Prayers of Jesus Tell Us About the Heart of God Rev. Shane Stanford, 2015-10-20 More than any other part of his ministry Jesus prayers inform and engage his intentions for how the gospel would change lives and affect the world When we take time to review the moments when Jesus prayed with his disciples or went away to pray alone we engage both a story and a set of lessons Jesus doesn t just pray as a means to be with the Father he uses prayer as an instructional Discover Jesus own hopes and desires when he prayed for us to Have a relationship with the Father Be shaped by God s wisdom and guidance Be united with one another Bring glory to God Have consistency in our spiritual life What the Prayers of Jesus Tell Us About the Heart of God refines our understanding of Jesus plans for his disciples both in that first century and for every century to follow By witnessing even the most intimate moments between the Father and the Son we can learn something about the big plan God has for our lives **What the Prayers of Jesus Tell Us About the Heart of God Leader Guide**

Shane Stanford, 2015-10-20 In What the Prayers of Jesus Tell Us About the Heart of God author Shane Stanford introduced five prayer focuses the five purposes Jesus had for praying to his Father that reveal Christ s hopes and desires for how we might also commune with God Now in this coordinating leader guide Stanford provides helpful direction for groups wishing to study Jesus prayers together Five sessions coordinate with each of the five chapters of the book Designed for a 45

Edwards,2010-03-15 As a child Maria Luisa Jimenez Edwards wanted to be a missionary It held an indescribable allure for her an intrinsic pull that was aching to spread the Good News of Jesus In the pages of this book join her as she embarks on a personal and spiritually challenging journey to the jungles of Ecuador It is virtually impossible to describe a missionary life meaningfully to someone who has never experienced it She wants to encourage readers to find their own paths to follow God as others in the midst of utmost poverty have found As she wrote these stories she was inspired and challenged anew Years of participation in the western lifestyle has weakened a passionate faith in a God of power and miracles From the story of a village of destitute women who dropped everything to come to the aid of a grandmother dying of cancer to the family who already had seven children but chose to accept an orphan you will also be inspired by the faith of those who rely on God alone You will see opportunities to be a part of the miracle if you open your eyes to Gods vision The Love and Power of God proves that His Word conquers all bringing people together to arm themselves with unconditional love achieving wonders for themselves their families and communities *The Collected Works of Henry Drummond* Henry Drummond,2022-11-13 In

its implications for contemporary society **Natural Law In The Spiritual World** Henry Drummond, 2014-05-12 No class of works is received with more suspicion than those which deal with Science and Religion Science is tired of reconciliations between two things which never should have been contrasted Religion is offended by the patronage of an ally which it professes not to need and the critics have rightly discovered that in most cases where Science is either pitted against Religion or fused with it there is some fatal misconception to begin with as to the scope and province of either But although no initial protest probably will save this work from the unhappy reputation of its class the thoughtful mind will perceive that the fact of its subject matter being Law a property peculiar neither to Science nor to Religion at once places it on a somewhat different footing **Children's Spirituality, Second Edition** Kevin E. Lawson, Scottie May, 2019-06-13 The Society of Children's Spirituality Christian Perspectives launched in 2003 with its first conference held at Concordia University Chicago in River Forest Illinois An earlier edition of this book composed of chapters based on presentations from that conference was published in 2004 In 2018 a decision was made to revise this book from the inaugural conference updating some chapters and providing a new perspective on the ongoing work of the organization now called the Children's Spirituality Summit For example given the advances in what we are learning from brain research a chapter on this topic has been extensively updated What this revised volume provides is a collection of chapters offering theological perspectives social science research and insights on ministry practice about the spiritual lives of children how they relate to God how this relationship grows and what helps in promoting the spiritual formation and vitality of children in the home church and school This book offers twenty three chapters by professors graduate students social science researchers and ministry leaders from different denominational traditions addressing a wide range of issues in theory research and ministry practice with children This second edition offers much to learn from stimulate your thinking and improve your practice
