

Slush Pile

Daniela Niemeyer

Slush Pile :

Something Nasty in the Slushpile Sammy Looker, 2014-10-02 Most publishers keep a slushpile the stack of unsolicited manuscripts which contains a large percentage of preposterous or frightening book proposals which might just conceal that one jewel of a bestseller or classic novel lying near the bottom Authors discovered via the slush pile include Roddy Doyle J K Rowling and Philip Roth Stephenie Meyer sent 15 query letters about her teenage vampire saga and got nearly 10 rejection letters one even arrived after she signed with an agent and received a three book deal from Little Brown Sadly though these are the exceptions Written by a reader with over a decade of slush pile experience *Something Nasty in the Slushpile* takes a tour through the do s and don t s of book proposal including many examples of hilarious misguided and plain weird approaches The contents include Famous first lines After ten books of criticism I am turning my attention to a subject close to my heart the illustrated story of my own life I would have e mailed you but I am not allowed access to such facilities as I have just been sectioned I should be out soon Barmy USPs It s like a British male version of Eat Pray Love But less shrill and more believable There are echoes of Paul Theroux and parallels with *The Alchemist* and *Siddhartha* My book is just about me just an ordinary Jo Bloggs chipping away relentlessly at the big roadblocks put in my way How not to respond to constructive criticism Dear so called publisher I have shown my manuscript to my spiritual guide and he agrees that you are utterly wrong

Jeff Herman's Guide to Book Publishers, Editors and Literary Agents 2017 Jeff Herman, 2016-09-01 Still the Best Guide for Getting Published If you want to get published read this book Comprehensive index lists dozens of subjects and categories to help you find the perfect publisher or agent Jeff Herman s Guide unmasks nonsense clears confusion and unlocks secret doorways to success for new and veteran writers This highly respected resource is used by publishing insiders everywhere and has been read by millions all over the world Jeff Herman s Guide is the writer s best friend It reveals the names interests and contact information of thousands of agents and editors It presents invaluable information about more than 350 publishers and imprints including Canadian and university presses lists independent book editors who can help you make your work more publisher friendly and helps you spot scams Jeff Herman s Guide unseals the truth about how to outsmart the gatekeepers break through the barriers and decipher the hidden codes to getting your book published
