## **The Canadian Slovak League A History 19321982:**

*The Canadian Slovak League* Anthony Xavier Sutherland,1984      American Learned Men and Women with Czechoslovak Roots Mila Rechcigl,2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That's what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i.e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethical background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective      *Czech and Slovak History* George J. Kovtun,1996      Bibliographie de L'Histoire Du Quebec Et Du Canada, 1981-1985 (Bibliography of the History of Quebec and Canada) Paul Aubin,Louis-Marie Côté,Institut québécois de recherche sur la culture,1990 This volume of the Bibliography of the history of Quebec and Canada encompasses close to 29 000 entries Virtually everything is included here from prehistory to philately and where titles were omitted from the previous volumes they have been included in this one Judgments regarding importance or scientific value have been purposely avoided and the choice has been restrained to writings with a diachronic perspective in any field of human past All titles appear in the systematic section which is composed of 6 main subdivisions general history prehistory ethnohistory explorations EuroCanadian occupation demographic and genealogical repertoires with further divisions by subject areas Other sections provide access by keywords not already used authorship and the index of terms used An annex provides the list of over 800 periodicals where were consulted in the preparation of this document
