Ted Berrigan Selected Poems:

The Selected Poems of Ted Berrigan Ted Berrigan, 2011-02-07 Following the highly acclaimed Collected Poems of Ted Berrigan poets Alice Notley Anselm Berrigan and Edmund Berrigan have collaborated again on this new selection of poems by one of the most influential and admired poets of his generation Reflecting a new editorial approach this volume demonstrates the breadth of Ted Berrigan's poetic accomplishments by presenting his most celebrated interesting and important work This major second wave New York School poet is often identified with his early poems especially The Sonnets but this selection encompasses his full poetic output including the later sequences Easter Monday and A Certain Slant of Sunlight as well as many of his uncollected poems The Selected Poems of Ted Berrigan provides a new perspective for those already familiar with his remarkable wit and invention and introduces new readers to what John Ashbery called the crazy energy of this iconoclastic funny brilliant and highly innovative writer Praise for The Collected Poems of Ted Berrigan This is a great great book for all seasons of the mind and heart Robert Creeley Thanks to this invaluable Collected Poems one can hear as never before Ted Berrigan dreaming his dream The Nation The Collected Poems of Ted Berrigan is not only one of the most strikingly attractive books recently published but is also a major work of 20th century poetry It is a book that will darken with the grease of my hands There is no better way to praise it than by saying If you enjoy poetry you should have it Bloomsbury Review It's a must have a poetic knockout Time Out New York

The Collected Poems of Ted Berrigan Ted Berrigan, 2005-11-14 Comfortably intimate classically adroit in its formal wit and invention altogether unique yet in no way excluding this meticulously edited edition of a master poet's collected works gives us the defining bridge from the New American Poetry of the 50s to that poetry now contemporary on both coasts and in all conditions No one ever recognized the people with whom he lived more particularly than did Ted Berrigan and no one ever brought them home to a reader with such unaggressive and persistent power This is a great great book for all seasons of the mind and heart Robert Creeley Ted Berrigan was a leader of the New York School his crazy energy embodied that movement and the city itself It is wonderful to have his Collected Poems in print John Ashbery A comprehensive and carefully chronicled volume that puts Ted Berrigan in historical context as one of the most influential poets of his generation His poems deft light definitely humorous irreverent poignant marvelous and tough The truth doing its work the great man doing the ordinary thing with a quick ear and a quick tongue revealing the personal in the universal He gives you his full attention about to be born again thinking of you Joanne Kyger In a life devoted to experimental art Ted Berrigan shaped his poetry and the space he occupied with a bold artistry based on his playful but powerfully skeptical view of the world He wondered what might actually be captured within the pages of a book but The Collected Poems allows us to again enjoy Ted Berrigan's delightfully demanding presence Lorenzo Thomas A singular balance of personal historical vision and sentiment both sweet and sour developed within the fractured verbalism of the late twentieth century found lyric creates in Ted Berrigan's poems the unique colors of a particularly lived

and still intensely living ensemble of moments Tom Clark author of *Late Returns* A Memoir of Ted Berrigan Some people are just more real than others I don't know another way to say it Ted Berrigan is totally real and he has fashioned an important sound for all of us to listen to He put it all together just before everyone else in his time our time got going America is lucky to count him as one of its great poets Peter Gizzi **So Going Around Cities** Ted Berrigan,1980 A new edition of this major collection of the poetry of Ted Berrigan long unavailable *Selected Poems* Ted Berrigan,1994 **The Sonnets** Ted Berrigan,2000 In addition to his book *The Sonnets* this annotated edition includes seven of Berrigan's previously uncollected poems focusing on friendship and love triangles *More Gone* Edmund Berrigan,2019 From New York School scion and memoirist a new book of poems considering domesticity in the heart of the city *A Certain Slant of Sunlight* Ted Berrigan,1988 Poetry Berrigan's last collection of poems these were written originally on postcards with drawings by the author photos of some of the postcards are included His widow Alice Notley has written an introduction in which she characterizes the writing as a realm of shorter poems written in a newly freed voice that drifts among day book epigram lyric in all literary awareness describing the feel of a difficult year **Can It!** Edmund Berrigan,2013 Poetry We arrived at 4 30 P M melt were escorted into a boardroom A stuffed Antelope head peered traces of chilliness or hauteur Writers are in a way very powerful indeed Ball wrote They write the script for the reality film Melt the young receptionist who greeted us said People are anything you want there absolutely anything Peculiar melt stuff *Come in Alone* Anselm Berrigan,2016 New York poet Anselm Berrigan's rectangular poems frame the page space with swift language that transforms in each infinite iteration **Don't Forget to Love Me** Anselm Berrigan,2024 In his latest collection Don't Forget to Love Me Anselm Berrigan is at his most intimate allowing us to tag along through the immediate histories of present moments in poems that were primarily written at the height of the pandemic In reading these poems we are permitted to witness their creation as Berrigan pivots between semiotic slippage and shrewd assertions letting the form of each poem take shape as it will a surprise of sound and sight In one poem he writes that poetry contains multiple unresolvable questions A T T H E SLAME TLIME and later reminds us there are no accidents in poetry either With the same acerbic wit found in Berrigan's previous work Don't Forget to Love Me is an apogee of politics pathos and poetics *Late Returns* Tom Clark,1985

