Tell Me How Fast It Goes:

Go Fast Rod Humphris, 2016-10-06 Highly charged action packed and intelligent Go Fast is set in the vivid exotic location of Morocco and is the first novel in the Simon Ellice series On moonless nights Si runs hash from Morocco to Spain in his go fast boat but soon discovers he s caught up in a tangle of illegal power and hidden love *Tell Me a Story* Dante

Fabiello, 2010-04 Once upon a time there was a little girl called Alexandra who asked her daddy Daddy please tell me a stoooweee Well this is my story on how I created thousands of children stories These stories come from a world where animals of all kinds all talk and learn like children about life Around the age of three my daughter got tired of me reading little kiddy stories and asked me Daddy please tell me a stoooweee So every night I would make up a new short story One day when she was 7 years old I decided to tape these stories so she could hear them over and over Well that went on for 7 more years with over 110 hours and over 3 000 stories There are so many stories that I will have to write many more volumes So here we are the first book is published and now kids all over the world can enjoy them as my daughter did for many years The time you spend with your child is most rewarding Never get tired of loving kissing and hugging them no matter how old they get Please view the book website by Clicking here Please view sample stories from the book by Clicking here I Can Show You the Way Life Goes

Helena Faye Hill, 2010-06-24 Tillie lives in her own world a world where life is all play and no work She hopes that one day she will have the family that she dreams of a family with a husband and children a family that lives in a nice house and has a nice car Now an adult reminiscing on her life she wonders what happened to her dream show her life went so horribly wrong how she hit rock bottom In her youth she had strong beliefs and convictions with a supportive group of family and friends somewhere along the way though she became lost in a world of drugs and bad choices As an adult she struggles to regain her former life and to become part of her family once again I Can Show You the Way Life Goes follows Tillie through a carefree childhood filled with many blessings through a downfall in which she believes the devil played a vital role the kind of realization that can only occur later in life when one can clearly see what went wrong As she tries to make sense of everything that has happened in her life she realizes that its never too late to turn your life around
