Copyright Office,1977      *Poeternity* Karen Davies,2002-05-13 *Poeternity* is a comet's ride through the human mind to the spiritual world beyond You'll be taken on a journey through love and darkness to the shores of faith and fantasy This collection of poems by Karen Davies shows her ability to write across a wide range of subjects from the Gates of Heaven to the darkest parts of the human mind Her ability to write multiple forms such as the simple and thought provoking haiku to the rhythmic flow of the Shakespearean Sonnet She'll take you on a muse's journey through imagination to all that is eternal      *A Rainbow in My Heart* Russell Brandon,2013-07-30 Its starting to get to me Almost daily we hear about acts of violence towards women and children It was some of the worst examples of this that motivated me to start writing this book There are more motivations They are mostly things that society has become accepting of because they seem to be the norm They are the things that make me want to shout Hey this is wrong We shouldn't just accept it because everyone else is doing it And there are so many things I want to tell my grandchildren about navigating a path through life that follows the example Jesus set Mostly they are about avoiding a lifetime of mistakes the same mistakes I made But what kid wants to listen to a lecture by an old man regardless of how much they love him After all he belongs to a bygone era and doesn't really understand what its like to grow up in these modern times So I have composed a little story that allows me to

share an old mans advice with his grandchildren and yours and all their parents as well Its a story of friendship love and loss in a modern era in fact whichever era they are growing up in I know it is an ageless story because it talks about living a life that simply follows the example that Jesus set over two thousand years ago It has not changed in all that time and will not change until He comes again Its all about doing life in a broken world but living a life that makes a difference *Catalog of Copyright Entries* ,1945 **Chasing Rainbows** Pamela Le Bailly,2012-03-19 In 1940 when London bombing begins Jean Shapwick is evacuated to Cornwall After her own parents are killed she is adopted by foster parents falls in love with their son David and marries him David s best friend Tom is devoted to Jean but realizes his love is not returned As David restlessly strives to acquire wealth he tires of family life in the country and disappears abroad leaving Jean with two small children David s best friend Tom finds love with Jean David returns to Cornwall only to leave for another country when he discovers Jean no longer wants him in her life He finds new love and settles down with his growing family until tragedy intervenes Meanwhile the next generation find the actions of their elders threaten to destroy their own fragile futures until David s second wife reveals the truth and enables his son to find the end of his own rainbow This story follows members of Jean s family from Cornwall England to South Africa and America **Bholu's Colourful Rainbow** Geeta Rastogi 'Geetanjali',2024-01-09 If we had wings We could fly in air As we have the wings of imagination That God has gifted us with love Using these We can fly in the sky of imagination and enjoy a different view May be our all imaginations bringing pleasure to us and all And also trying to make this world a better place to live This book Bholu s Colourful Rainbow a collection of 16 kids stories is a gift for my young readers You will enjoy reading these interesting stories where you meet the lovely creatures in the form of characters You will also wander in the fairyland while reading the fairytale of Sarang You will meet many others like Bholu Pragati Niranjana the loveliest Gracie and many more I hope you all will enjoy reading these tales Wish you the best in life *Rainbow In The Basement* Ian,2019-02-11 Life death love loss hope despair belief disbelief A novel about a lot Our lot Magic is more than a word something I discovered when I was 12 It was the year I crossed an ocean My mother told me it was for the best I saw it as an escape I discovered that true friendship is true love Though at first I didn't believe it Matthew Ellis touches down in Scotland with a muddle of memories He s flown in from America to visit the neighbourhood of his childhood He ll fly out again before the day is done So much happened during his twelve years in Glasgow Seeing Calvary The Viking ship Those lights What followed has for years been Matthew s glorious unbelievable secret But it can only be a secret if it actually happened Fine writing that rivals Ray Bradbury at his very best Donn Doc Albright Ray Bradbury s close friend [The Rainbow Bridge Adventures](#) ANANT RAM BOSS,2025-09-16 This book is lovingly dedicated to every child who has ever looked at the sky and believed in colours beyond the rainbow To the dreamers the seekers and the quiet hearts who carry courage even in small steps this story belongs to you May Lily and Max s journey remind you that friendship kindness and hope can turn even the darkest path into light And to all parents teachers and
