Television Drama John Tulloch, 2002-06-01 First published in 1990 This book is the first specifically about television drama from within a cultural studies perspective and as such examines the active agency of both viewers and media practitioners The author examines dominant and counter myths as they circulate in popular culture discussing soap opera science fiction sitcom cop series and authored drama among its examples It works within an ethnographic framework he looks in detail at both the production and reception of TV drama The overall aim of the book is to examine television representation as part of an historically positioned and differentiated social formation in which knowledgeable actors work in every institutional arena whether media industry academia or domestic household to make their meanings *Encyclopedia of American Race Riots* Walter C. Rucker, James N. Upton, 2006-11-30 Race riots are the most glaring and contemporary displays of the racial strife running through America's history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century Though white black violence has been the most common form of racial violence riots involving Asians and Hispanics are also included and examined Race riots are the most glaring and contemporary displays of the racial strife running through America's history Mostly urban mostly outside the South and mostly white instigated the number and violence of race riots increased as blacks migrated out of the rural South and into the North and West's industrialized cities during the early part of the twentieth century While most riots have occurred within the past century the encyclopedia reaches back to colonial history giving the encyclopedia an unprecedented historical depth Though white on black violence has been the most common form of racial violence riots involving other racial

and ethnic groups such as Asians and Hispanics are also included and examined Organized A Z topics include notorious riots like the Tulsa Riots of 1921 the Los Angeles Riots of 1965 and 1992 the African American community's preparedness and responses to this odious form of mass violence federal responses to rioting an examination of the underlying causes of rioting the reactions of prominent figures such as H Rap Brown and Martin Luther King Jr to rioting and much more Many of the entries describe and analyze particular riots and violent racial incidents including the following Belleville Illinois Riot of 1903 Harlem New York Riot of 1943 Howard Beach Incident 1986 Jackson State University Incident 1970 Los Angeles California Riot of 1992 Memphis Tennessee Riot of 1866 Red Summer Race Riots of 1919 Southwest Missouri Riots 1894 1906 Texas Southern University Riot of 1967 Entries covering the victims and opponents of race violence include the following Black Soldiers Lynching of Black Women Lynching of Diallo Amadou Hawkins Yusef King Rodney Randolph A Philip Roosevelt Eleanor Till Emmett Lynching of Turner Mary Lynching of Wells Barnett Ida B Many entries also cover legislation that has addressed racial violence and inequality as well as groups and organizations that have either fought or promoted racial violence including the following Anti Lynching League Civil Rights Act of 1957 Economic Opportunity Act of 1964 Ku Klux Klan National Association for the Advancement of Colored People NAACP Nation of Islam Vigilante Organizations White League Other entries focus on relevant concepts trends themes and publications Besides almost 300 cross referenced entries most of which conclude with lists of additional readings the encyclopedia also offers a timeline of racial violence in the United States an extensive bibliography of print and electronic resources a selection of important primary documents numerous illustrations and a detailed subject index

The Kerner Report United States. National Advisory Commission on Civil Disorders, National Advisory Commission on Civil Disorders, 2016-05-17 The Kerner Report is a powerful window into the roots of racism and inequality in the United States Drawing together decades of scholarship showing the widespread and ingrained nature of racism the report provided an important set of arguments about what the nation needs to do to achieve racial justice one that is familiar in today's climate Back cover

Flak-Catchers Lindsey Lupo, 2010-12-02 Flak Catchers explores the ways in which riot commissions the institutional bodies appointed by an executive in the aftermath of a race riot to determine a riot timeline investigate causes and offer prescriptions for change have dealt with racial violence in the United States over the last century In studying five riots and their commissions Chicago 1919 Harlem 1935 Los Angeles 1965 USA 1967 and Los Angeles 1992 this book shows that riot commissions only serve to give the appearance of strong and responsive government action during uncertain times They primarily benefit the instituting body by focusing on a restoration of law and order while undermining any larger civil rights message However this book also challenges the prevalent idea that riot commissions are all the same by revealing how riot commissions have changed over the last century shifting in their prominence content and focus After the 1968 Kerner Commission which studied the 1967 summer riots it has become increasingly common for the riot commission to fail to answer fundamental questions posed by the crisis

