that can't happen because my father will literally kill us both. It's that kind of Christmas story. Food Intolerance Sara Blake, 2015-07-22. If you suffer from frequent bouts of diarrhea or have been diagnosed with Irritable Bowel Syndrome (IBS) or Leaky Gut Syndrome, then this informative book may help you. Having endured dietary problems for many years, Sara Blake wondered if she would ever reach the point of solving these issues sufficiently to stabilize her health. She experimented on herself, supplemented by research on the internet, mostly government and academic websites, and she relied on medical testing to rule out any other causes of her problems. Having finally reached a point where she can now manage her difficulties, she has written this book in the hope of helping others to combat the daily strain that these symptoms place on their lives. If your digestive system does not work and a medical diagnosis suggests that there is nothing wrong with you, if you have been diagnosed with IBS or Leaky Gut Syndrome, if you suffer from diarrhea but your doctor has ruled out cancer, inflammatory bowel disease (IBD), Colitis, and Crohn's disease, and celiac disease, if food makes you sick and you cannot tolerate foods that others can digest easily, or if you have inadequate stomach acid, bile, or digestive enzymes, then *Food Intolerance* will help you discover what foods you can eat so as to reduce the unpleasant symptoms and ease your daily life. *Food Intolerance* is dedicated to those who need help with their dietary issues in order that they too can stabilize their health.
