Tejano Exile

Kenneth W. Howell, Charles Swanlund

Tejano Exile:

Tejano Exile Jack Jackson, 1980 Tejano Religion and Ethnicity Timothy M. Matovina, 2014-02-04 While the flags of Spain Mexico the Republic of Texas and the United States successively flew over San Antonio its Tejano community Texans of Spanish or Mexican descent formed a distinct ethnic identity that persisted despite rapid social and cultural changes In this pioneering study Timothy Matovina explores the central role of Tejano Catholicism in forging this unique identity and in binding the community together The first book length treatment of the historical role of religion in a Mexican origin community in the United States this study covers three distinct periods in the emergence of Tejano religious and ethnic identity the Mexican period 1821 1836 the Texas Republic 1836 1845 and the first decade and a half after annexation into the United States 1845 1860 Matovina's research demonstrates how theories of unilateral assimilation are inadequate for understanding the Tejano community especially in comparison with the experiences of European immigrants to the United States As residents of the southwestern United States continue to sort out the legacy of U S territorial expansion in the nineteenth century studies like this one offer crucial understanding of the survival and resilience of Latino cultures in the United States Tejano Religion and Ethnicity will be of interest to a broad popular and scholarly audience Tejano Leadership in Mexican and Revolutionary Texas Jesús F. De la Teja, 2010-01-18 Tejanos Texans of Mexican heritage were instrumental leaders in the life and development of Texas during the Mexican period the war of independence and the Texas Republic Jesús F de la Teja and ten other scholars examine the lives careers and influence of many long neglected but historically significant Tejano leaders who were active and influential in the formation political and military leadership and economic development of Texas In Tejano Leadership in Mexican and Revolutionary Texas lesser known figures such as Father Refugio de la Garza Juan Martín Veramendi José Antonio Saucedo Raphael Manchola and Carlos de la Garza join their better known counterparts José Antonio Navarro Juan Seguín and Plácido Benavides for example on the stage of Texas and regional historical consideration This book also features a foreword by David J Weber in which he discusses how Anglocentric views allowed important Tejano figures to fade from public knowledge Students and scholars of Texas and regional history those interested in Texana and readers in Latino studies will glean important insights from Tejano Leadership in Mexican and Revolutionary Texas **Tejano Exile**, 1980 The Texas Revolution: Tejano Heroes Roy F. Sullivan, 2011-12-16 Most Americans are aware that Texas gained its independence from Santa Anna's Mexico in the 1840s Mention of the Alamo evokes the familiar names of heroes like Davy Crockett Jim Bowie and William Travis All too often another group of heroes heroines and patriots who fought and died for the independence of Texas is overlooked The sacrifices bravery and valor of that group the Tejanos Texans of Hispanic ancestry are the focus of The Texas Revolution Tejano Heroes It was not just at famous battles such as Agua Dulce Bexar Goliad the Alamo and San Jacinto that Tejanos made their mark on Texas history often giving their lives and fortunes Long before the arrival of Stephen F Austin and settlers from the east Tejanos were

fighting for the independence of Tejas or Texas The first declaration of Texas independence from Spain was issued in April 1813 by Bernardo Gutierrez de Lara The first and bloodiest battle for Texas independence was fought at the battle of the Medina in August 1813 The first formal list of grievances against the Mexican government was issued by several Tejanos including Juan Seguin and Gaspar Abrego de Flores in October 1834 Recognition of the courage abilities and endurance of Tejanos as major emancipators in the Texas Revolution is long overdue hence this book The Quest for Tejano Identity in San Antonio, Texas, 1913-2000 Richard Buitron,2012-11-12 The Quest for Tejano Identity was written as a study of Mexican American consciousness and a history of the assumptions and intellectual responses of Mexican Americans in south Texas The work uses history to inquire why different ethnic groups think act and speak as they do as they encounter American society **The Last Knight** Jose Antonio Lopez,2008-02-19 The Last Knight The Story of Don Bernardo Gutierrez de Lara Uribe 1774 1841 a Texas Hero By Jose Antonio Lopez Once there was a magical land called Tejas Here is where our Spanish Mexican ancestors settled to raise families build their homes and ranching communities They were a rare breed of men and women a hearty stock strong of both mind and body They tamed what historian Jerry Thompson calls the Wild and Vivid Land of South Texas In so doing they invented the ranching and cowboy phenomena However all was not well Spain ruled Tejas with oppressive and unjust laws In response for direction to rid America of European colonial rule several great American born leaders answered the call to duty during those turbulent times of the late 1700s and early 1800s Among these were George Washington Simon Bolivar and Bernardo Gutierrez de Lara Uribe While most people may have heard of the first two few are familiar with Don Bernardo The Last Knight is the story of this great Texas hero To begin with Don Bernardos life has the drama action and intrigue of a Hollywood movie but it is a true story He was born in Revilla now Guerrero on the southern bank of the Rio Grande back when the Rio was just another South Texas river The shape of Texas was very different than it is today As a young man Don Bernardo decided to get involved in bringing social change in his community and throughout Texas and Mexico It was in this restless period of early Texas history that Don Bernardo volunteered to help Father Miguel Hidalgo in his struggle to gain Mexicos independence from Spain That is why September 16th is today celebrated in Texas Don Bernardo was appointed a Lt Colonel in the Republican Army After a trip to the U S to seek help and volunteers he began his revolution in Nacogdoches That the struggle began here in the Louisiana border was very significant in a historical sense Nacogdoches and Los Adaes represented the eastern boundary of New Spain As a matter of fact Los Adaes is the first capital of Texas On April 17 1813 he wrote Texas first Declaration of Independence and its first constitution He won a series of battles He became the first President Protector governor of the Independent State of Texas However his hope of victory over the Spanish forces vanished quickly when he was relieved of command and forced to move to Natchitoches Louisiana in exile When Mexico gained its independence from Spain in 1821 Don Bernardo was asked to return to his homeland He did so in 1824 Upon arriving he became the governor of the new state of Tamaulipas He also was

