The Buffalo Jump:

Buffalo Jump Peter Roop,1999-04-01 In this dramatic tale a Native American boy is angry when his brother is chosen over him to lead the buffalo jump a prehistoric hunting method The Buffalo Jump Peter Roop,1996 Angry and resentful that the honor of leading the buffalo stampede is given to his older brother Little Blaze the Blackfeet s fastest runner must make a difficult decision when his brother s life is endangered The Vore Buffalo Jump Jo Powell,2016-04-27 The Vore Buffalo Jump Site is a natural sinkhole located directly off Interstate 90 between Spearfish SD and Sundance WY It was the site of many buffalo hunts carried out by early Native Americans before the introduction of horses in this area significantly changed the lives of these people This site is an ongoing archaeological dig site that was discovered when Interstate 90 was being planned and is shedding much light on the process of buffalo jumps Early nomadic people without horses would drive the buffalo their sacred brother over the edge of the sinkhole From the buffalo they would obtain the food and supplies they needed to survive on the Northern Plains This particular site was used from the 1500s to about 1800 This book is a coloring and activity book about the process The coloring book section has a story line that shows a band of early Native Americans who are going on a buffalo hunt before the 1800s Each page is paired with a How do we know section that explains the research behind that particular picture The book contains much information about the history and geology of the area and illustrates how early people managed without the horse It is recommended for the entire family *Buffalo Jump* James V. Stone,2009 Sebastian a twenty first century boy finds himself living amongst the Blackfoot people in a time before any European had set foot in America In this time vast herds of buffalo roamed the plains and the Blackfoot tribe s survival depended on the annual buffalo jump when a herd of buffalo would be driven over a cliff for their meat and hides Head Smashed In Buffalo Jump was such a cliff and it is said that its name derives from the legend of a Blackfoot boy who foolishly watched from the base of the cliff as the buffalo fell As the tribe prepares for the day of the buffalo jump Sebastian s bond with his Blackfoot brother Four Falcons grows ever stronger and through their adventures Sebastian s life becomes entwined in the legend of Head Smashed In Buffalo Jump until the legend and the boy become one **Napi** Hugh A. Dempsey,2018-04-16 An enthralling collection of traditional Blackfoot stories revealing the frailty of mankind and the enduring power of narrative Napi the Old Man of the Blackfoot Nation appears prominently in mythology sometimes as a quasi Creator sometimes a fool and sometimes a brutal murderer Although Napi is given credit for creating many of the objects and creatures on Earth and indeed the Earth itself the Blackfoot do not consider him to be god like Napi stories tell of this mythical figure creating the world and everything in it but getting into trouble when he starts tinkering with his own creation Perhaps for this reason anthropologists have labelled him a trickster creator For thousands of years people have gathered around the campfire and listened to stories of how Napi blundered and schemed his way through Blackfoot country They laugh at how Napi was outwitted by a lame fox how he tried to fly with the geese only to look down when he was told

not to and fell to the earth He makes a perfect subject for telling listening and enjoying and for teaching Reproduced by permission of Blackfoot Elders these stories offer complex insight into an ancient and still thriving culture through the figure of a flawed yet powerful creature a mirror of humankind itself Canada's Landmarks , American Indian Places Frances H. He regarded this undertaking to write the Indian version of our own true ways in our history and legends as he puts it as both a corrective and an instructive tool Bullchild culled this remarkable collection of historical legends from his memory of the oral history as it was passed down to him by his elders and by seeking out the oral traditions of other tribes These stories like all legends Bullchild reminds us may sound a little foolish but they are very true And they have much influence over all of the people of this world even now as we all live Woody Kipp provides a preface for this Bison Books edition
