Raab, 2022-04-13 Personal reflections on the vital role of the notebook in creative writing from Dorianne Laux Sue Grafton John Dufresne Kyoko Mori and more This collection of essays by established professional writers explores how their notebooks serve as their studios and workshops places to collect to play and to make new discoveries with language passions and curiosities For these diverse writers the journal also serves as an ideal forum to develop their writing voice whether crafting fiction nonfiction or poetry Some include sample journal entries that have since developed into published pieces Through their individual approaches to keeping a notebook the contributors offer valuable advice personal recollections and a hearty endorsement of the value of using notebooks to document develop and nurture a writer's creative spark

History of the Breast Marilyn Yalom, 1998-03-31 In this provocative pioneering and wholly engrossing cultural history noted scholar Marilyn Yalom explores twenty five thousand years of ideas images and perceptions of the female breast in religion psychology politics society and the arts Through the centuries the breast has been laden with hugely powerful and contradictory meanings There is the good breast of reverence and life the breast that nourishes infants and entire communities as depicted in ancient idols fifteenth century Italian Madonnas and representations of equality in the French Revolution Then there is the bad breast of Ezekiel's wanton harlots Shakespeare's Lady Macbeth and the torpedo breasted dominatrix symbolizing enticement and aggression Yalom examines these contradictions and illuminates the implications behind them A fascinating astute and richly allusive journey from Paleolithic goddesses to modern day feminists A History of the Breast is full of insight and surprises As Yalom says I intend to make you think about women's breasts as you never have before In this she succeeds brilliantly

Fractured Borders Mary K. DeShazer, 2010-02-05 Women have been writing about cancer for decades but since the early 1990s the body of literature on cancer has increased exponentially as growing numbers of women face the searing realities of the disease and give testimony to its ravages and revelations Fractured Borders Reading Women's Cancer Literature surveys a wide range of contemporary writing about breast uterine and ovarian cancer including works by Marilyn Hacker Margaret Edson Carole Maso Audre Lorde Eve Sedgwick Mahasweta Devi Lucille Clifton Alicia Ostriker Jayne Anne Phillips Terry Tempest Williams and Jeanette Winterson among many others DeShazer's readings bring insights from body theory performance theory feminist literary criticism French feminisms and disability studies to bear on these works shining new light on a literary subject that is engaging more and more writers An important and useful book that will appeal to people in a variety of fields and walks of life including scholars teachers and

anyone interested in this subject Suzanne Poirier University of Illinois at Chicago A book on a timely and important topic wisely written beyond scholarly boundaries and crossing many theoretical and disciplinary lines Patricia Moran University of California Davis *Eros and the Christ* David E. Fredrickson, 2013-06-01 The self emptying of Christ kenosis in Philippians 2 has long been the focus of attention by Christian theologians and interpreters of Paul's Christology David E. Fredrickson sheds dramatic new light on familiar texts by discussing the centuries old language of love and longing in Greek and Roman epistolary literature showing that a physics of desire was related to notions of power and dominance Paul's kenotic Christology challenged not only received notions of the power of the gods but of the very nature of love itself as a component of human society **Fresh Milk** Fiona Giles, 2010-05-11 While countless breastfeeding guides crowd bookshelves not one of them speaks to women with anything approaching bestselling author Fiona Giles's level of intimacy and vitality In *Fresh Milk* through a provocative collection of stories memories and personal accounts Giles uncovers the myths and truths of the lactating breast From the young mother grappling with the bewildering trappings of maternity wear to the woman who finds herself surprisingly aroused by new sensations and the modern dad who learns the ins and outs of breastfeeding the portraits in Giles's eye opening book offer a funny wise and comforting resource for women and even their friends and partners who have had or expect intimate experiences with the pleasures and pain of lactation By turns poignant and informative sexy and witty empathic and empowering *Fresh Milk* delivers everything we wanted to know about breastfeeding that our mothers never told us **Encyclopedia of Feminist Literature** Mary Ellen Snodgrass, 2015-04-22 Presents articles on feminist literature including significant authors themes and history **The Voice of Breast Cancer in Medicine and Bioethics** Mary C. Rawlinson, Shannon Lundeen, 2006-07-15 Few diseases have made more difference to our understanding of illness the relation of the patient to the physician and other health care professionals and the social context of disease than breast cancer Breast cancer activism has provided a model of public policy advocacy for women as well as for sufferers from other diseases and even in causes unrelated to health In many ways it has become emblematic of issues in women's health This volume offers a discursive analysis of breast cancer From multiple perspectives historical philosophical psychological socio political these essays explore the competing narratives that have made breast cancer a contested site It addresses debates about the autonomy of the patient in relation to the authority of the physician as well as the importance of patient narratives in understanding disease It analyzes the relation between the community and medical practice particularly with regard to the effect of breast cancer activists and feminists on the medical understanding and treatment of breast cancer And it questions the intersection of medical science with political institutions and agencies of public policy in determining priorities of research and strategies of treatment **Subject to Identity** Susan Talburt, 2000-03-09 Challenges the ways lesbian academics have been socially constructed [The Renaissance of Lesbianism in Early Modern England](#) Valerie Traub, 2002-06-06 *The Renaissance of Lesbianism in Early Modern England* is the eagerly awaited study by the feminist

scholar who was among the first to address the issue of early modern female homoeroticism Valerie Traub analyzes the representation of female female love desire and eroticism in a range of early modern discourses including poetry drama visual arts pornography and medicine Contrary to the silence and invisibility typically ascribed to lesbianism in the Renaissance Traub argues that the early modern period witnessed an unprecedented proliferation of representations of such desire By means of sophisticated interpretations of a comprehensive set of texts the book not only charts a crucial shift in representations of female homoeroticism over the course of the seventeenth century but also offers a provocative genealogy of contemporary lesbianism A contribution to the history of sexuality and to feminist and queer theory the book addresses current theoretical preoccupations through the lens of historical inquiry Curve, 1996 **American Journal of**
