship between the spaces we inhabit and the spaces we create Does living in a messy downtown New York City apartment automatically translate to writing a messy New York School poem This volume addresses the environment of the urban apartment illuminating the relationship between the structures of New York City apartments and that of New York School poems It utilizes the lens of urban and spatial theory to widen the possibilities afforded by New Critical and reader response readings of this postmodern American poetry In drawing this connection between consciousness and form it draws on various senses of the environment as informing influence inviting avant garde American poetry to be reconsidered as uniquely organic in its responsiveness to its surroundings Focusing exclusively and comprehensively on Second Generation New York School poetry this is the first book-length study to attend to the poetry of this postmodern American movement encouraging American poetry scholars to resituate New York School poetry within larger critical narratives of postmodern innovation *Encyclopedia of American Poetry: The Twentieth Century* Eric L. Haralson, 2014-01-21 The Encyclopedia of

American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States *Affect, Psychoanalysis, and American Poetry* John Steen,2018-07-12 Poetry has often been defined by its closure its condensation of meaning and value into discrete self referential textual objects Affect Psychoanalysis and American Poetry challenges the dominant metaphor of poetic containers by turning to recent poetic texts that represent the contagious and uncontainable feelings of anxiety grief shame and rage From modernists Wallace Stevens to mid century poets Randall Jarrell Robert Creeley and Ted Berrigan and finally to contemporary practitioners Aaron Kunin and Claudia Rankine John Steen argues that new poetic techniques arise from the poetic productivity of negative affects and that a new model of poetic value can be found in poems that are instead of containers permeable social spaces of intimacy attachment and withdrawal Drawing from object relations psychoanalysis queer theory and affect theory Affect Psychoanalysis and American Poetry finds poetry s singularity in its unique capacity to represent anew the transmissible relational and uncontainable valences of feeling that structure and destabilize social life

Ada Calhoun, 2022-06-14 A staggering memoir from New York Times bestselling author Ada Calhoun tracing her fraught relationship with her father and their shared obsession with a great poet. When Ada Calhoun stumbled upon old cassette tapes of interviews her father, celebrated art critic Peter Schjeldahl, had conducted for his never-completed biography of poet Frank O'Hara, she set out to finish the book her father had started forty years earlier. As a lifelong O'Hara fan who grew up amid his bohemian cohort in the East Village, Calhoun thought the project would be easy, even fun, but the deeper she dove, the more she had to face: not just O'Hara's past but also her father's and her own. The result is a groundbreaking and kaleidoscopic memoir that weaves compelling literary history with a moving, honest, and tender story of a complicated father-daughter bond. **Also a Poet** explores what happens when we want to do better than our parents yet fear what that might cost us when we seek their approval yet mistrust it. In reckoning with her unique heritage as well as providing new insights into the life of one of our most important poets, Calhoun offers a brave and hopeful meditation on parents and children, artistic ambition, and the complexities of what we leave behind. *Historical Dictionary of the Beat Movement*

Paul Varner, 2012-06-21 The Beat Movement was one of the most radical and innovative literary and arts movements of the 20th century, and the history of the Beat Movement is still being written in the early years of the 21st century. Unlike other kinds of literary and artistic movements, the Beat Movement is self-perpetuating. After the 1950s generation headlined by Jack Kerouac, Allen Ginsberg, and William S. Burroughs, a new generation arose in the 1960s led by writers such as Diane Wakoski, Anne Waldman, and poets from the East Side Scene. In the 1970s and 1980s, writers from the Poetry Project at St. Mark's Church and contributors to *World* magazine continued the movement. The 1980s and 1990s Language Movement saw itself as an outgrowth and progression of previous Beat aesthetics. Today, poets and writers in San Francisco still gather at City Lights Bookstore, and in Boulder at the Jack Kerouac School of Disembodied Poetics, and

continue the movement It is now a postmodern movement and probably would be unrecognizable to the earliest Beats It may even be in the process of finally shedding the name Beat But the Movement continues The Historical Dictionary of the Beat Movement covers the movement's history through a chronology an introductory essay and an extensive bibliography The dictionary section has over 700 cross referenced entries on significant people themes critical issues and the most significant novels poems and volumes of poetry and prose that have formed the Beat canon This book is an excellent access point for students researchers and anyone wanting to know more about the Beat Movement **St. Marks Is Dead: The Many Lives of America's Hippest Street** Ada Calhoun, 2015-11-02 A New York Times Editors Choice A vibrant narrative history of three hallowed Manhattan blocks the epicenter of American cool St Marks Place in New York City has spawned countless artistic and political movements Here Frank O'Hara caroused Emma Goldman plotted and the Velvet Underground wailed But every generation of miscreant denizens believes that their era and no other marked the street's apex This idiosyncratic work of reportage tells the many layered history of the street from its beginnings as Colonial Dutch Director General Peter Stuyvesant's pear orchard to today's hipster playground organized around those pivotal moments when critics declared St Marks is dead In a narrative enriched by hundreds of interviews and dozens of rare images St Marks native Ada Calhoun profiles iconic characters from W H Auden to Abbie Hoffman from Keith Haring to the Beastie Boys among many others She argues that St Marks has variously been an elite address an immigrants haven a mafia warzone a hippie paradise and a backdrop to the film Kids but it has always been a place that outsiders call home This idiosyncratic work offers a bold new perspective on gentrification urban nostalgia and the evolution of a community **American Poets Since World War II.** Joseph Mark Conte, 1996 Bibliographical biographical and evaluative commentary of contemporary American poets who published since 1945 *The Pursuit of Myth in the Poetry of Frank O'Hara, Ted Berrigan and John Forbes Duncan* Bruce Hose, 2022-04-04 The Pursuit of Myth in the Poetry of Frank O'Hara Ted Berrigan and John Forbes traces a tradition of revolutionary self mythologising in the lives and works of Frank O'Hara Ted Berrigan and John Forbes as a significant trefoil in twentieth century English language poetry All three had untimely deaths excited a collective homage and developed cult followings that reverberate today This book tracks the transmission of the poem as charm the poet as charmer and the reinstitution of troubadour erotics as a kind of social poetics Starting with Orpheus the book refreshes the myth of the poet as mythmaker examining how myths of self and nation are regenerated for the twenty first century and how persons as myths are made in community through coterie of artists and beyond Duncan Bruce Hose's critical vocabulary with its nucleus of mythos searches the edges of phenomenal enquiry closing in on the work of glamour aura charm possession phantasm the daemonic and the logic of haunting in the continuing being of these three poets as charismatic animals **One Poem in Search of a Translator** Eugenia Loffredo, Manuela Perteghella, 2009 Translation is a journey a journey undertaken by the text hopping around the world and mischievously border crossing from one language to another from one culture to another

For a translator this journey can become a truly creative engagement with the otherness of the source text an experience of self discovery leading to understanding and enrichment and ultimately towards a new text This singular literary experiment intends to magnify the idiosyncrasy of this translational journey In the process translation reveals itself as an increasingly creative activity rather than simply a linguistic transfer This volume consists of twelve translations of one poem *Les Fen tres* by the French poet Apollinaire The translators embarking on this project all from different backgrounds and working contexts poets professional translators academics visual artists were asked to engage with the inherent multimodality of this poem inspired by Robert Delaunay's *Les Fen tres* series of paintings The result is a kaleidoscopic diversity of approaches and final products Each translation is accompanied by self reflective commentary which provides insight into the complex process and experience of translation enticing the reader to join this journey too
