One Claire LaZebnik, 2008-09-10 In this witty and stylish novel two sisters take on modern relationships and find a suitor in a jokingly arranged marriage Holly Peterson bestselling author of The Manny When Ava Nickerson was a child her mother

jokingly betrothed her to a friend's son and the contract the parents made has stayed safely buried for years. Now that still single Ava is closing in on thirty no one even remembers she was once engaged to the Markowitz boy. But when their mother is diagnosed with cancer, Ava's prodigal little sister Lauren comes home to Los Angeles where she stumbles across the decades-old document. Frustrated and embarrassed by Ava's constant lectures about financial responsibility all because she's in a little debt. Okay, a lot of debt. Lauren decides to do some sisterly interfering of her own and tracks down her sister's childhood fiancé. When she finds him, the highly inappropriate, twice-divorced but incredibly charming Russell Markowitz is all too happy to re-enter the Nickerson sisters' lives and always accountable. Ava is forced to consider just how binding a contract really is.

Baked Mark Haskell Smith, 2010-08-03 This tale of a pot grower in peril is as cockeyed and riotous as Carl Hiaasen on really good dope. Kirkus Reviews Miro Basinas is an experimental botanist who sells his rarefied product to a discerning clientele. Only Miro is not growing heirloom tomatoes or making organic wine; he's growing weed. And when Miro hits the big time by winning Amsterdam's famed Cannabis Cup, cannasseurs and ganjaficionados aren't the only people who want a piece of him and his mind-blowing pot that tastes like mangoes. And Miro is quickly hit with a bullet. A mild-mannered hipster who doesn't know the first thing about revenge or even who shot him, Miro is soon on a quest to recover his prize invention and to secure his place as the Floyd Zaiger creator of the plout of weed. It's a journey packed with a delicious cast of characters including a string-theory-obsessed cop, a kinky paramedic, a Mormon missionary struggling to keep his sap under control in a city that is the personification of sex, a half-Irish half-Salvadoran drug dealer, and his dim-witted associates, a cougar starlet, and an entrepreneur who wants to turn his medical marijuana Compassion Centers into the Starbucks of pot. **Baked** is a hilarious rip-roaring romp from a talented, utterly original novelist. Very funny. A sweet love story, raunchy sex, outrageous behavior, and a couple of murders. The Boston Globe: Murder mayhem, marijuana, and Mormons: what more could you ask for in a crime novel. Lisa Lutz, New York Times bestselling author of *The Spellman Files* and *The Passenger*.

The Burrito Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Burrito has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Burrito has opened up a world of possibilities. Downloading The Burrito provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Burrito has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Burrito. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Burrito. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Burrito, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Burrito has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
