Help keep your kid be alive at 25. **Taming the Teenager** Gavin Fish, 2014-01-01 As principal of Cape Town's Fish Hoek High School and well known in educational circles, Gavin Fish takes a wry and caring look in this insightful collection of articles at the fraught business of living with and guiding teenagers in modern day South Africa. Acutely aware that modern teens need more than mere management, Fish also provides more than just a manual on how to keep teens docile, tractable, and compliant at school. As a parent of teenagers himself, he leads us entertainingly through the hormonal stew that is the teenage psyche, showing through his anecdotes how to understand what's going on under the baseball caps and beanies, and how to turn surly, uncommunicative expressions to self-confident, goal-directed smiles of appreciation and personal success. ***A Survival Guide to Parenting Teens*** Joani Geltman, 2014-05-01 The teenage years will bring problems that will make any parent long for the days of their childhood. However, you're not alone. This invaluable resource tackles all of the issues that you can possibly encounter with your teen. Oh, to be able to return to the days of messy bedrooms and preteen attitudes. Now, as parents of teenagers, the days have the potential of bringing us not so fun issues like sexting, cyber bullying, and eating disorders. Let's not forget the old standbys of drugs, alcohol, and depression. As much as you pray that your child will be the shining exception, as their parent, you must still be prepared. Will you know what to do when a naked picture of your daughter gets forwarded by her boyfriend to the entire school? How will you respond when your child is bullied online or is the bully himself? ***A Survival Guide to Parenting Teens*** has thought through all the issues you haven't, covering a broad range of issues including sex, drinking, drugs, depression, defiance, laziness, conformity, entitlement, and more. Parenting expert Joani Geltman approaches 80 uncomfortable topics with honesty and a dash of humor. She reveals what your teens are thinking and feeling, and what developmental factors are involved. ***A Survival Guide to Parenting Teens*** explains how to approach each problem in a way that lets your kid know you get it and leads to truly productive conversations. **Writing Interiority: Crafting Irresistible Characters** Mary Kole, 2024-08-22 ***Writing Interiority: Crafting Irresistible Characters*** is not just another writing guide; it's an invitation to transform your approach to character creation and storytelling. native of southern Chad and miraculous survivor of Chad's darkest days many of which came during different Septembers. This work contains Toingar's first hand description of growing up, coming of age and waging the ultimate struggle for survival in the war-torn country. It gives a graphic account of what transpired in Chad during the rule of Habre and the ways in which the author managed to survive fleeing his home village and seeking safety among the CODOs, a rebel movement of the south. Derived primarily from Toingar's memories, this work also utilizes information garnered from other first hand testimonials and a 1991 documentary filmed by post-Habre Chad Television. Photographs from the author's collection are included.

The Legend of the Teenage Sages Jacob Cortez, 2006-09 Six teenagers are on their way to an adventure of skill, truth and love. Becca, Jake, Mike and Toni have all been the greatest friends to each other longer than each of them could remember. When these teens stumble upon a cave, their adventure will finally ignite. Gifted with special powers, they will test their skills of spreading good. The four stumble upon two already gifted teenagers and soon find that they had gained their powers from the same place. Met by Destiny, Rachel and Josh, twins by birth, join the others in a quest for survival and a quest to save their parents from the true evil that took them. Meeting Jasmine, Queen Guardian Angel of the Heavens, the teens now know they are Sages, chosen to send evil back where it belongs. But in order to do this, they must unlock the door to the Temple of Destiny built by the Ancient Sages in the Guardian Angel Heavens. They are now on a quest to find the hidden keys to unlock the door of truth and also unlocking the truth buried deep inside themselves. But at the same time, they have to bring someone back into the light from the deep and sorrowing darkness. The teens are soon helped by the Ancient Protectors of the Sages who lead them in the right direction to succeed in their quest. They will learn much and travel to many places including mythical lands. They will meet many beings that they could never have imagined. They still have so many more secrets to uncover about and around them. The teens, the Sages, have a Destiny far greater than any and far too long and unique to ever think of completing. But can they succeed? The fate of all beings may rely on them.

Teens, TV and Tunes Doyle Greene, 2014-01-10 This political analysis of teen culture examines the historical and ideological development of American youth society, the economic and ideological relationship between television and popular music, and the ideological rivalry between Nickelodeon and Disney. More than mere entertainment, teen sitcoms and pop music portray a complex and often contradictory set of cultural discourses. They engage in a process of ideology marketing and hip versus square politics. Case studies include *Saved by the Bell*, Britney Spears, the movie *School of Rock*, early pop music sitcoms like *The Monkees* and *The Partridge Family*, and recent staples of teen culture such as *iCarly* and *Hannah Montana*. What is occurring in teen culture has a crucial bearing as today's teens age into adulthood and become the dominant generation in the impending decades.
