Appreciating the Art of Television Ted Nannicelli, 2016-09-13 Contemporary television has been marked by such exceptional programming that it is now common to hear claims that TV has finally become an art In *Appreciating the Art of Television* Nannicelli contends that televisual art is not a recent development but has in fact existed for a long time Yet despite the flourishing of two relevant academic subfields the philosophy of film and television aesthetics there is little scholarship on television in general as an art form This book aims to provide scholars active in television aesthetics with a critical overview of the relevant philosophical literature while also giving philosophers of film a particular account of the art of television that will hopefully spur further interest and debate It offers the first sustained theoretical examination of what is involved in appreciating television as an art and how this bears on the practical business of television scholars critics students and fans namely the comprehension interpretation and evaluation of specific televisual artworks

Independent Television Production in the UK David Lee, 2018-03-07 This book is the first authoritative account of the UK's independent television production sector following the creation of Channel 4 in 1982 It examines the rise of a global industry increasingly interconnected through format development distribution ancillary sales and rights Drawing on case studies interviews and policy analysis the author considers the cultural politics behind the growth of the indies the labour conditions for workers in this sector and some of the key television programmes that have been created within it Filling an important gap in our understanding this book constitutes a comprehensive account of this vital cultural industry for students academics and researchers working in the areas of the cultural and creative industries media and cultural policy and television studies

Broadway in the Box Kelly Kessler, 2020 It was as if American television audiences discovered the musical in the early 21st century In 2009 *Glee* took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009-2010 season *Glee* would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside *Glee* NBC and Fox would crank up musical visibility with the nighttime drama *Smash* and a string of live musical productions Then came ABC's comedic fantasy musical series *Galavant* and the CW's surprise Golden Globe darling *My Crazy Ex Girlfriend* Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein's appearance on the first *Toast of the Town* telecast and Mary Martin's iconic *Peter Pan* airings to Barbra Streisand's 1960s CBS specials *The Carol Burnett Show* *Cop*

Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen MLA International Bibliography of Books and Articles on the Modern Languages and Literatures ,2006 Documentary Film Ian Aitken,2012
