Indigeneity, Citizenship and the State Kedilezo Kikhi, Amiya Kumar Das, Piyashi Dutta, 2023-06-16

Whatever be the definition of indigenous vis-à-vis indigeneity and however consensual it might be, both these terms have been inferred, applied, and questioned in multifarious ways. The concept of indigeneity in Asia has transformed considerably over a period of time. With the rise in the indigeneity movement and large-scale migration, citizenship within national borders is challenged, and the borders in question are also contested. This book chronicles the discernible strains on the questions of indigeneity, citizenship, identity, and border-making in Northeast India. The issues pertaining to indigeneity, citizenship, and state are also a reminder of the residues of colonial doings that have had a colossal impact till this day. Through empirical evidence backed by theoretical underpinnings, each essay in the book demonstrates the diversity of approaches that can be used to interrogate the debate on indigeneity, citizenship, the state, and opens the conversation on Northeast India. This book is co-published with Aakar Books. Print edition not for sale in South Asia, India, Sri Lanka, Nepal, Bangladesh, Pakistan, and Bhutan.

Robert the Bruce Michael Penman, 2014-08-05 Robert the Bruce (1274-1329) was the famous unifier of Scotland and defeater of the English at Bannockburn, the legendary hero responsible for Scottish independence. Michael Penman retells the story of Robert's rise, his part in William Wallace's revolt against Edward I, his seizing of the Scottish throne after murdering his great rival John Comyn, his excommunication, and devastating battles against an enemy Scottish coalition, climaxing in his victory over Edward II's forces in June 1314. He then draws attention to the second part of the king's life after the victory that made his name.

Migration, Emigration, Immigration and Refugees in the Indian context (Volume 1) Sarajit Kumar Chatterjee, 2024-01-01 This study on migration examines various aspects of migration of the Indian people: internal migration and displacements due to conflict and disaster; emigration of Indians both during the colonial era and the post-Independence period; illegal emigration of Indians; emergence of vibrant Indian diaspora; the phenomenon of immigration into India, including infiltration and the immigration of refugees and asylum seekers. The impact of environmental degradation and climate change on migration and socio-economic aspects of migration have also been discussed.
