Michael Conant, 1960      Hollywood in the Age of Television Tino Balio, 2013-12-17 This collection of papers examines the evolving relationship between the motion picture industry and television from the 1940s onwards. The institutional and technological histories of the film and TV industries are looked at concluding that Hollywood and television had a symbiotic relationship from the start. Aspects covered include the movement of audiences, the rise of the independent producer, the introduction of colour and the emergence of network structure, cable TV and video recorders. Originally published in 1990.

Television Western Players, 1960-1975 Everett Aaker, 2017-06-08 This biographical encyclopedia covers every actor and actress who had a regular role in a Western series on American television from 1960 through 1975 with analyses of key players. The entries provide birth and death dates, family information and accounts of each player's career with a cross-referenced videography. An appendix gives details about all Western series, network or syndicated, 1960-1975. The book is fully indexed.      The United States Department of Commerce Publications, Catalog and Index Supplement United States.
