Aylesworth, 1986 *A History of Broadcasting in the United States* Erik Barnouw, 1968-12-31 Tells how radio and television became an integral part of American life of how a toy became an industry and a force in politics business education religion and international affairs **Theatre World 2008-2009** Ben Hodges, 2009-11-01 Scenes from the plays and portraits of leading actors accompany a statistical record of the current season **Harvard Guide to American History** Frank Freidel, Frank Burt Freidel, Richard K. Showman, 1974 Editions for 1954 and 1967 by O Handlin and others Live Television Drama, 1946-1951 William Hawes, 2015-11-16 The live era or golden age of television drama originating from New York 1946 through 1951 was an exciting time of creative and commercial accomplishment This is a complete history and reference guide to the live dramas that aired during those six years Extensive coverage is given to the NBC anthologies Kraft Television Theatre and Philco Television Playhouse and the CBS anthologies Ford Theater and Studio One as well as to the competitors the 28 new anthologies that appeared in the prime time schedule during 1950 and 1951 Appendices comprehensively list the day by day program logs for BBC CBS and NBC dramas from 1946 through 1951 *A History of Broadcasting in the United States: The Image Empire* Erik Barnouw, 1970-02-18 During the 1950s in a frontier atmosphere of enterprise and sharp struggle an American television system took shape But even as it did so its pioneers pushed beyond American borders and became programmers to scores of other nations In its first decade United States television was already a world phenomenon Since American radio had for some time had international ramifications American images and sounds were radiating from transmitter towers throughout the globe They were called entertainment or news or education but were always more They were a reflection of a growing United States involvement in the lives of other nations an involvement of imperial scope The role of broadcasters in this American expansion and in the era that produced it is the subject matter of *The Image Empire* the last of three volumes comprising this study **Television in Black-and-white America** Alan Nadel, 2005 La couverture indique Alan Nadel's new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like *The Rebel's* Johnny Yuma reincarnating Southern values and *Bonanza's* Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation's mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands Head's Broadcasting in America Michael McGregor, Paul D. Driscoll, Walter McDowell, 2016-01-08 This book documents the dramatic changes in the field of electronic media in the past
