My first degree was a Bachelor of Science in Engineering. My first masters degree was in Bio Chemical Engineering and my second doctorate was medical pathology. I was aware of my friend's early work, however, I was not aware of the Quantum Holographic nature of the technology that he had discovered and tested. He allowed me to pick up this project and take it to the finish line. I sincerely hope this book helps all who need it. SJT Qi Press Ver 1.1 July 2021
