Fred R. David, 2010-11-15 For many centuries science and religion have remained staunchly independent Whenever issues have developed that simultaneously touched on both areas debate often ensued for example when scientists first proposed that the earth revolved around the sun or when the theory of evolution was proposed There has always been a cultural disconnect between science and religion that has caused dissention and distrust Research conducted by author Fred R David however reveals that the missing link between science and religion may be UFOs or more specifically the beings inside those crafts The UFO Christianity Connection Fact or Fiction reveals that UFOs played a significant role in how ancient civilizations built megalithic structures and predicted celestial events perfectly brings to life the close association that ancient civilizations had with ancient astronauts whom they called gods or sky people reveals that many events described in ancient writings including the Bible involved UFO encounters gives readers a unique perspective to engage others in discussing angels God UFOs Bigfoot Satan giants the underworld the flood Atlantis and Jesus The scientific information presented here is vital for people of all faiths on all continents Explore the missing link that bridges the gap between science and religion

God...the Grand Illusion Dr. Ronald Pleune, 2022-08-29 The question is this what do we accept as the truth of what we believe in We take many things by mere faith but is faith the right path in putting our trust in a matter just because someone says so Do we dig into a matter with an open mind rather than prejudice and influences from others as we were growing up Does our relationship with others influence our perception of what is truth and what is not the truth Do we tend to accept something as truth because we don't have time or resources to check it out Or is it because of an

emphatic speech by a cleric that proclaims the Bible is without error when in fact outside sources point to errors in dates events and even interpretation yet we close our eyes and ears because we ask How can this be Many times the excuse is made that if so many people believe in a particular biblical statement or condition then it can't be wrong Or can it Debate on biblical issues end up boggling the general populous and many just walk away from it with disgust won't deal with it or dogmatically hold a position of biblical inerrancy This brings us down to getting into the trenches of discovering the truth as ugly and contentious it may seem This is especially true when ufology is brought into the picture especially when the topic of God or a God is introduced and examined in the light of various scientific disciplines

The X-Files and Literature Sharon R. Yang, 2009-10-02 The X Files and Literature Unweaving the Story Unraveling the Lie to find the Truth provides an innovative and valuable exploration of the groundbreaking television program Although much academic work has been devoted to the social psychological and spiritual significance of The X Files until this collection none has fully addressed the series rich adaptation of literature to interrogate our perception definition or recounting of the truth This collection not only unveils new twists and insights into expected connections between The X Files and Gothic writers or with its modernist and post modernist slants on narrative plot and characterization The X Files and Literature also delves into some unexpected literary sources shaping the series such as the Arthurian quest Catholic and Biblical mythology folkloristics and James Fenimore Cooper and the vanishing American mythos This collection of essays covers both how The X Files works with literature's own constantly morphing definition and portrayal of truth through form and content as well as how the television program may or may not subvert our own contradictory expectations and distrust of literature's providing us with enlightenment As television becomes more and more literary with shows like *Lost* and *Gilmore Girls* sending us off to the bookstore and the library so we might read them more carefully a book like *The X Files and Literature* is welcome indeed Sharon R Yang's diverse collection on one of Nineties TV's richest texts finds the truth of the gothic and the Arthurian and the folkloric of the postmodern and the metafictional of Poe Pynchon Cooper Nabokov and Tennyson not just out there but in the perhaps too complicated narrative of the perpetually frustrated quests of Mulder and Scully Valuable in itself as an intellectual exercise its real worth may come when we put the book down and return smarter better readers to the primary text David Lavery Co Editor Deny All Knowledge Investigating The X Files Sharon Yang's X Files collection deals with an important subject addressed by thoughtful writers The idea that television can be seen as a branch of literature is certainly sustained by The X Files and the contributors to this volume succeed in making the case Brian Hauser on Fenimore Cooper Cary Jones on Mary Shelley Tamy Burnett on Poe Thomas Argiro on Pynchon Matthew VanWinkle on Tennyson these and more explore the connections with The X Files not only in terms of sources but also themes and techniques Both students of television and literature will want to own this book Rhonda V Wilcox Ph D Professor of English Gordon College Barnesville

Memoirs of a Sojourner Rog Gryder, 2011-04-06 Over the span of fifty five years beginning at age eight I have investigated many religions I have read Islams Quran cover to cover as well as the Catholic apocrypha in which the book of Susanna touches my heart dearly I have read the Book of Mormon cover to cover and it too touched my heart I have been lured by the grace of Hindus and Buddhists to ponder their beliefs Yet I do not consider these to be a part of the preserved Word of God Only the Biblical teachings of Jesus Christ explain to me where my spirit came from It tells me what I did to fall from Gods grace why I am on this planet and why I need pardon greater than I can obtain myself Jesus Christ has provided the Way and no other book explains it as does the Holy Bible The Bible gives me healthy hope to carry on with gusto As of the year 2010 I have read the King James Holy Bible cover to cover more than twenty five times The ongoing reading of the preserved Word of God is the only credential I claim and stand firmly upon Biblical faith is not blind but anchored securely in observable science I am a nuts and bolts up to my elbows in grease kind of gear head I want to know what makes it tick The Authorized Holy Bible is the repair manual for life for dummies It explains the mysteries of Gods kingdom in detail to those who read it all very carefully I have not arrived My sojourn in this far country called earth is still in motion However we are at the threshold of major global events as never before seen by man These events are all foretold in Gods preserved written Word Hence my reading of The Holy Bible is my only credential and I have a passion for sharing what I have found May you be blessed eternally as you journey with me the corridors of life that are not limited by time and space May the Lord add His blessing to the reading of His entire Word Amen Rog