Congressional

Record United States. Congress, 1969 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Congressional Record Index** ,1959 Includes history of bills and resolutions **The Complete Kerner Report** National Advisory Commission on Civil Disorders, 2024-10 Given the present day threats to American democracy and the deep political divisions ahead of the 2024 presidential election Teachers College Press is publishing this federal report with a new introduction The Kerner Commission Report was issued by the National Advisory Commission on Civil Disorders a presidential commission established by President Lyndon B Johnson to determine the causes of urban riots during the summer of 1967 and to provide suggestions for improving race relations After 7 months of investigation a groundbreaking report was released that sent shockwaves through the nation Contrary to commonly held beliefs that largely blamed young Black men for the riots the report pointed to a lack of economic opportunity disastrous social service programs white racism police violence and a biased national media This federal report is being reissued to accompany the new book edited by Alan Curtis Creating Justice in a Multiracial Democracy which is a collection of essays by seminal scholars and activists on how the United States has or has not progressed since the Kerner Commission Report **Policing and Social Media** Christopher J. Schneider, 2024-10-31 Policing and Social Media Social Control in an Era of Digital Media investigates various public aspects of the management use and control of social media by police agencies in Canada This book aims to illustrate the process by which information technology namely social media and related changes in communication formats have affected the public face of policing and police work Christopher J Schneider argues that police use of social media has altered institutional public police practices in a manner that is consistent with the logic of social media platforms policing is changing to include new ways of conditioning the public cultivating self promotion and expanding social control Every chapter in this second edition has been updated with contemporary examples and analysis Each case study presented here focuses on a different social media platform or format while at the same time developing suitable analytical and methodological approaches for understanding contemporary policing practices on social media sites **Arresting Images** Aaron Doyle, 2003-01-01 Arresting Images asks instead how TV influences what is in front of the camera and how it reshapes other institutions as it broadcasts their activities **Television and the riots** Howard Tumber, 1979 *Understanding Karen Tei Yamashita* Jolie A. Sheffer, 2020-02-18 Among the most trenchant and provocative writers of globalization Karen Tei Yamashita is one of the most significant ambitious and widely taught Asian American writers today In four genre bending novels a short story collection travel essay collage a family memoir and more than a dozen performance theater works Yamashita weaves together postmodernism magical realism history social protest and a wicked sense of humor Her fictions challenge familiar literary tropes especially

those expected of multicultural writers such as the now clichéd conflict between first generation immigrants and their American born children. Instead her canvas is global, conjuring the unexpected intimacies and distances created by international capitalism as people and goods traverse continents in asymmetrical circuits. Highlighting the connections between neoliberal economic policies, environmental devastation and climate change, anti-immigrant rhetoric, urban gentrification and other issues that disproportionately affect historically underinvested and minority communities, Yamashita brings a uniquely transnational perspective to her portrayal of distinctly American preoccupations. Sheffer gives readers a concise introduction to Yamashita's life, provides lucid analysis of key motifs and synthesizes major research on her work. Each chapter offers in accessible prose original interpretations of essential works and stages in her career: her Brazil-Japan migration trilogy comprising *Brazil Maru*, *Through the Arc of the Rain Forest* and *Circle K Cycles*; the magical realist revision of the Los Angeles riots in *Tropic of Orange*; her historical magnum opus about Asian American activism in the long 1960s *I Hotel*; her understudied theatrical and performance works collected in *Anime Wong*; and her recent familial memoir about Japanese American internment during World War II, *Letters to Memory*. In short, the volume serves as both a lucid introduction to a challenging author and a valuable resource for students and scholars.