appointed to several military posts including Commandant General of Tamaulipas and Commandant General of the Eastern Interior States Texas Coahuila Tamaulipas and Nuevo Leon He died in 1841 after an illustrious career as a rancher military leader Indian fighter gifted communicator skilled diplomat governor of two states Texas and Tamaulipas and commandant general of four states He was a man who possessed rare leadership qualities We owe our gratitude to this great hero who shared in the first vision of a free and independent Texas *José Antonio Navarro* David R. McDonald,2013-03-01 The first biography to appear in more than a generation on the most influential Tejano leader of the nineteenth century Jos Antonio Navarro In Search of the American Dream in Nineteenth Century Texas fills one of the most glaring gaps in the current historical literature on Texas The product of a lifetime of research by author David McDonald this volume is sure to stand as the definitive treatment of Navarro s life for decades to come McDonald corrects many long standing misconceptions concerning Navarro and fleshes out the details of his life in a way no author has done before Born in San Antonio in 1795 Jos Antonio Navarro lived through a tumultuous era in Texas history that saw the transitions of Texas from a Spanish colony to a Mexican state an independent republic an American state a Confederate state and an American state once again More than just bearing witness to these events however Jos Antonio Navarro helped shape them He served in the legislatures of Coahuila y Texas the Republic of Texas and the state of Texas He was a signer of the Texas Declaration of Independence and a steadfast defender of the rights of all Tejanos and people of Mexican descent in Texas ensuring at both the 1836 Consultation that created the Texas Republic and the 1845 drafting of the state constitution after annexation that political rights would not be restricted solely to those with white skin and pure European ancestry Jos Antonio Navarro has won a 2013 citation from the San Antonio Conservation Society s Publications Awards Committee Jos Antonio Navarro In Search of the American Dream in Nineteenth Century Texas is more than just a political biography it is a story of the American Dream Navarro and his family worked hard to improve their lives on the Texas frontier starting with his father an immigrant from the Mediterranean island of Corsica Navarro was not only an influential politician but a successful businessman and rancher This pattern of improvement continued into the next generation of the family when Navarro s son ngel entered Harvard College to study law Jos Antonio Navarro was also an early friend of Stephen F Austin sharing a vision of Texas with the famed empresario in which both Tejanos and Anglos could thrive Navarro believed that Texas was a place where peoples of all colors and backgrounds should be able to realize the American Dream Published with the generous assistance of the Friends of Casa NavarroNumber Two in the Watson Caufield and Mary Maxwell Arnold Republic of Texas Series From Santa Anna to Selena Harriett Denise Joseph,2018-03-15 Author Harriett Denise Joseph relates biographies of eleven notable Mexicanos and Tejanos beginning with Santa Anna and the impact his actions had on Texas She discusses the myriad contributions of Erasmo and Juan Segu n to Texas history as well as the factors that led a hero of the Texas Revolution Juan to be viewed later as a traitor by his fellow Texans Admired by many but despised by others folk hero Juan Nepomuceno

Cortina is one of the most controversial figures in the history of nineteenth century South Texas Preservationist and historian Adina De Zavala fought to save part of the Alamo site and other significant structures Labor activist Emma Tenayuca's youth passion courage and sacrifice merit attention for her efforts to help the working class Joseph reveals the individual and collective accomplishments of a powerhouse couple bilingual educator Edmundo Mireles and folklorist author Jovita Gonzalez She recognizes the military and personal battles of Medal of Honor recipient Raul Roy Benavidez Irma Rangel the first Latina to serve in the Texas House of Representatives is known for the many firsts she achieved during her lifetime Finally we read about Selena's life and career as well as her tragic death and her continuing marketability The Lost War for Texas James

