The Care Feeding Of Volunteers:

The Care & Feeding of Volunteers Bill Wittich,2000 The Care Feeding of Volunteers has evolved from a series of successful seminars attended by thousands of people across the United States and into Europe In these sessions Bill has presented unorthodox ways of working with volunteers They have attempted to change the paradigm of how America thinks about managing volunteers In this book Bill will challenge you to consider applying many of the leadership strategies that are working in corporate America to your non profit arena The Care Feeding of Volunteers will show you how to find and attract today s volunteers into your organization It s a new millennium and tomorrow s volunteers will not respond to yesterday s management thinking but will be looking for an agency that respects their energy passion and talents 77 ways to recognize volunteers Bill Wittich,2002

The Changing Face of Volunteering in Hospice and Palliative Care Ros Scott,Steven Howlett,2018-04-19 Volunteers have a long been involved in supporting the delivery of palliative care Indeed in some countries the range and quality of hospice and palliative care services depends on the involvement of volunteers Hospice and palliative care services and volunteering are changing As society develops so too does volunteering Volunteers have growing expectations of organizations and increasingly seek roles that meet their needs and aspirations rather than fitting in with organizational approaches As hospice and palliative care services experience increasing and changing demands for their services due to aging populations with complex healthcare needs we need to recognize that volunteers have a vital role to play in supporting the delivery of services of the future The Changing Face of Volunteering in Hospice and Palliative Care explores the complex phenomenon that is volunteering in hospice and palliative care in different countries It considers how and why volunteering is changing through the contributions of authors from Western and Eastern Europe North America Australia Africa and India It reflects on the influence of culture and organisational contexts in addition to management approaches legislative and political influences highlighting factors that contribute to the success of volunteering Contributing to knowledge and understanding in the field of volunteering in hospice and palliative care internationally this book highlights the factors that contribute to the success of volunteering models allowing readers to see possibilities for change and find new ideas for innovative practice in their own setting
