Telepathy and the Etheric Vehicle Alice Bailey,1950-12 The basis for the widely accepted ideal of the brotherhood of man rests on the fact of the interwoven etheric or energy structure underlying all forms in all kingdoms within the planet This essential oneness provides the condition for intercommunication on all levels of consciousness and creates the possibility of simultaneous impression **The Chakras & Esoteric Healing** Zachary F. Lansdowne,1993-01-01 Many

healers today are working with the chakras subtle force centers that vitalize and control the physical body This excellent sourcebook examines the relationships between the chakras states of consciousness and the following types of esoteric healing Pranic healing which can stimulate the vitality within the patient s physical body Telepathic healing which can effect the patient s mental attitudes and subconscious mind and Radiatory healing which can calm the patient s emotions awaken compassion strengthen the mind and bring the individual into alignment The author also discusses meditation self hypnosis and its dangers spiritual development psychic opening telepathy and provides instructions not only on how to use the chakras but admonitions against their abuse **The Soul: The Quality of Life** Alice A. Bailey,2023-11-01 This compilation from the

books of Alice Bailey seeks to increase understanding of the immortal soul addressing many aspects under sixty two headings The creative nature of the Soul On its own plane the soul knows no separation and the factor of synthesis governs all soul relations The soul is occupied not only with the form that the vision of its objective may take but with the quality or the meaning which that vision veils or hides The soul knows the Plan its form outline methods and objective are known Through the use of the creative imagination the soul creates it builds thought forms on the mental plane and objectifies desire on the astral plane It proceeds then to externalise its thought and its desire upon the physical plane through applied force creatively actuated by the imagination of the etheric or vital vehicle Yet because the soul intelligence motivated by love it can within the realised synthesis which governs its activities analyse discriminate and divide The soul likewise aspires to that which is greater than itself and reaches out to the world of divine ideas and thus itself occupies a midway position between the world of ideation and the world of forms This is its difficulty and its opportunity **Introduction to the Seven Rays** Kurt

Abraham,1986 **Serving Humanity** Alice A. Bailey,2023-03-01 Service can be briefly described as the spontaneous effect

of soul contact This contact is so definite and fixed that the life of the soul pours through into the instrument the personality the means of soul contact to the physical plane This book of quotations from the writings of Djwhal Khul are presented under 118 headings and in his words That your vision may expand and your power to think and reflect abstractly may grow is my hope and wish for you Integrating Brain, Mind, Soul, and Spirit Eric John Parkins,2025-04-29 Referring to major spiritual traditions transpersonal psychology neuropsychology neuroscience and modern physics this book identifies and systematically integrates core ideas concerning psychospiritual development Integrating Brain Mind Soul and Spirit presents neuropsychological research on psychedelics with reference to mystical experience and Psi extrasensory perception as an extension of cognitively controlled brain based homeostasis The book equates concepts from modern physics with perennial metaphysics concerning intelligent consciousness evolution and the transfer of energy and information It also compares spiritual literature regarding consciousness spirit soul and brain mind personality to neuropsychological and psychological literature concerning emotion cognition and altered states of consciousness Finally a nested neuro psycho spiritual control hierarchy is presented as an architecture for systematically integrating describing and understanding brain mind soul and spirit and neuro psycho spiritual development Providing a modern multidisciplinary perspective and highlighting implications for psychiatry psychotherapy and education this book is a must read for students and researchers of transpersonal psychology psychospiritual matters and altered states of consciousness *Discipleship in the New Age Vol II* Alice A. Science and the Ageless Wisdom Alice A. Bailey,2025-04-01 This book contains a structured collection of excerpts from the Alice Bailey writings mainly focussed on science yet also including topics related to philosophy and religion Human knowledge and thinking is evolving all the time Scientists or philosophers of the middle Ages or the time of the Enlightenment could hardly conceive the scientific view of today And who knows what the scientific view of the world will be in a century or even half a century from now *The Psychology of the Soul* Gunda Scholdt,2023-08-16 This book is an introduction to Spiritual Psychology which is based on the Seven Rays It is an in depth and comprehensive presentation of the path of the soul and the true nature of the human being The special feature is the synthetic view of the different aspects of human life such as the monad the soul the personality the seven chakras the seven planes the path of initiation the causal body but also the practice of spiritual therapy and meditation The author describes in a clear and easily comprehensible language the basics of Ageless Wisdom and the complex relationship between the spiritual and material worlds in the duality of which soul development takes place Complete with many diagrams and tables it is a valuable textbook for astrologers and

people in psychological pedagogical counselling and healing professions who wish to expand their view of humanity and assist those who are seeking advice on their spiritual path of development **The Revelation (New Revised Edition)**

Bodo Balsys, 2022-09-06 This book presents basic postulates concerning many esoteric concepts These include the concept of God what constitutes evil the nature and function of karma the manifestation of energy from the subtle planes of perception the nature of manifest Divinity as veiled by the concept of the Christ in the Bible and the mysteries of Being The analysis moves from my earlier Buddhist writings to focus upon the information in the Bible especially in relation to the nature of the reappearance of the Christ which here is equated with the externalisation process of the Hierarchy of Enlightened Being This doctrine concerns the mode of the evolution of transcendent perception by humanity The awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the n s and chakras are also explained A syncretic approach is therefore espoused through the comparison between Eastern doctrines and the presented esoteric Christianity In doing so many of the veiled hidden mysteries in the Gospel story and the book of Genesis are revealed The text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the East as the dharma and in the Western tradition as the Law of God **The Golden Thread** Natalie N.

Banks, 1999 The constant reappearance of the Ancient or Ageless Wisdom that body of inner or esoteric teaching handed down from remote times in a form suitable to the period has always attracted the minds of thoughtful people Through its remarkable preservation and continuity it has been compared in symbol to a golden thread a spiritual life line waxing or waning in clarity and intensity from century to century The Rays and The Initiations Alice A. Bailey, Djwhal

Khul, 2012-12-01 The first part of this volume contains the Fourteen Rules for Group Initiation an extension of the teachings given in Initiation Human and Solar on the Fourteen Rules for Applicants The second part of the book is concerned with the nine initiations by which the disciple progressively achieves liberation from the various forms of our planetary life The possibility of group initiation is a development of the present era This volume emphasises the growth of the group idea group service group responsibility **Transformation in Action** Sonja Ams, 2014-10-30 Transformation in Action will lead you on
