## **The Capri Affair:**

**The Capri Affair** David Hanna, 1980      *Affair in Capri* Mario Soldati, 1955      **The Domenichino Affair** Elizabeth Cropper, 2005-01-01 Ten years after completing his work *The Last Communion of Saint Jerome* Bolognese painter Domenichino was accused by his rival Giovanni Lanfranco of stealing the idea for the painting from an altarpiece crafted by Lanfranco's teacher Agostino Carracci. The resulting scandal reverberated through the centuries drawing responses by artists and critics from Poussin and Malvasia to Fuseli and Delacroix. Why was Domenichino attacked in this way when other related paintings including Raphael's *Marriage of the Virgin* and Perugino's painting of the same subject aroused no such negative response? In this fast-paced book Elizabeth Cropper investigates the Domenichino affair and addresses the perennial debate regarding the precise nature of originality and of imitation. She offers close readings of the paintings involved in the story, detailed analysis of attitudes toward imitation, emulation and plagiarism and a fascinating discussion of what Domenichino's plight signifies in art history.

**Hearing on the Current State of Affairs for Information Technology with VA** United States. Congress. Senate. Committee on Veterans' Affairs, 2007      *The Grand Affair* Paul Fisher, 2022-11-01 A Wall Street Journal and Times Literary Supplement Book of the Year Long listed for the Plutarch Award. A bold new biography of the legendary painter John Singer Sargent stressing the unruly emotions and furtive desires that drove his innovative work and defined the transatlantic fin de siècle culture he inhabited. A great American artist John Singer Sargent is also an abiding enigma. While dressing like a businessman and crafting a highly respectable persona, he scandalized viewers on both sides of the Atlantic with the frankness and sensuality of his work. He charmed the nouveaux riches as well as the old money, but he reserved his greatest sympathies for Bedouins, Spanish dancers and the gondoliers of Venice. At the height of his renown in Britain and America, he quit his lucrative portrait painting career to concentrate on allegorical murals with religious themes and on nude drawings of male models that he kept to himself. In *The Grand Affair*, the historian Paul Fisher offers a vivid life of the buttoned-up artist and his unbuttoned work. Sargent's nervy, edgy portraits exposed illicit or dark feelings in himself and his sitters, feelings that high society on both sides of the Atlantic found fascinating and off-putting. Fisher traces Sargent's life from his wandering trans-European childhood to the salons of Paris and the scandals and enthusiasms he caused and on to London. There he mixed with eccentrics and aristocrats and the likes of Henry James and Oscar Wilde while at the same time forming a close relationship with a lightweight boxer who became his model, valet and traveling partner. In later years, Sargent met up with his friend and patron Isabella Stewart Gardner around the world and devoted himself to a new model, the African American elevator operator and part-time contortionist Thomas McKeller, who would become the subject of some of Sargent's most daring and powerful work. Illuminating Sargent's restless itinerary, Fisher explores the enigmas of fin de siècle sexuality and art fashioning a biography that grants the man and his paintings new and intense life.
