Bunnicula Strikes Again! James Howe,2011-12-20 Let s just say the matter is under control Chester slyly tells his pals Harold and Howie But what on earth does he mean It seems that Bunnicula the vampire rabbit is back to his old ways or so Chester thinks having found pale vegetables drained of their juices scattered about the Monroe family kitchen And now once and for all Chester is determined to save the world from this threat But why has Bunnicula so frisky just a short time ago been so listless and tired of late Is this part of Chester s scheme Can Harold let Chester get away with hurting an innocent bunny no matter what his harebrained suspicions are It is not long before the Monroes notice Bunnicula s condition and rush him to the vet and then the chase is on ending up with a dramatic confrontation in a most unusual and dangerous location

Pinky and Rex and the School Play James Howe,2016-06-28 Pinky and Rex is the perfect series for early readers learning to read and navigate friendships Pinky really wants to be an actor and is sure he ll get the lead in the school play Rex on the other hand wants nothing to do with being on stage She s afraid she ll forget her lines or worse Everything changes when Pinky convinces Rex to go with him to the tryouts Will Pinky and Rex still be best friends when the show is over Pinky and Rex and the Spelling Bee James Howe,2006-09 Excited about holding onto his position as the best speller in the second grade Pinky has an embarrassing accident but is cheered up by his best friend Rex **Dew Drop Dead** James Howe,1990 A hero

gaining popularity with readers across the country Sebastian Barth proves that a romp with foul play is best served with plenty of humor and surprises from start to finish Bunnicula James Howe,Deborah Howe,2019-05-21 Bunnicula rules Dav Pilkey creator of the Captain Underpants series Celebrate the fortieth anniversary of the fluffy and fearsome classic Bunnicula with this pocket sized edition perfect for accompanying readers on all their mischievous adventures This special edition includes bonus content and a deluxe cover that looks and feels as eerily delightful as the story within Beware the hare Harold the dog and Chester the cat must find out the truth about the newest pet in the Monroe household a suspicious looking bunny with unusual habits and fangs Could this innocent seeming rabbit actually be a vampire **Bunnicula**

Deborah Howe,James Howe,2011-12-20 This book is written by Harold His fulltime occupation is dog He lives with Mr and Mrs Monroe and their sons Toby and Pete Also sharing the home are a cat named Chester and a rabbit named Bunnicula It is because of Bunnicula that Harold turned to writing Someone had to tell the full story of what happened in the Monroe household after the rabbit arrived Was Bunnicula really a vampire Only Bunnicula knows for sure But the story of Chester s suspicions and their consequences makes uproarious reading Since its first appearance in 1979 Bunnicula has been a hit with kids and their parents everywhere selling over 8 million copies and winning numerous awards *Nighty-Nightmare* James Howe,2012-01-24 An overnight camping trip Not Harold s idea of fun Too many mosquitoes ticks and cockleburbs But when

the Monroe family set out their faithful dog Harold was with them mostly because he remembered that camping could also bring s mores and toasted marshmallows Howie the other family dog and Chester the cat were also included in the trip Only Chester thought the idea was completely insane The woods he informed Harold were not only full of cockleburs and ticks but of spirits evil spirits who prey on the innocent And on this the worst night of the year St George s Eve when all spirits are set loose who knew what could happen What Harold knew was that Chester was a well read over stimulated cat full of weird ideas He did not take Chester s worries too seriously He had s more to think about But then the Monroes set up camp near two strange men and their even stranger dog and things began to happen that made even Harold wonder Could Chester be right This begins a long night full of terrors and alarms full of Chester s horrifying tale of how Bunnacula the vampire bunny was born and came to America full of storms and a total sense of danger and at the end came surprises that even Chester could not have predicted Once again the Monroe family may be the victims of evil forces or only of Chester s strange imagination But whichever the result is suspenseful and very very funny

