The Cairo Mafia:

The Cairo Mafia Nick Carter, 1982-01-01 **The Cairo mafia** Nick Carter, 1972 **Dongri to Dubai - Six Decades of the Mumbai Mafia** Hussain Zaidi, 2012-08-10 Dongri to Dubai is the first ever attempt to chronicle the history of the Mumbai mafia. It is the story of notorious gangsters like Haji Mastan, Karim Lala, Varadarajan Mudaliar, Chhota Rajan, Abu Salem, but above all, it is the story of a young man who went astray despite having a father in the police force. Dawood Ibrahim was initiated into crime as a pawn in the hands of the Mumbai police and went on to wipe out the competition and eventually became the Mumbai police's own nemesis. The narrative encompasses several milestones in the history of crime in India: from the rise of the Pathans, formation of the Dawood gang, the first ever supari mafia's nefarious role in Bollywood, Dawood's move to Karachi and Pakistan's subsequent alleged role in sheltering one of the most wanted persons in the world. This story is primarily about how a boy from Dongri became a don in Dubai and captures his bravado, cunningness, focus, ambition, and lust for power in a gripping narrative. The meticulously researched book provides an in-depth and comprehensive account of the mafia's games of supremacy and internecine warfare. *The Israeli Mafia* Dina Siegel, 2024-11-09 This book delves into a previously unexplored realm within criminological scholarship. Israeli organized crime: Breaking the silence that has shrouded this topic. This book undertakes a comprehensive examination of the intricate socio-economic and cultural landscapes that have shaped the criminal operations of a diverse array of Jewish and non-Jewish criminal entities spanning from the inception of the Israeli state to the present day in 2024. Drawing upon meticulous ethnographic fieldwork conducted in Israel between 2020 and 2024, alongside rigorous media analysis, interviews conducted both domestically and internationally, and a wealth of visual material captured by the author during fieldwork, this study offers unparalleled insights into the dynamics of Israel's underworld. It examines the multifaceted activities of various criminal organizations, including but not limited to drug and human trafficking, protection rackets, gambling enterprises, and contract killings. Moreover, this book critically examines the responses of authorities and law enforcement agencies to the escalating influence of organized crime amidst the backdrop of major socio-political upheavals in Israel, ranging from wars and waves of immigration to terrorist attacks. By contextualizing these criminal phenomena within broader historical and contemporary narratives, this work not only fills a significant gap in scholarly discourse but also provides a nuanced understanding of the intersections between crime, society, and governance in the Israeli context. **Project Egypt** Mr. Pat, 2008-08-28 Written with both humor and poignancy, the narrator details the challenges and frustration of an American working with the privileged few in the Third World, as well as his association with the peasant class which created his contempt for their leaders but a deep affection for the subjugated people forced by birth into a world of poverty and indifference. If I could convince others to read between these lines, they would find most of their problems are minor. In that event, then perhaps like me, they will accept the pictures of a decaying world and the slaughter of the innocents as real and

Charles Wendell,1972-01-01 **Masr** Roger H. Guichard Jr.,2015-11-18 Visitors have often remarked on the light of Egypt There is something about the soft diffusion of sunlight in the country that makes it visually special Beginning in the early nineteenth century a combination of that light and the new more sensitive technology of lithography conspired together to allow artists to capture with unprecedented fidelity the country s monuments Pharaonic as well as Islamic But there is another way in which the word light captures the reality of Egypt In Arabic it is said that the blood of a people is either light or heavy Where the blood of others in the region could be said to be heavy that of the Egyptians is emphatically light and it always seems to have been that way Here the word serves as a proxy for cheerful or optimistic The book that follows captures some of that fundamental Egyptian buoyancy and optimism and it was not very hard to do The attitude is infectious and anyone who has lived for any length of time in the country is in danger of succumbing The pieces reflect a sometimes wry occasionally humorous but always affectionate view of an essentially unchanging Egypt **The Oxford Handbook of**