Aalan Bernsen, 2024-07-08 One of the most important themes in US history is the series of struggles that transformed the Southwest from a Spanish to an American possession the Texas Revolution of 1836 and the Mexican American War of 1845 But what if historians have been overlooking a key event that led to these wars another war almost entirely unknown that took place on what is now US soil and dramatically shaped the development of the American Southwest to this day The true story of this war presented in The Lost War for Texas Mexican Rebels American Burrites and the Texas Revolution of 1811 is only now being revealed by never before published research which will challenge paradigms and reshape much of what we know about United States Texas and even Mexican history In the early 1800s the impact of the Napoleonic Wars rippled across the Atlantic Within weeks of the United States's declaration of war on England in 1812 hundreds of western militia forces rallied to a flag and marched boldly to war but not for the United States They instead invaded the province of Texas to make common cause with Mexican rebels who had launched their struggle against the Spanish monarchy the year before The resulting war changed the Southwest forever Author James Aalan Bernsen places a spotlight on division and separatism at this pivotal moment of the second revolution of the United States The Lost War for Texas by revealing the forgotten war of 1811 1812 will profoundly change how we understand the birth of the American Southwest **De León, a Tejano Family**

History Ana Carolina Castillo Crimm, 2010-01-01 Winner Presidio La Bahia Award 2004 San Antonio Conservation Society Citation 2005 La familia de Le n was one of the foundation stones on which Texas was built Mart n de Le n and his wife Patricia de la Garza left a comfortable life in Mexico for the hardships and uncertainties of the Texas frontier in 1801 Together they established family ranches in South Texas and in 1824 the town of Victoria and the de Le n colony on the Guadalupe River along with Stephen F Austin's colony the only completely successful colonization effort in Texas They and their descendants survived and prospered under four governments as the society in which they lived evolved from autocratic to republican and the economy from which they drew their livelihood changed from one of mercantile control to one characterized by capitalistic investments Combining the storytelling flair of a novelist with a scholar's concern for the facts Ana Carolina Castillo Crimm here recounts the history of three generations of the de Le n family She follows Mart n and Patricia from their beginnings in Mexico through the establishment of the family ranches in Texas and the founding of the de

Le n colony and the town of Victoria Then she details how after Mart n s death in 1834 Patricia and her children endured the Texas Revolution exile in New Orleans and Mexico expropriation of their lands and after returning to Texas years of legal battles to regain their property Representative of the experiences of many Tejanos whose stories have yet to be written the history of the de Le n family is the story of the Tejano settlers of Texas **Tejano Journey, 1770-1850** Gerald E.

Poyo,2010-07-22 A century before the arrival of Stephen F Austin s colonists Spanish settlers from Mexico were putting down roots in Texas From San Antonio de Bexar and La Bahia Goliad northeastward to Los Adaes and later Nacogdoches they formed communities that evolved their own distinct Tejano identity In Tejano Journey 1770 1850 Gerald Poyo and other noted borderlands historians track the changes and continuities within Tejano communities during the years in which Texas passed from Spain to Mexico to the Republic of Texas and finally to the United States The authors show how a complex process of accommodation and resistance marked at different periods by Tejano insurrections efforts to work within the political and legal systems and isolation from the mainstream characterized these years of changing sovereignty While interest in Spanish and Mexican borderlands history has grown tremendously in recent years the story has never been fully told from the Tejano perspective This book complements and continues the history begun in Tejano Origins in Eighteenth Century San Antonio which Gerald E Poyo edited with Gilberto M Hinojosa *The Cambridge History of the Graphic Novel*

Jan Baetens,Hugo Frey,Stephen E. Tabachnick,2018-07-19 The Cambridge History of the Graphic Novel provides the complete history of the graphic novel from its origins in the nineteenth century to its rise and startling success in the twentieth and twenty first century It includes original discussion on the current state of the graphic novel and analyzes how American European Middle Eastern and Japanese renditions have shaped the field Thirty five leading scholars and historians unpack both forgotten trajectories as well as the famous key episodes and explain how comics transitioned from being marketed as children s entertainment Essays address the masters of the form including Art Spiegelman Alan Moore and Marjane Satrapi and reflect on their publishing history as well as their social and political effects This ambitious history offers an extensive detailed and expansive scholarly account of the graphic novel and will be a key resource for scholars and students *Seeds of Empire* Andrew J. Torget,2015-08-06 By the late 1810s a global revolution in cotton had remade the U

