Nurturing Child and Adolescent Spirituality Karen-Marie Yust,2006. Nurturing Child and Adolescent Spirituality: Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions and disciplines.

and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe Spiritual Conversations with Children Lacy Finn Borgo, 2020-03-10 When children have a listening companion who hears, acknowledges and encourages their early experiences with God, it creates a spiritual footprint that shapes their lives. Lacy Finn Borgo draws on her experience of practicing spiritual direction with children as she introduces key skills for engaging kids in spiritual conversations, offering sample dialogues, prayers to use together, and ideas for play, art, and movement. *The Good Shepherd and the Child: A Joyful Journey* Sofia Cavalletti, Patricia Coulter, Gianna Gobbi, Silvana Quattrocchi Montanaro, M.D., Rebekah Rojcewicz, 2014-07-29 Now revised and updated, this foundational text explores the development of the Catechesis of the Good Shepherd since its origins. God's Heart for Children Rosalind Tan, Nativity A. Petallar, Lucy Kajidori, 2022-05-31 In the New Testament, Jesus is explicit in communicating God's heart for children. Yet what does it look like for that heart to encounter the contextual realities of life in the twenty-first century? This book explores the theological implications and practical realities of ministry with children in a globalized world. Affirming eight core beliefs regarding the place of children in creation—that they are created with dignity and intended to be placed in families, cared for in community, advocated by society, secured in hope, affirmed in God's church, included in God's mission, and engaged in creation care—this book traces the impact of such far-reaching issues as displacement, climate change, human trafficking, persecution, and gender discrimination on childhood development. Written by over twenty contributors from around the world, each section roots its premise in contextual theology, examines the implications for praxis, provides a case study, and includes questions for discussion and reflection. Through each chapter, the conversation around childhood development is broadened, prioritizing the experiences of children and practitioners to truly reflect the realities of our changing world. This is an excellent resource for all those concerned with the current risks facing children, especially among the world's most vulnerable populations, and what best practice looks like as the people of God work to bring God's heart and hope to children in their communities and beyond.
