The Caring Jesus Helen Kooiman Hosier, 1975 **Jesus of the Gospels** Arthur E. Zannoni, 2008-05-20 The Jesus whom we discover in the Gospels is both elusive and complex He defies both definition and easy explanation Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1977 *The Passion and Resurrection Narratives of Jesus* Stephen J. Binz, 2016 Explains each scene of the narratives from all four Gospels and gives reasons for the differences in the four accounts Studied together with the biblical text this commentary will enrich the reader s understanding of the heart of the Christian faith The Gospel of Mary Esther De Boer, 2005-06-20 The success of Dan Brown s Da Vinci Code has raised new interest in Mary Magdalene and in the Gospel of Mary Here the author examines Mary Magdalene s influence on the beginnings of Christianity and asks what was her impact and her message And furthermore what became of her and her ideas Esther de Boer studies the Gospel of Mary the only Gospel to be named after a woman to discover what it reveals about Mary Magdalene and to determine the origin of its portrayal She argues that the Gospel of Mary is not a Gnostic writing but is more closely related to the writings of Philo the letters of Paul and the Gospel of John She demonstrates that esteem of Mary Magdalene did not just belong to the Gnostic tradition but to a broader Christian context In order to determine this context the study identifies the different portrayals of Mary Magdalene in the New Testament analyses their concepts of discipleship and their views on women and investigates their historical reality Esther de Boer concludes that the portrayal of Mary Magdalene in the Gospel of Mary is close to that in the Gospel of John and investigates the possibility that she is concealed in the Johannine disciple loved by Jesus **Religious Books, 1876-1982** R.R. Driscoll, 2014-07-15 In this first extensive Jungian treatment of Milton s major poems James P Driscoll uses archetypal psychology to explore Milton s great

themes of God man woman and evil and offers readers deepened understanding of Jung's profound thoughts on Godhead The Father the Son Satan Messiah Samson Adam and Eve gain new dimensions of meaning as their stories become epiphanies of the archetypes of Godhead God and Satan of Paradise Lost are seen as the ego and the shadow of a single unfolding personality whose anima is the Holy Spirit and Milton's muse Samson carries the Yahweh archetype examined by Jung in Answer to Job and Messiah and Satan in Paradise Regained embody the hostile brothers archetype Anima animus and the individuation drive underlie the psychodynamics of Adam and Eve's fall Driscoll draws on his critical acumen and scholarly knowledge of Renaissance literature to shed new light on Jung's psychology of religion The Unfolding God of Jung and Milton illumines Jung's heterodox notion of Godhead as a quaternity rather than a trinity his revolutionary concept of a divine individuation process his radical solution to the problem of evil and his wrestling with the feminine in Godhead The book's glossary of Jungian terms written for literary critics and theologians rather than clinicians is exceptionally detailed and insightful Beyond enriching our understanding of Jung and Milton Driscoll's discussion contributes to theodicy to process theology and to the study of myths and archetypes in literature

Does It Matter Who Wrote the Bible? David B.

Capes, 2025-05-20 Students in seminary or graduate theology programs learn that some books in the Bible are anonymous Their professors will make the point that many Pauline letters have disputed authorship and may in fact not be written by Paul Students will also learn about the practice of pseudonymity in the world of the Bible and how some Gospels or letters are written under a false name Now for those who become pastors or church leaders what are they to do with what they learn Do they teach their congregants about these authorship questions Do they ignore that part of their training as irrelevant to the task Do they avoid teaching or reading publicly from disputed books Do these questions not matter in the end because the church settled on the canon This book aims to address these pastoral challenges An international group of

scholars from universities seminaries and graduate theology programs convened to discuss these matters at the Lanier Theological Library in May 2022 These essays represent how many faculty are wrestling with the pastoral implications of anonymity and pseudonymity in the New Testament **American Book Publishing Record** ,1985 **Spirituality of the Gospels** Patrick J. Hartin,2025-01-15 Within each of the four gospels there is a foundational spirit a rich spirituality based on each gospel s unique understanding of Jesus and what it means to be his disciple In this study Fr Patrick Hartin looks at each gospel and asks such questions as Who is Jesus and What transformation does this encounter with Jesus invite Hartin thoroughly unpacks these questions and then follows with examples of people who embody the transformative power of these spiritualities from Saint Francis and Dorothy Day to Saint Augustine and Archbishop Romero Hartin s twofold approach gives us a deeper appreciation for the spiritual dimension of the gospels and helps us to be transformed in Christ by their message and vision Commentary study and reflection questions prayers and access to online lectures are included 6 lessons [The Branch Exposition of the Bible, Volume 1](#) Michael A. Eaton,2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God s word and shed its light into life ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture **The Watchtower** ,1926 **The Catholic Periodical and Literature Index** ,2005