THE MIND, BODY, SPIRIT, And STORYTELLING Hakeem R. Jelani, 2023-05-23 For a controversial yet refreshing perspective this book you are holding right now is one that will give you a salient insight into the author s discourse with a new subjective viewpoint regarding the Anunnaki ancient world Their significant deeds and contributions to humanity Which syncs very nicely with the modern ancient astronauts hypothesis Events that are largely associated with the Old Testament Bible Genesis narrative are inextricably linked back to Anunnaki as Those who from Heaven came down to Earth were a fifty man crew under command of the Anunnaki Royal Prince Enki Ea From his home planet Nibiru the eponymous God of creation imbued Kemetic spiritual

science philosophy to the African Pharaohs dynasties of Egyptians Mithrum Its speculation and bold assumptions will brighten up your vision as you discover what has long been hidden by the elites who promulgate mendacious truthiness and storytelling as the vicars of god on Earth Reading this book gives you this powerful insight from a mind body and spirit perspective You discover a different view of the Holy Old Testament Bible Genesis narrative and storytelling Hakeem invites readers to reexamine the Bible myth as a dichotomy between the significant transition into the Western New Testament Christian Church religion of western Europe and the African Egyptian consciousness of spiritual science precepts The Kemetic ankh life became the Christian cross death Each represents important symbolism Whereas the former was plagiarized and replaced and incorporated into the Roman Catholic New Testament Christian Bible religion and canons as the doctrine of theology It is a great story that postulates an assertion that calls one to reexamine the Bible book of genesis Which the Hebrew and Greek Septuagint Bible scribes removed acknowledge to conceal gods Anunnaki identity of the gods The truth about the elite Royals pantheon of alien gods as Anunnaki Anu Enlil and Enki as Those who from the Heavens came down The ancient account pertaining to the Sumerian Bible Genesis is the original codex of historical manuscript religious described rituals and rites which was the hidden books of sacred knowledge and wisdom taught in the halls of the mystery schools by the ancient Egyptian Priesthood This book imparts his speculative unvarnished anecdotal details about Genesis from a different perspective The Biblical history of Genesis as it should be taught Not like the Christian Catholic Protestant and Baptist religions teach the gospels of the Christian savior of the crucified Jesus Christ as the human savior or of the crucified Jesus Christ of heaven Not like the Christian Catholic Protestant and Baptist religions of blind faith But in its purest form of theology that is primarily the Gospels of death salvation and the resurrection after the end of Jesus Christ's crucifixion by the Roman Albeit speculative its conjecture dovetails nicely with attributions described in the Old Testament Bible god corresponds precisely to Enki Ea deeds This book is complete speculation with emphasis on the Bible book of Genesis Hakeem boldly conflated the creator of the homo sapien sapiens with Enki who was a brilliant scientist and chief medical doctor Which means that he was exceptionally qualified to genetically fuse his biological DNA chromosome code by genetic manipulation of an African female mitochondrial DNA as described in the Old Testament Genesis narrative tale Which raises curious questions as to why the book of Genesis accounts can be examined with great skepticism and a misdirection play because much of the factual information about the Genesis of history was either burned by invading armed forces omitted the rulers suppressed by the Church or destroyed in order to control the narrative of historical evidence He pointed to Enki's process concerning an African female's mitochondrial DNA biological chromosome genetic codes manipulated and used to fashion Adam men as his Hebrew ancestral Royal bloodline It is a fictionalized story written to make people think about this with intellectual intuition logic and reason

God Is on Trial Alberta Parish, 2020-06-29 God is on Trial takes a deep look at modern day belief systems that have given us ancient concepts of gods having also originated from

astrotheology which is a belief system based on the observation of the stars and the Zodiac This book not only criticizes major world religions for the falsehoods and atrocities they've perpetuated on the masses but it exposes the deeper meanings and truths in the Abrahamic belief traditions that were originally created to keep humanity from not only evolving as a species but to keep us under mind control and fear God is on Trial also examines the major biblical accounts like the Genesis Creation and Flood and the ancient myths from which they originate This book seeks to educate those who have not yet awakened from their religious mind control programming and is also a testament to my personal experiences as a former believer who broke the chain of religious mind control and fear in my own life I encourage anyone reading this book to keep an open mind because what we have learned in the Judeo Christian and Islamic traditions is a distortion of the truth And it is time for humanity to know the truth

Bible in the News, 1979 *OneWorld Solution 2By2*, **Extraterrestrial & Sex Vol. 5** Russell Dan Smith, 2009-12-08 Imagine a world where extraterrestrials have invaded the world and enslaved all humanity Women are enslaved for sexual purposes Men are conscripted into vast armies Differences among the extraterrestrials usher in a period of violence The extraterrestrials bring forth monstrous children through the women they have enslaved Eventually all of the extraterrestrials monstrous progeny are killed by a greater One who devises technology to rob the extraterrestrials ability to materialize on this plane This may sound like something out of J R R Tolkien but it actually occurred during humanity's ancient past well documented in the first portion of the book of Genesis One family is made a bulwark against further incursions by the extraterrestrials Volume 1 The extraterrestrials relation to humans is explored in a man named Job Volume 2 The progeny of the family fighting against the extraterrestrials are given laws designed to protect them from the extraterrestrials influence Volume 3 There are wars with those who have defied the extraterrestrials Religion while highly ritualistic boils down to the simple concept that someones ancestral lineage will bring forth the Messiah Each family desires to be that lineage and brings forth children in that hope It is against this backdrop that the canonized Bible was written by 40 different people from blue collar to royal backgrounds over a period of 1600 years without any contradictions
