Teenage New Jersey 1941-1975:

Black New Jersey Graham Russell Hodges, 2019 Black New Jersey brings to life generations of courageous men and women who fought for freedom during slavery days and later battled racial discrimination. Extensively researched, it shines a light on New Jersey's unique African American history and reveals how the state's black citizens helped to shape the nation.

New Jersey Dreaming Sherry B. Ortner, 2003-05-26 Famed anthropologist Ortner tracks down representative classmates from her mostly Jewish Newark NJ high school class of 58 in order to examine class culture and ethnicity in America today.

Humanities, 1998 **NEH Exhibitions Today** National Endowment for the Humanities. Humanities Projects in Museums and Historical Organizations, 1999 **Golden State, Golden Youth** Kirse Granat May, 2010-03-15 Seen as a land of

sunshine and opportunity, the Golden State was a mecca for the post World War II generation and dreams of the California good life came to dominate the imagination of many Americans in the 1950s and 1960s. Nowhere was this more evident than in the explosion of California youth images in popular culture: Disneyland television shows such as *The Mickey Mouse Club*, *Gidget*, and other beach movies; the music of the Beach Boys; all these broadcast nationwide a lifestyle of carefree, wholesome fun supposedly enjoyed by white middle-class suburban young people in California. Tracing the rise of the California teen as a national icon, Kirse May shows how idealized images of a suburban youth culture soothed the nation's postwar nerves while denying racial and urban realities. Unsettling challenges to this mass-mediated picture began to arise in the mid 1960s, however, with the Free Speech Movement's campus revolt in Berkeley and race riots in Watts. In his 1966 campaign for the governorship of California, Ronald Reagan transformed the backlash against the dangerous youths who fueled these actions into political triumph. As May notes, Reagan's victory presaged a rising conservatism across the nation. **A Consumers'**

Republic Lizabeth Cohen, 2008-12-24 In this signal work of history, Bancroft Prize winner and Pulitzer Prize finalist Lizabeth Cohen shows how the pursuit of prosperity after World War II fueled our pervasive consumer mentality and transformed American life. Trumpeted as a means to promote the general welfare, mass consumption quickly outgrew its economic objectives and became synonymous with patriotism, social equality, and the American Dream. Material goods came to embody the promise of America, and the power of consumers to purchase everything from vacuum cleaners to convertibles gave rise to the power of citizens to purchase political influence and effect social change. Yet despite undeniable successes and unprecedented affluence, mass consumption also fostered economic inequality and the fracturing of society along gender, class, and racial lines. In charting the complex legacy of our Consumers Republic, Lizabeth Cohen has written a bold, encompassing, and profoundly influential book. **Driving After Class** Rachel Heiman, 2015-01-16 A paradoxical situation

emerged in the late 1990s: the dramatic upscaling of the suburban American dream even as the possibilities for achieving and maintaining it diminished. *Driving After Class* explores middle-class anxieties and suburban life during those years. Drawing on nineteen months of ethnographic research in a suburban New Jersey town as McMansions sprouted up next to subdivisions,

of moderately sized colonial style homes and infrastructural essentials like schools and roads became overburdened each chapter throws into relief subtle gradations within the middle class and among middle class sensibilities and brings to life the ways that people were reorienting themselves both consciously and unconsciously to the discursive and material displacement of postwar liberal approaches to middle class life in favor of newly dominant neoliberal logics The ethnographic moments illustrated in the book drawn from fieldwork in people s homes their town hall and their SUVs reveal the ways that efforts to appease feelings of insecurity whether through place making practices childrearing strategies or had to have purchases often made people and their neighbors feel and be less secure The economics and cultural politics of the constellation of these ways of being which I have termed rugged entitlement ended up steering many children youth and parents into ambivalence about the structuring and texture of their everyday lives it is exhausting work to be strategically and persistently driving after class But more often than not unable to imagine the possibility of crafting another way of life most curbed these unsettling doubts and resolutely fueled up for the ride Provided by publisher **Exhibitions Today** National Endowment for the Humanities. Division of Public Programs,1998 *Asbury Park's Glory Days* Helen-Chantal Pike,2005-04-19 Winner of the 2005 New Jersey Author Award for Scholarly Non Fiction from the New Jersey Studies Academic Alliance Long before Bruce Springsteen picked up a guitar before Danny DeVito drove a taxi before Jack Nicholson flew over the cuckoo s nest Asbury Park was a seashore Shangri La filled with shimmering odes to civic greatness world renowned baby parades temples of retail and atmospheric movie palaces It was a magnet for tourists a summer vacation mecca to some degree New Jersey s own Coney Island In *Asbury Park's Glory Days* award winning author Helen Chantal Pike chronicles the city s heyday the ninety year period between 1890 and 1980 Pike illuminates the historical conditions contributing to the town s cycle of booms and recessions She investigates the factors that influenced these peaks such as location lodging dining nightlife merchandising and immigration and how and why millions of people spent their leisure time within this one square mile boundary on the northern coast of the state Pike also includes an epilogue describing recent attempts to resurrect this once vibrant city *The Journal of American History* Organization of American historians,1998
