Teed Stories:

Teed Stories ,1988 **The Allure of Immortality** Lyn Millner,2023-02-07 Wall Street Journal s Five Best Books About Cults The true story of cult leader Cyrus Teed and his hollow earth theory For five days in December 1908 the body of Cyrus Teed lay in a bathtub at a beach house just south of Fort Myers Florida His followers the Koreshans waited for signs that he was coming back to life They watched hieroglyphics emerge on his skin and observed what looked like the formation of a third arm They saw his belly fall and rise with breath even though his swollen tongue sealed his mouth As his corpse turned black they declared that their leader was transforming into the Egyptian god Horus Teed was a charismatic and controversial guru who at the age of 30 had been illuminated by an angel in his electro alchemical laboratory At the turn of the twentieth century surrounded by the marvels of the Second Industrial Revolution he proclaimed himself a prophet and led 200 people out of Chicago and into a new age Or so he promised The Koreshans settled in a mosquito infested scrubland and set to building a communal utopia inside what they believed was a hollow earth with humans living on the inside crust and the entire universe contained within According to Teed s socialist and millennialist teachings if his people practiced celibacy and focused their love on him he would return after death and they would all become immortal Was Teed a visionary or villain savior or two bit charlatan Why did his promises and his theory of cellular cosmogony persuade so many Now comes the bombshell news that David Koresh apocalyptic leader of the Waco Branch Davidians plagiarized Teed and did so unwittingly Released on the 30th anniversary of the deadly events in Waco this edition of *The Allure of Immortality* includes a preface about this astonishing discovery In this book Lyn Millner weaves the many bizarre strands of Teed s life and those of his followers into a riveting story of angels connen angry husbands yellow journalism and ultimately hope Remember When Denvil Mullins,1999 The sixth in a series of books about the people and their way of life in the Southern Appalachians Mullins continues the hilarious saga of the fun loving hardworking people of Coaley Creek with more shenanigans mischief and exciting adventures His many fans will be delighted with this latest collection of stories about that wonderful life of long ago

Unholy Sensations Joshua Paddison,2025 The true story of the first California cult scandal In 1891 a suffragist and social reformer named Alzire Chevaillier launched a moral crusade to destroy Fountaingrove a utopian spiritualist community in northern California Chevaillier accused the colony s leader the poet and prophet Thomas Lake Harris of perverting the teachings of the Bible to promote a new sexology that was worse than Mormonism She insisted that Harris used magical powers of hypnosis to take sexual and financial advantage of his followers turning them into a spiritual harem that practiced free love and other gross immoralities Media reports emphasized the presence of Japanese immigrant men at Fountaingrove raising racialized specters of miscegenation and moral contamination The international scandal full of the sorts of salacious details prized by newspaper editors at the dawn of the era of yellow journalism would last more than a decade establishing Harris as the prototype for a new type of public menace the California cult leader Unholy Sensations takes a close up look at the Fountaingrove scandal to examine religion gender sexuality and race in the Gilded Age from a fresh perspective By chronicling the life stories of the people swept up in the scandal Unholy Sensations reveals connections and tensions between a wide variety of nineteenth century religious and social groups including suffragists and spiritualists Christian Scientists and

Theosophists journalists and politicians and Protestant ministers and urban reformers Together these disparate groups helped spark California s first cult scare demonizing Harris as the first but far from the last dangerous California cult leader By showing that the term cult has always been a marker of race sexuality and religion Unholy Sensations reveals the limits of American freedom and the centrality of religion to the policing of whiteness family and nation