Pinky and Rex and the New Baby James Howe,2006-01-01 Determined to be a good big sister Rex starts spending all her time with the baby her family has adopted making her neighbor Pinky fear that he has lost her friendship

Howliday Inn James Howe,2012-01-03 Harold and Chester could hardly believe it The Monroe family was going on vacation without them Bunnacula the family rabbit would be boarded with a neighbor But they the family s loyal dog and cat were to be sent away with strangers they were to spend a week at Chateau Bow Wow Chateau Bow Wow observed Chester soon after they arrived could more properly be called Howliday Inn Though what was howling neither of them knew Chester had his suspicions however only a werewolf could make that chilling sound

Also Known as Elvis James Howe,2015-04-14 Skeeze Tookis navigates a pivotal summer of first crushes and tough choices in this conclusion to the bestselling and acclaimed quartet that began with The Misfits Skeeze Tookis also known as Elvis isn t looking forward to this summer in Paintbrush Falls While his best friends Bobby Joe and Addie are off on exciting adventures he s stuck at home taking care of his sisters and working five days a week to help out his mom True he gets to hang out at the Candy Kitchen with the awesome HellomynameisSteffi but he also has to contend with Kevin Hennessey s never ending bullying And then there s the confusing world of girls especially hot and cold Becca his maybe crush And the dog that he misses terribly And the dad who left two years before whom Skeeze is convinced is the cause of all his troubles In the words of the King Skeeze Tookis is All Shook Up Skeeze s got the leather jacket of a tough guy but a heart of gold and his story the fourth and final chapter of the beloved Misfits series is brimming with life s tough choices love in all directions and enough sweet potato fries to go around

The Misfits James Howe,2011-11-01 Kids who get called the worst names oftentimes find each other That s how it was with us Skeeze Tookis and Addie Carle and Joe Bunch and me We call ourselves the Gang of Five but there are only four of us We do it to keep people on their toes Make em wonder Or maybe we do it because we figure that there s one more kid out there who s going to need a gang to be a part of A

misfit like us Skeeze Addie Joe and Bobby they've been friends forever They laugh together have lunch together and get together once a week at the Candy Kitchen to eat ice cream and talk about important issues Life isn't always fair but at least they have each other and all they really want to do is survive the seventh grade That turns out to be more of a challenge than any of them had anticipated Starting with Addie's refusal to say the Pledge of Allegiance and her insistence on creating a new political party to run for student council the Gang of Five is in for the ride of their lives Along the way they will learn about politics and popularity love and loss and what it means to be a misfit After years of getting by they are given the chance to stand up and be seen not as the one word jokes their classmates have tried to reduce them to but as the full complicated human beings they are just beginning to discover they truly are *Return to Howliday Inn* James

Howe, 2012-01-24 First there is the omen A relentless rain stops suddenly at 3:00 am and Chester shows Harold and Howie a cat carrier open and waiting by the front door Chester who has been reading avidly about the paranormal predicts that they will soon be traveling someplace and chances are they are not going to like it Indeed they are not as the very next day with the sun shining bright and clear the Monroes finally leave for their vacation dropping Chester Harold and Howie off at the scene of some previous harrowing experiences Chateau Bow Wow the boarding kennel that Chester so aptly had dubbed Howliday Inn And this visit promises to be no less harrowing than the last one The three are greeted by a whole new group of temporary residents There's Hamlet the Great Dane whose sadness grows deeper with his certainty that his beloved master Archie will never return to pick him up And Bob and Linda a pair of yuppie puppies from fashionable Upper Centerville who have been left at Chateau Bow Wow with a more than adequate supply of gourmet treats also seem to have been left with a more than adequate supply of worries Then there are Felony and Miss Demeanor sinister sisters in crime who pride themselves as cat burglars and The Weasel who tries almost too hard to make a good impression Chester is certain that nothing bodes well and he is right Unexplained voices buried bones a collar with the name Rosebud on it and a secret code all make for a paranormal experience that none of the guests at Chateau Bow Wow will ever forget
