**Everything is Burning** Gerald Stern,2006-11-28 Ruthless and occasionally outrageous Stern's literary songs are sharp surprising and unerring in their delivery Ploughshares Editor's Choice      The Great Fires Jack Gilbert,2013-09-11 JOYCE S MOTTO has had much fame but few apostles Among them there has been Jack Gilbert and his orthodoxy a strictness that has required of this poet now in the seventh decade of his severe life the penalty of his having had almost no fame at all In an era that puts before the artist so many sleek and official temptations keeping unflinchingly to a code of silence exile and cunning could not have been managed without a show of strictness well beyond the reach of the theater of the coy The far stubborn disastrous course of Jack Gilbert's resolute journey not one that would promise in time to bring him home to the consolations of Penelope and the comforts of Ithaca but one that would instead take him ever outward to the impossible blankness of the desert could never have been achieved in the society of others What has kept this great poet brave has been the difficult company of his poems and now we have in Gilbert's third and most silent book what may be what must be the bravest of these imperial accomplishments      **Burning the Leaves** Donald Junkins,2018-02-01 For poets form is a way to put pressure on the written word and keep the author within a dedicated framework Form adheres to rules and yet the poet is freewithin the bounds of rhythm and rhyme to hone ideas or develop images In prolific poet Donald Junkin's newest collection he chooses the classic sonnet form to portray things observed over the years Burning the Leaves is a book of poems aimed at meanings generated not only by immediate contexts but also by deeper themes spawned through relevant turns of phrase In other words similar sounds may and more often may not deepen the opportunity for meaning that would be otherwise unavailable to the ear and the eye If rhyme and rhythm are just right the experience of language is deepened If it is off the experience of the poem is doubly damaged In the spirit of sonnets by Frost Keats and Spenser Junkins focuses on his travels through Massachusetts Maine China and beyond as he questions whether risks are worth taking in poetry and in life      The Fire Diaries Matt Schumacher,2010 Schumacher's poems pivot on a central tension a poet in utter control of his medium writing about uncontrolled burning Schumacher shape shifts fearlessly speaking sometimes through the voices of witnesses and sometimes through the fire itself as poem after poem spontaneously combusts Angela Sorby author of BIRD SKIN COAT To read a Matt Schumacher poem is to enter a world of riotous word riffs and fire related incantations Meditative hauntingly chaotic and beautiful these poems will singe your memory Virgil Saurez author of 90 MILES NEW AND SELECTED POEMS

Fire Lily Giselle V Steele,2019-08-06 In her latest collection of poems Giselle Steele has brought together new and selected poetry that speaks to the resilience of the human spirit after a devastating loss such as a wildfire Highlighting the

process that occurs with the fire lily flower that is known to grow from the ashes of ruins it is her hope that with this collection each reader will be inspired to find their personal inner peace and hope for the future      In the Month of Green
