The Canticle Of Canticles:

The Mystical Explanation of the Canticle of Canticles Saint Francis de Sales, Aeterna Press, 2015-09-01 THERE ARE TWO sorts of unions of the soul with God in this world the first by grace which is made in Baptism or by means of Penance the second by devotion and this is made by means of spiritual exercises. The one makes us innocent and the other spiritual Solomon considering himself to have given sufficient instruction on the first sort of union in his other books only teaches the second in the Canticles in which he supposes the spouse that is the devout soul to be already married to her Divine Beloved and represents their holy and chaste married loves practiced by mental prayer which is simply the consideration of God and Divine things Aeterna Press I. duties The second part of the volume before us gives us the detailed and finished portrait of the Saint's life told in her own simple and transparently truthful words by her whom God had chosen to be the principal instrument in that which was probably the most enduring work entrusted to St Francis de Sales namely the foundation of the Religious Institute of the Visitation Almost day by day we are carried in the footsteps of the Saint through every period of his life We see him as he appeared to the eyes of St Jane Frances not in any fancy portraiture such as distance conveys to later biographers but as he was in the sight of those who lived in close intimacy with him It is a picture full of consolation and encouragement destined by Divine Providence to make us understand and love the Saint more than any other account of his life could do and thereby to draw us to greater thankfulness to God for having given us an example so sweet to con template and so deserving of our imitation About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works A Commentary Upon the Canticle of Canticles Antonio Brucioli,1598 Canticle of Canticles King Solomon, 1982-08-01 The Mystical Explanation of the Canticle of Canticles Saint Francis De Sales, St Francis De Sales, Brother Hermenegild, 2013-03-02 This book also contains The Depositions of St Jane Frances de Chantal in the Cause of the Canonisation of St Francis de Sales In a letter written some fifteen years after the death of St Francis de Sales St Jane Frances de Chantal tells us how in looking over the long forgotten contents of an old disused box many writings of the Saint were found and among them an explanation of the Canticle of Canticles set out in the form of a meditation She adds that she had never heard the Holy Founder speak of this treatise but that the then Superioress of the Community declared that he had often preached on the subject to which it referred in the early days of the Visitation We are thus led to see how at an early period the thoughts which ultimately found expression in the great treatise on the Love of God were already taking shape in the Saint's mind and how in the midst of many labours demanding the full exercise of that practical sense which was so distinctive a quality of his character he was living habitually in a higher region of very close union with God The insight which a perusal of the Mystical Explanation gives us into the history of his spiritual development is at the same time an incentive to all those who have to pass a life of activity in God's service to devote themselves without ceasing to loving thought of Divine things to maintain themselves in the midst of their labour closely united to God and to cultivate the interior spirit no less but far more than the manifestations of external zeal It is a lesson that we all need at the present day in the hurry and pressure of so many urgent duties The second part of the volume before us gives us the detailed and finished portrait of the Saint's life told in her own simple and transparently truthful words by her whom God had chosen

to be the principal instrument in that which was probably the most enduring work entrusted to St Francis de Sales namely the foundation of the Religious Institute of the Visitation Almost clay by day we are carried in the footsteps of the Saint through every period of his life We see him as he appeared to the eyes of St Jane Frances not in any fancy portraiture such as distance conveys to later biographers but as he was in the sight of those who lived in close intimacy with him It is a picture full of consolation and encouragement destined by Divine Providence to make us understand and love the Saint more than any other account of his life could do and thereby to draw us to greater thankfulness to God for having given us an example so sweet to contemplate and so deserving of our imitation Canticle of Canticles William George Heidt,1979 The Canticle of Canticles.
