

It is an odd thing to share burdens with  
another human being. You imagine it

## **The Burdens Of Being Human:**

*The Embarrassment of Being Human* Benjamin Boysen, 2024-12-24 With the message that everything in a sense is alive thus allowing us to join forces with new politico ethical communities stretching across human and nonhuman realms the new materialisms have captivated the minds of many academics artists and intellectuals by stressing that it is time to return to a premodern mindset and discard modernity and its concepts of secularization autonomy and finitude *The Embarrassment of Being Human* not only demonstrates how these magical materialisms are beset by grave theoretical and practical inconsistencies and self contradictions It also demonstrates how their demand for humans to step down and allow for an emancipation of things qualifies the new materialisms as a metaphysics of neoliberalism that reproduces and fortifies the self contradictions rampant in the current neoliberal hegemony While helping us to gain a comprehensive understanding of the tenets of the eerie ills of our epoch the critique of the new materialisms can furthermore inspire us to appreciate how the exact inversion of the new materialist complex amounts to a revitalization of the modern project A revitalization that is critical to think our epoch differently

**The Grace of Being Human** R Gordon Zyne, 2025-05-15 Radical Christian Humanism is a rich spiritually grounded philosophy that combines the dignity and worth of every human being with a radical commitment to justice compassion and the transforming love of Christ It is deeply rooted in Christian theology but pushes beyond conventional religiosity to engage the full reality of human existence especially the suffering the marginalized the oppressed and the forgotten It is radical not because it is extreme or rebellious for its own sake but because it goes to the root from Latin radix of what it means to be human in God's image and what it means to live that truth in the world The Meditations of Harmony and Dissonance are complementary to the affirmations and commitments of Radical Christian Humanism They are like Zen Koans or poems from the Desert Fathers They do not close like doors or resolve like symphonies They drift like smoke from a censer held by a blind angel in a forgotten chapel They speak in tongues of wind and thunder laughter and sobbing And through it all harmony dissonance the One Voice murmurs Be human Be holy Be still

*The Power of Being Human Beyond Equality and Equity* William N. Spencer, 2022-10-16 For far too many people today their perception and discernment of history begins with the day that they were born And unfortunately most of these very same people truly believe that the world and all life on earth revolves around them Each and every one of us need to learn our proper place in life and in the world To be a leader a follower or to just stay well out of the way of both of the others In America we are constitutionally granted the rights of Life Liberty and the pursuit of happiness Read and listen closely we are not guaranteed any degree of happiness only the freedom to seek happiness on our own
