### **How to become a Self-Directed Investor & Trader** Joseph

Penningar, In How to become a Self Directed Investor and Trader you ll find out the truth of what happens in real life in real time and in real money in the live markets every day There are no short cuts and you must do the time if you want to drive your own money train I try to keep the explanations clear concise simple and uncomplicated How to become a Self Directed Investor and Trader gives you substantial value and is going to be the foundation of your pre education as a self directed beginner As a brand new investor and trader with zero knowledge of the business you are at a loss as to what information you actually do and do not need Much of what the current trading education industry is putting out is not only giving you information that is all backwards it is very unrealistic to do in the live markets and can get you and your account into a lot of trouble Why would you want to learn something that could potentially cause you to lose money right away in your new trading business The trading education industry is not regulated so beware of that Anyone can put out a YouTube video of anything and brand new traders who are watching these types of things thinking that what they are viewing are the right things to do Brand new traders all make the same mistakes over and over because they don t know any better now by reading this entire book you do They do what everyone else is doing and study what everyone else is studying thus they have the same results and failures as everyone else Don t be that trader If you can just take the time to read the information in How to become a Self Directed Investor and Trader let it sink in and then continue on your educational journey you will have done yourself a huge favor and also begun to give yourself the needed edge to succeed in this business This business isn t really an H P type of business what is H P you might be asking hoping and praying You don t need a rosary you need an edge I m not going to sugar coat it this business is an ugly place for an untrained and underfunded beginner There are very bad people in the live market who are looking to take all of your money from you and they will should you not be prepared properly to go to work in the live markets Again don t say I haven t tried to warn you There are only two groups of people who are doing business in the markets the professionals and the retail investors and traders Each day the wealth from self directed retail investors and traders accounts is transferred from those without an edge into the accounts of those who have

developed a razor sharp winning edge Which one do you want to be When you are done reading How to become a Self Directed Investor and Trader you will have an excellent basic explanation of what and what not to do before you even study anything or do any kind of education The information in How to become a Self Directed Investor and Trader will put you on the fast track to becoming a successful self directed investor and trader with very little money invested other than the cost of this book learning it Harvard or Columbia business school would cost one hundred thousand dollars or more You don't need a big fancy MBA to work in the live market and even a 12 year can do it How old are you right now *Popular Mechanics*, 1968-04 *Popular Mechanics* inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle *How to Invest Wisely Trade Smart and Grow Rich* Joseph Penningar, *How to Invest Wisely Trade Smart and Grow Rich* was written for all of the up and coming aspiring self directed traders and investors who are trying to figure out if the trading business and doing it on their own is for them or not By the time you are reading the first few pages of *How to Invest Wisely Trade Smart and Grow Rich* you will know what is in store for you in the business of making money with money and if you want to do it as a self directed trader or not Remember you don't need a job you need an income and trading is the only business I know of where you can be anywhere in the world you choose to be day or night and having the chance to make unlimited amounts of money isn't that the type of business you would like to be in Investing and trading is the best business in the world as far as I am concerned and it is the only business I know of where you can be at the beach or golf course on a beautiful sunny day or scuba diving with whale sharks or flying to Europe for the weekend to meet up with friends and still be making unlimited amounts of money the whole time you're doing it No other business in the world other than trading allows you to work at your own pace and make an unlimited amount of money What a brand new self directed trader with no experience can get from reading this book can get them in the seat of their own money train and depending on how fast they can grasp the concepts presented and deploy them in the live markets they can be making an income for themselves in as little as 30 days to 6 months By the time you have completed reading *How to Invest Wisely Trade Smart and Grow Rich* you will know the biggest mistakes new traders make the first things to study when you are brand new that can make you money right away and also how and where to go to get even more information that can help you succeed right away **How to Be a Capitalist Without Any Capital** Nathan Latka, 2019-03-05 *Instant Wall Street Journal Bestseller* You don't need to be Ivy League educated have money be creative or even have an idea to get rich You just need to be willing to break the rules At nineteen I founded a software company with \$119 in my bank account Five years later it was valued at \$10.5 million I don't consider myself exceptionally brilliant I just realized something few people know You don't need lots of money or an original idea to get really rich Now I make more than \$100,000 in passive income every month while also running my own private equity firm and hosting *The Top Entrepreneurs* podcast which has

more than 10 million downloads This book will show you how I went from college dropout to member of the New Rich And I m holding nothing back You ll see my tax returns my profit and loss statements my email negotiations when buying and selling companies It s time to forget your grandfather s advice I ll teach you how to be a modern opportunist investor entrepreneur or side hustler by breaking these four golden rules of the old guard 1 Focus on one skill Wrong Don t cultivate one great skill to get ahead In today s business world success goes to the multitaskers 2 Be unique Wrong The way to get rich is not by launching a new idea but by aggressively copying others and then adding your own twist 3 Focus on one goal Wrong Focus instead on creating a system to produce the outcome you want not just once but over and over again 4 Appeal to the masses Wrong The masses are broke 4k average net worth in America Let others cut a trail through the jungle so you can peacefully walk in and capitalize on their hard work By rejecting these defunct rules and following my unconventional path you can copy other people s ideas shamelessly bootstrap a start up with almost no funding invest in small local businesses for huge payoffs and reap all the benefits
