Tell the World Eric Wright,1981 Whitaker's Cumulative Book List ,1983 *The Bookseller* ,1982 *British Books in Print* ,1985 **The Apostolic Imperative** Carl E. Braaten,2016-10-31 With perceptive insight and vigor Dr Braaten addresses today s crisis in ministry in Protestant and Catholic communities Numerous studies reveal widespread confusion about the nature and scope of the church s mission There is a split consciousness in the church at all levels between evangelism and social action and between lay and ordained forms of ministry The Apostolic Imperative summons the church to embody the apostolic norms of primitive Christianity in its theology and practice A misinterpretation or neglect of the apostolic norms in the life of the church makes the church captive to narrow traditions or victim of fashionable trends says Braaten The aim of this book is to ground our theological thinking in the essentials of apostolic faith its witness to the cross and resurrection of Jesus and its obedience to his command to convey his message to all the world The theology of mission in this book is biblically based evangelically motivated ecumenically oriented and practically posed to grapple with the issues of the immediate future *World Christian Trends Ad30-ad2200 (hb)* ,2001 **The Integrating Gospel and The Christian:** Alan Tippett,2015-06-01 Alan Tippett s publications played a significant role in the development of missiology The volumes in this series augment his distinguished reputation by bringing to light his many unpublished materials and hard to locate printed articles These books encompassing theology anthropology history area studies religion and ethnohistory broaden the contours of the discipline This volume contains two manuscripts The first The Integrating Gospel combines a historical ethnolinguistic study of Fijian language an examination of Fijian culture patterns in interaction with the church and Tippett s own firsthand experience as a communicator of the gospel to specific receptors at a specific place and point in time From this Tippett is able to extrapolate broader ideas on contextualization and methods of gospel transmission In The Christian Fiji 1835 67 Tippett addresses the establishment of the Christian church and the spread of Christianity in Fiji with special attention to Ratu Cakobau In this brief but in depth study Tippett presents a strong case against the understanding that Fijian conversions to Christianity were primarily political as he offers evidence of the genuine religious and spiritual experiences behind these conversions *World Mission: The Biblical* Jonathan Lewis,1994 Back by popular demand this three volume work is now reprinted as a single volume This manual leads the student into a deeper broader mission understanding and vision by covering the Biblical historical foundations the strategic dimensions and cross cultural considerations **The Congregationalist and Christian World** ,1904 **The Negro's Church** Benjamin E. Mays,2015-08-04 Benjamin E Mays 1894 1984 was President and Professor Emeritus of Morehouse College The Wiley-Blackwell Companion to the Anglican Communion Ian S. Markham,J. The Church and Cultures Louis J. Luzbetak, 2015-03-31 Why should the church be concerned about cultures Louis J.
