The Caldera Carver 2 High Mountain Adventure:

The Caldera C.H. Foertmeyer,2004-07-28 Thirty four years have passed since Kevin Reynolds perpetrated the most heinous crime the citizens of Carver Montana had ever witnessed in their small alpine community Now Kevin s cousin Mitch has found a bundle of old letters written by Kevin to his father in 2001 the year of Kevin s execution His curiosity peaked Mitch has recruited two of his good friends to hike up to the Blind Valley caldera and scout out the scene of the crimes of 1969 and to try to find the hidden cave where the old mountain man Sam Elliott once lived As far as the boys are concerned their trip to Blind Valley is supposed to be a six day expedition filled with the sights and smells of the wilderness What they expect to find is a sugar bowl valley Mitch s cousin Kevin referred to as Short Pines So what do they find A seemingly peaceful valley the floor of which is thickly forested with stunted evergreens and ringed with high granite cliffs The three friends find that the Blind Valley caldera is a place of great beauty yet it is someplace very much more unworldly than they ever could have imagined

Hell's Interstate C. Foertmeyer, 2005-12 Hell s Interstate is an action packed crime novel about two desperate men traveling down the highway to Hell Financing their travels by robbing convenience stores along the Interstate the one predictable fact about their next robbery will be the fact that they will leave no witnesses Reed Haskell the ringleader knows how to rob a store and do it fast but what he doesn t know is that someone is watching his partner Vernon Sanger very closely Michael Smith an apparent vagrant they came in contact with one rainy night along the Interstate keeps showing up wherever they go and he is not shy about intervening in their business How he continues to appear and why he shows up when he does neither man has an answer to Although Vernon is curious about the man for some reason the otherwise unflappable Reed is quite unsettled by him Does Reed know more about Michael Smith than he s willing to admit or does he just suspect the purpose of Michael s persistent interference If Reed was truly in the dark as to Michael s identity and purpose he d not have long to wait before being enlightened As for Vernon that enlightenment lies over ten years away

Taylor Manse C. Bewildered C.H. Foertmeyer, 2005-02-01 In a remote mountain area of Tennessee there is a small virtually unknown town named Jessup

The inhabitants of this town the Jessupites are all descendants of the original Puralist religious movement that settled Jessup in the early 1800 s all save one Doctor John Roberts has only been a member of the community for the past five years having moved to Jessup upon the occasion of his grandmother s death John s grandmother had at one time been a Jessupite but had left the community in disenchantment with the Puralist way of life What Abigail Wilson Roberts left behind at her demise was a diary that told all about Jessup and the Puralists and something else that immediately caught John s attention What he read in the diary motivated his move to his grandmother s former home in the mountains of Tennessee Now that John Roberts had moved into Jessup the Puralists had a real doctor for the first time in their existence and along with him came problems the Jessupites never imagined they would ever face What John Roberts brought with him would test their moral convictions and eventually threaten their very existence

The Threef Project C.H. Foertmeyer, 2005-07-28 It was a family camping trip to the Jennings family s favorite camping site high in a remote area of the Ozark Mountains It began as each of their previous trips had begun with wonderful weather family togetherness and a sense of adventure It would end with the kidnapping of Doctor John Jennings s family and his own flight into the forest to save himself from certain death John fled into the unknown wilderness of the Ozarks moving steadily to the northwest in hope of coming across a road or perhaps with any luck a town What he finally came across was the home of Cordell Heartley a recluse spelunker living sometimes in his cabin and at other times in his caves Finding Cordell would lead John into the adventure of his life and to the discovery of an illegal covert military operation known as The Threef Project Heartley an ex U S Army Ranger was soon to become John Jennings only hope of ever seeing his family again