The Poetics of Scale Conrad Steel,2024-02-19 Big data sensor networks rolling newsfeeds today we are constantly surrounded by communication technologies mapping and remapping the complexity of our interconnected planet But one technology has been overlooked the poem This book tells the story of how over the century authors and readers reinvented poetry as a form of macro scale imagination able to capture the speed and scope of global capitalist society when all other media fall short It also asks what that story tells us today why have we been so keen to picture poetry as a kind of global information system a picture I call epic reading What may have been lost This story it turns out takes us back to the years just before the First World War when new media and new horizons threatened to leave poetry behind but also opened up a new space of imaginative possibilities that it turned out poetic technique was uniquely able to navigate It also takes us back to turn of the century France and more specifically to Paris the capital of the nineteenth century where the poet Guillaume Apollinaire articulated more clearly than anyone the challenges of imaginative scale that the coming twentieth century would bring The book follows Apollinaire s ideas across the Atlantic and shows how and why his work became a vital source of inspiration for American poets through the era of American imperialism and into the present day Threading together Apollinaire s work in the 1910s with that of three of his American successors Louis Zukofsky in the 1930s Allen Ginsberg in the 1950s and Alice Notley starting in the 1970s it examines why this specific strand of poetic tradition and method has proved so vital to our cultural ideas a hundred years later of what poetry can do and of what one individual can imagine

Strange Flesh William Logan,2008 A new collection from a poet acclaimed for his immaculate craft and impressive range William Logan S dark intense muscular verse has long unsettled some of the standard agreements of American poetry His eighth collection finds its home in the elsewhere in the various small towns and ancient cities where the poet has felt some shimmering presence of the past Logan uncovers the memory of the Leviathan in the Massachusetts fishing village where he was raised the coupling of gods in Venice at the

millennium and signs of the Flood in Texas He explores places familiar and unfamiliar whether tenting on the plains with General Custer or seeing a horrific vision behind the Blaschkas famous glass models of the invertebrates The inhabitants of Sodom and Gomorrah followed strange flesh in the collapsing real estate market of the past this master of formality as well as form discovers the sins of the flesh that still haunt us

Kill or Cure Anne Waldman, 1994-08-01 Kill Or Cure a bold prescriptive for these apocalyptic days brings together substantial new work as well as the best of Anne Waldman s previously uncollected poetry It includes credos manifestos dreams homages to literary predecessors Shaman Hisses You Slide Back Into The Night the journal poem written during Bob Dylan s historic Rolling Thunder Revue witty political diatribes travel vignettes incantations and a new section of the ongoing epic poem Iovis a powerful meditation on male energy

The Cambridge Companion to the Sonnet A. D. Cousins, Peter Howarth, 2011-02-03 Beginning with the early masters of the sonnet form Dante and Petrarch the Companion examines the reinvention of the sonnet across times and cultures from Europe to America In doing so it considers sonnets as diverse as those by William Shakespeare William Wordsworth George Herbert and e e cummings The chapters explore how we think of the sonnet as a lyric and what is involved in actually trying to write one The book includes a lively discussion between three distinguished contemporary poets Paul Muldoon Jeff Hilson and Meg Tyler on the experience of writing a sonnet and a chapter which traces the sonnet s diffusion across manuscript print screen and the internet A fresh and authoritative overview of this major poetic form the Companion expertly guides the reader through the sonnet s history and development into the global multimedia phenomenon it is today

Holy Heathen Rhapsody Pattiann Rogers, 2013-09-24 Winner of the John Burroughs Medal for Lifetime Achievement in Nature Poetry An award winning poet who writes transporting poems of discovery contemplation and gratitude Booklist Pattiann Rogers has won acclaim as one of the most original voices in contemporary American poetry The poems in her new collection Holy Heathen Rhapsody embrace and embody the forces of the Earth and the creative power of its lifeforms in all the wildness of their varieties Love in these poems is a force infused with the same creative power and intensity the purest manifestation of the will to be This vision and its making contend that even a shadow or a floating seed a frond of green or a midnight spider even a mongrel dog wind over water the human voice the human witness peace and weapons all every aspect and feature encountered are fully endowed players in the dynamic music of the Earth

Negativity's kiss Alice Notley, 2013-03-14 Negativity s Kiss is a noir poem with characters and a story violence cops everything one likes about the crime novel minus its robotic skippable detail Plus language that rocks However the poet doesn t know how to be straight enough to just do it tone and genre so this is pretty crooked Satirical and feral written at the time of Hurricane Katrina The world of the poem is an international city that slides everything slides between being like Paris and being like New York But maybe it s more like Gotham City where everyone knows everyone and even a poet can be in the media spotlight if someone tries to kill her
