A Tribute to My Wife, "Rutha M. Hall" with "3" Little Angels God Sent Larry D. Hall, 2019-02-08 This tribute is to the woman that before her I was less than nothing and with her I started to become something and now I'm invincible She brought me from nothing to something to someone who can change the world When I was a boy growing up most people said I wouldn't live to reach manhood but if I did I would end up in jail But by the grace of God and the support from my wife I proved them all wrong I give thanks every day to God for putting you in my life I also give thanks to you for staying with me after all the wrong pain disappointment and suffering I caused you But most of all for not killing me in my sleep God knows you had every reason to do so You have been the anchor that kept my ship from drifting away the thing that held it in place when it was drifting out to

the open sea Because of you I was able to charter a new course maintain it and reach our goals If God had not put you in my life my ship would have sail to places unknown a place where there is no future where time stands still a place where lost people end up hell on earth Thank you for saving me from that thank you for showing me the right directions to the right places in life and a thank you for helping me get there I can t even see life without you with me all I can see without you is an empty space like a black hole with no light at the end a dead end My future would be nothing without you being in the future with me You are my better half That part of me where good exists The part that will take me from the darkness into the light This book is a tribute to you my wife Rutha M Hall because you are the wind in my sails wherever my ship ends up It s because of your wind and God s navigation I was just the tool he used a blind man that couldn t see So this book is a tribute to the most wonderful woman God could ever send a man He sent me you Rutha M Hall a woman who could stay with a man after all the wrong and bad things he did to you Thank you from the bottom of my heart You stayed with me after all the disrespect the women the drugs and alcohol for over thirty years Again thank you and please please forgive me once more Because I know this ship has other goals to reach and I know this ship will reach those goals because of your wind and God s navigation How can it not Thank you for being my wife Rutha M Hall You saved my life
