Tell It By Heart Women And The Healing Power Of Story:

Tell it by Heart Erica Helm Meade,1995 Tell It by Heart is a collection of stories about contemporary women of various ages and ethnic backgrounds who have one thing in common each embraces a pertinent myth as her guide through a difficult passage Narrated by therapist Erica Helm Meade these fictionalized case studies carry us along with all the intrigue of good short stories while at the same time instructing us in the use of healing lore **The Healing Heart—Families** Allison M. Cox,David H. Albert,2009-03-01 Stories and narratives aimed at helping families work through an array of subjects like health illness grief adoption sexual identity and school The Healing Heart provides powerful examples of the use of stories and storytelling in encouraging resiliency empathy respect and healing These engaging books contain stories and narratives about the use of the stories in activities with different populations children teens those with disabilities seniors inmates etc or which address specific social or community problems addictions poverty violence racism environmental degradation homelessness abuse The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action in building self esteem and mutual respect The Healing Heart Families focuses on families dealing specifically with healing through story health promotion disease prevention early childhood intervention children with medical problems adopting families schools sexual identities grief and spiritual healing The Healing Heart Communities focuses on community building with sections on youth violence prevention poverty domestic violence substance abuse and addiction racism elders culture environmental protection homelessness and community development Praise for The Healing Heart Families Both children and adults sick or well need the embrace of soulful storytelling They need to witness and be witnessed for it is in this state that healing occurs If newscasters were to read aloud each night to their listeners for 1 001 nights one of the stories from this treasury we would all be healed and lose our fear recapturing real security in our homeland N Michael Murphy MD author of The Wisdom of Dying An extraordinary work Hit the bulls eye by providing both process and practice Thought provoking and insightful theory is intertwined with appropriate stories for direct application It makes clear that story can be a powerful catalyst for change giving eloquent voice to what many of us have known for some time but have been unable to express What a gift for those who work with families Elizabeth Ellis co author of Inviting the Wolf In Thinking about Difficult Stories The Moon in the Well Erica Helm Meade,2001 The Moon in the Well is a collection of 65 tales from many cultures followed by interpretive comments suggested uses and true life examples of what can happen when a nourishing story is taken to heart Erica Meade s musings and suggestions are intended to pique readers interest in story and guide them in weaving wisdom tales into their everyday dialogues The Strategic Use of Stories in Organizational Communication and Learning Terrence L. Gargiulo,2014-12-18 Designed for students and practitioners in the fields of organizational behavior and human resource training and development this groundbreaking book presents a cutting edge approach to improving organizational

communication Drawing on his extensive experience as an organizational development consultant and group process facilitator Terrence Gargiulo shows how the use of storytelling is the key to effective communication and learning **The Healing Heart for Communities** Allison Cox, David Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal **Once Upon A Time** Terrence L. Gargiulo, 2007-06-30 Terence Gargiulo's breakthrough communications and storytelling are amply demonstrated with dozens of corporate examples And the best part Gargiulo shows us step by step how to create this storytelling communication magic in our own organizations The competencies assessed by the instrument represent the nine essential communication behaviors that need to be developed and cultivated in all of today's leaders and managers Modeling Telling Selecting Indexing Synthesizing Reflecting Eliciting Listening and Observing Once Upon a Time will show you how to develop exceptional communication skills and it will serve as an invaluable resource for helping others do the same Stories are a natural part of how we communicate Yet many of us are unaware of the different ways we use stories This book will take the intuitive aspects of communicating through stories and break it down into repeatable practices and essential competencies The story based activities in the second half of the book will give you powerful easy to lead structured experiential exercises that can be used in a variety of settings and for lots of different purposes that go beyond training *Engaging Community through Storytelling* Sherry Norfolk, Jane Stenson, 2017-07-25 This exploration of model storytelling projects shows librarians how to expand their roles as keepers of the stories while strengthening their communities Community life is built on its stories Our history and culture those of society and of individuals are passed from generation to generation through stories *Engaging Community through Storytelling Library and Community Programming* examines a wide variety of model storytelling projects across the country reflecting how storytelling can encourage community attachment identity and expression in libraries community centers and schools The contributed essays written by experts in their fields many of whom served as developer fundraiser director and implementer of their project provide detailed information about the inner workings of a wide variety of model storytelling projects from across the country The authors delineate the need scope and audience for each project and offer riveting anecdotes that evaluate the success of that project Many of the articles are accompanied by one or more photographs documenting the work or practical how to do it guides to encourage and enable replication Thoughtful commentary on and review of the key concepts in each chapter are provided by the book's editors **Sowing Stories Deep in the Soul** Joyce Elaine Gill Johnson, 2017-12-07 Some adolescent women struggle to maintain positive self identity resilience and personalized faith development on their journey toward adulthood It is a contemporary crisis recognized by many including ministry leaders of faith communities In today's fast paced digital culture concerns addressing challenges facing adolescent women are evident in research literature To strengthen their spiritual well being emphasis is placed on spiritual formation practices that enhance faith hope and personal relationships amid social peer and media pressures pulling them into negative

detrimental and dysfunctional lifestyles Empirical research reveals a need to transform negative images and self destruction utilizing stories of holistic well being Sowing Stories Deep in the Soul Biblical Storytelling with Adolescent Women highlights biblical women touched by the holistic healing ministry of Jesus with deep soul stirring experiences of God s compassionate love It meets the need as a spiritual formation ministry model focused on creativity engaging study internalized story learning positive life connections and performing biblical stories by heart These expressive aspects form the ancient oral character of Bible stories internalized and voiced in repeated performances for compelling impact and action Included are replicable results of action research using this model with adolescent women to encourage maintaining Christ centered lives

Dancing the Labyrinth Maddy Cunningham, Jade de Saussure, 2019-03-22 There is a scarcity of professional literature and research that focuses on women s spiritual development and experiences and how they may differ from those of men For women the spiritual is often inner focused rather than transcendent relational rather than solitary and interdependent rather than autonomous Dancing the Labyrinth integrates knowledge of women s psychological and spiritual development alongside stories of a diverse group of women to examine how spirituality changes over the adult life course the catalysts for said changes e g the natural aging process or traumatic events and feminist spirituality which highlights the importance of relationships to self others and God While the authors focus on spirituality they examine the experiences of women who express their spirituality within both traditional and non traditional paths The text also includes several chapters that highlight specific clinical interventions professionals can use to implement spirituality into their practice with women Written in an engaging and accessible style this book serves as a helpful resource for mental health practitioners pastoral counselors spiritual directors and lay audiences interested in better understanding of the nuances of women s spiritual development and experiences
