emotional imprisonment and find psychological freedom Many of us feel we are not living life to the full or living it as we should Haunted by anxiety we long for lifelines that can lift us out of the mundane into what Seamus Heaney called the marvellous If you feel like this then The Awakening may be for you Drawing on the wisdom of ancient Ireland and using the symbol of the Celtic Cross as an image for how to live Dr O Connor shows us that we inhabit both a vertical and a horizontal life which intersect where the eternal breaks into the everyday and ordinary activities are infused with an extraordinary purpose Taking you beyond mindfulness and introducing delightful new concepts like Mind Flight this book uncovers the sparkling jewels buried in the rubble of life s indifference You can turn a tiny space into a palace a misfortune into an opportunity a disability into a blessing and fly when life expects you to fall The Awakening like the first light at Newgrange will illuminate the hidden blessings in what may seem to be your darkened life **How to Sell** Jeff Savage, 2008-05-15 How To Sell provides the tools you will need to earn great wealth and personal fulfillment in your sales career Obtaining sales success requires planning time and much discipline and sacrifice however the rewards are well worth it If you have the drive to succeed this book will equip you with the how to reach your goals Saving the Erectus Conrad Riker, MEN YOU VE BEEN PLAYED FOR FOOLS HERE S HOW TO FIGHT BACK Ever feel like society treats you as a disposable ATM Sick of being shamed for your strength while women demand protection Had enough of feminist lies painting you as the villain in your own life This book arms you with unflinching truth Shatter the myth of gender equality with hard biology and psychology Expose how women weaponize empathy to control institutions Reveal the marriage trap turning men into modern slaves Debunk toxic masculinity as a feminist double bind Uncover female privilege in courts media and politics Learn why men lead and women mother it s nature not hate Destroy the cultural Marxist agenda exploiting male sacrifice Reclaim rational thinking in an emotional gynocracy If you want to break free from the feminist plantation and rise as the patriarch you were born to be buy this book today **Metaphysics and the Good** Samuel Newlands, Larry M. Jorgensen, 2009-01-08 Throughout his philosophical career at Michigan UCLA Yale and Oxford Robert Merrihew Adams s wide ranging contributions have deeply shaped the structure of debates in metaphysics philosophy of religion history of philosophy and ethics Metaphysics and the Good Themes from the Philosophy of Robert Merrihew Adams provides for the first time a collection of original essays by leading philosophers dedicated to exploring many of the facets of Adams s thought a philosophical outlook that combines Christian theism neo Platonism moral realism metaphysical idealism and a commitment to both historical sensitivity and rigorous analytic engagement Tied together by their aim of exploring expanding and experimenting with Adams s views these eleven essays are coupled with an intellectual autobiography by Adams himself that was commissioned especially for this volume As the introduction to the volume explains the purpose of Metaphysics and the Good is to explore Adams s work in the very manner that he prescribes for understanding the ideas of others By experimenting with Adams s conclusions pulling a string here to see what moves over there so to speak as Adams puts it our

authors throw into greater relief what makes Adams such an original and stimulating philosopher In doing so these essays contribute not only to the exploration of Adams s continuing interests but they also advance original and important philosophical insights of their own *The Erotics of Corruption* Ruth A. Miller,2008-06-13 In this provocative retelling of the story of political corruption in the modern period Ruth A Miller argues that narratives of political corruption rely upon an explicitly pornographic rhetoric and have been instrumental in carving out lawless or exceptional space Drawing upon an extensive and wide ranging literature she examines corruption the erotic and legal exceptionalism as they appear in media representations of Saddam Hussein as corrupt leader nineteenth century political cartoons Pier Pasolini s film *Salò* Ernst Kantorowicz s theorization of the body politic Giorgio Agamben s analysis of biopolitics and Achille Mbembe s discussion of the postcolony Miller comments on both the erotic nature of the state of exception and colonial or postcolonial manifestations of it and presents a new voice in ongoing conversations about law violence and sexuality in the contemporary world **On**