S Mexico border bringing wealth and waves of Americans to the Gulf Coast while also devastating the lives and villages of Mexicans in Texas In response Mexico threw open its northern territories to American farmers in hopes that cotton could bring prosperity to the region Thousands of Anglo Americans poured into Texas but their insistence that slavery accompany them sparked pitched battles across Mexico An extraordinary alliance of Anglos and Mexicans in Texas came together to defend slavery against abolitionists in the Mexican government beginning a series of fights that culminated in the Texas Revolution In the aftermath Anglo Americans rebuilt the Texas borderlands into the most unlikely creation the first fully committed slaveholders republic in North America Seeds of Empire tells the remarkable story of how the cotton revolution of

the early nineteenth century transformed northeastern Mexico into the western edge of the United States and how the rise and spectacular collapse of the Republic of Texas as a nation built on cotton and slavery proved to be a blueprint for the Confederacy of the 1860s

Comic Books as History Joseph Witek, 1989 This first full length scholarly study of comic books as a narrative form attempts to explain why comic books traditionally considered to be juvenile trash literature have in the 1980s been used by serious artists to tell realistic stories for adults

Comics through Time M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers

Manifesting America Mark Rifkin, 2012-12-01 Manifesting America explores how Native American and Mexican American writers use various kinds of nonfiction to challenge the ideology of manifest destiny

Word Images Gabriella Gutiérrez y Muhs, 2017-04-25 This book explores and celebrates works by Norma Elia Cant focusing on her critically acclaimed book Can cula Snapshots of a Girlhood en La Frontera a fictionalized memoir of Laredo in the 1940s 1950s and early 1960s Provided by publisher

Single Star of the West Kenneth W. Howell, Charles Swanlund, 2017-03-15 Does Texas s experience as a republic make it unique among the other states In many ways Texas was an accidental republic for nearly ten years until Texans voted overwhelmingly in favor of annexation to the United States after winning independence from Mexico Single Star of the West chronicles Texas s efforts to maneuver through the pitfalls and hardships of creating and maintaining the accidental republic The volume begins with the Texas Revolution and examines whether or not a true Texas identity emerged during the Republic era Next several contributors discuss how the Republic was defended by its army navy and the Texas Rangers Individual chapters focus on the early founders of Texas Sam Houston Mirabeau B Lamar and Anson Jones who were all exceptional men but like all men

suffered from their own share of fears and faults Texas's efforts at diplomacy and persistence and transformation in its economy also receive careful analysis Finally social and cultural aspects of the Texas Republic receive coverage with discussions of women American Indians African Americans Tejanos and religion The contributors also focus on the extent that conditions in the republic attracted political and economic opportunists some of whom achieved a remarkable degree of success Single Star of the West also highlights how the Texas Republic was established on American political ideology With the majority of the white settlers coming from the United States this will not surprise many scholars of the era In some cases the Texans successfully adopted American political and economic ideology to their needs while other times they failed miserably

Tejano Tiger Jerry Thompson, 2017-10-25 Riding the rough and sometimes bloody peaks and canyons of border politics Santos Benavides's rise to prominence was largely the result of the careful mentoring of his well known uncle Basilio Benavides who served several terms as alcalde of Laredo Texas and Chief Justice of Webb County When the Civil War erupted in 1861 Basilio was one of only two Tejanos in the state legislature During Santos's lifetime five flags flew over the small community he called home that of the Republic of Mexico the ill fated Republic of the Rio Grande the Republic of Texas an expansionist United States and in March 1861 the rebellious Confederate States of America It was under the Confederacy in the disputed Texas Mexico borderlands that Santos Benavides reached the pinnacle of his military career as the highest ranking Tejano in the entire Confederate army In the decades that followed the Civil War he became an esteemed political leader highly respected on both sides of the border This is the first scholarly study of this important historical figure At the pinnacle of his political career in 1879 Benavides held the distinction of being the only Tejano in the Texas legislature Through strife sweat blood and heroism in defense of the border Benavides rose to economic and political heights few could dream of As a friend and confidant of two Mexican presidents he was one of the single most influential individuals in the nineteenth century history of the border His life was one of enduring perseverance as well as binational leadership and skilled diplomacy He was without doubt the single most important individual in the long and often violent history of Laredo The niche he carved in the tumultuous transnational history of the Texas Mexico borderlands seems secure

Recognizing the exaggeration ways to get this ebook **Tejano Exile** is additionally useful. You have remained in right site to begin getting this info. get the Tejano Exile member that we have the funds for here and check out the link.

You could purchase lead Tejano Exile or get it as soon as feasible. You could quickly download this Tejano Exile after getting deal. So, bearing in mind you require the books swiftly, you can straight get it. Its hence unconditionally simple and suitably fats, isnt it? You have to favor to in this look