The Dynamics of Aggression

Michael Potegal, John F. Knutson, 2013-06-17. Aggression usually involves a sequence of behaviors reflecting escalations and de-escalations in the form or intensity of the actions taken which play out over time. This book provides a context in which social and biological research on the aggressive behaviors of human and non-human subjects interacting in dyads or groups can be compared and integrated. Implicit in this juxtaposition is the major question of whether general principles governing the dynamics of aggression within and between episodes may be discerned. Aggressive behavior is described at different levels of analysis in humans and a number of other animal species. Three basic views of aggression dynamics become apparent. The economic interpretation: Aggression will be escalated when it pays one of the combatants to do so or more generally when the potential benefits outweigh the risks. Decisions to escalate or de-escalate are part of a calculated strategy in one or another sense. This interpretation is formalized within game theoretic models as applied to animal conflicts and to international conflicts within the chapters of this text. The psychological process interpretation: Emphasis is placed on psychological/physiological processes within the individual. The chapters stress the importance of acute emotional states of anger and aggressive arousal and argue the role of peripheral sympathetic activation while proposing a central neural mechanism. Children escalating their tantrums, adult humans and animals of other species intensifying their interpersonal conflicts, national leaders going to war, footings all appear to suffer a narrowing of attention and progressive failure of cognitive function under the intensifying stress of conflict. Perhaps these changes in attention, sensory and cognitive functions and risk taking reflect a commitment to aggression which is necessary for organisms to engage in potentially dangerous and painful encounters. The emergent process interpretation: Escalation emerges in a spontaneous and dynamic way as the

actions of one participant elicit reactions from the other s *Killing the Messenger* Tom Goldstein,2007 An anthology of some of the most provocative writing that has been done in this century about the press this volume includes articles by Walter Lippman Clifton Daniel John Hersey Louis Brandeis Upton Sinclair and others *Unsettling Whiteness* Lucy Michael,Samantha Schulz,2019-01-04 This volume was first published by Inter Disciplinary Press in 2014 *Unsettling Whiteness* brings together an international collection that considers anew the politics practices and representations of whiteness at a time when nations worldwide continue to grapple with issues that are underwritten by whiteness *France since 1870* Charles Sowerwine,2018-01-25 This thoroughly revised updated and expanded new edition of an established text surveys the cultural social and political history of France from the Franco Prussian War of 1870 and the Paris Commune through to Emmanuel Macron s presidency Incorporating the newest interpretations of past events Sowerwine seamlessly integrates culture gender and race into political and social history This edition features extended coverage of the 2007 8 financial crisis the rise of the political and cultural far right and the issues of colonialism and its contemporary repercussions This is an essential resource for undergraduate and taught postgraduate students of history French studies or European studies taking courses on modern French history or European history This text will also appeal to scholars and readers with an interest in modern French history Richly informative and lucidly presented Sowerwine s *France since 1870* offers essential reading for students and researchers Particularly powerful is the new final chapter which draws on historical expertise to explore and explain the literary and political malaise of contemporary France Jessica Wardhaugh University of Warwick UK This third edition is unparalleled in its reach and excellence as a history of modern France from 1870 to the present Sowerwine seamlessly integrates culture gender and race into political and social history His incorporation of the newest interpretations of past events as well as the historical perspective he lends to current events such as terror attacks new laws regarding labor and marriage modern globalization neo liberalism as well as to France s darkening mood make this highly readable book a true masterpiece Elinor Accampo University of Southern California USA Her recent social and economic challenges have cast deep shadows into the story of modern France that Charles Sowerwine tells so clearly Those dark questions about culture politics and society have their full place in this This scholarly but accessible reassessment of French history since 1870 This edition raises new questions about France s story directly and compellingly and remains the key text for readers who are curious about modern France Julian Wright Northumbria University UK Following on the fine precedent set by earlier editions this masterful survey offers students and the public alike a readable and illuminating account of the tortuous and ever intriguing path of French history since 1870 George Sheridan University of Oregon USA
