Masters of Preaching Ray E. Atwood, 2013-12-19 Who were Catholicism's greatest orators? What was the key to their effectiveness? Was it mere scholastic ability or spiritual inspiration? The answer is both. In this follow-up work, Father Ray E. Atwood examines the lives, theologies, and preaching examples of the Church's greatest preachers. This book tells the story in biographical form of Catholic preaching from the Old Testament through today, concluding with the homilies of Benedict XVI. Masters of Preaching takes the reader around the world in search of homiletic gems. Readers will learn about the stories of familiar figures such as Saint Gregory the Great and less familiar figures such as Monsignor Francis Friedl. Readers will also discover how these men moved their congregations to deeper faith and greater understanding of the mysteries of salvation. Two appendices at the end of the book serve as a terrific resource for those looking for practical illustrations of lectionary themes. This book is an excellent resource for anyone interested in the subjects of public speaking and Church history.

**Novenas for the Church Year** Fr. Peter John Cameron, O.P., 2012-12-10 Enter into one of the treasured spiritual practices of the Church. Since the seventh century, Catholics the world over have used the novena as a means of deepening their spiritual life, expressing devotion to a saint or as an avenue for petitioning the Lord for a particular grace. The novena, from the Latin *novem* (nine) and *noveni* (nine at a time), is a period of public or private prayer lasting nine days, symbolizing the time between Christ's Ascension and Pentecost, during which Mary and the Apostles awaited the coming of the Holy Spirit. At the heart of *Novenas for the Church Year* is a collection of nearly 60 original novenas that you can use to feed your soul as you commemorate an astounding variety of holy souls and holy days. Allow Fr. Peter John Cameron, O.P., editor of *Magnificat*, to lead you on a rewarding journey of prayer and intercession in rhythm with the Church year. Bring your fears, your passions, your worries, and your thanksgiving to God with a wide variety of novenas, including those in honor of Mary, the Mother of God, The Presentation of the Lord, Good Friday, The Most Sacred Heart of Jesus, Week of Christian Unity, The Chair of Saint Peter, Chrism Mass, World Day of Prayer for Vocations, The Dedication of the Lateran Basilica. A helpful narrative recounts the Novena's history and its role in Church tradition, setting the stage for these powerful prayers.

**Eight Popes and the Crisis of Modernity** Russell Shaw, 2020-05-06 Assaults on the dignity and rights of the human person have been central to the ongoing crisis of the modern era in the last hundred years. This book takes a searching look at the roots of this problem and the various approaches to it by the eight men who led the Catholic Church in the twentieth century, from Pope St. Pius X and his crusade against Modernism to Pope St. John Paul II and his appeal for a renewed rapprochement between faith and reason. Thus, it offers a distinctive, illuminating interpretation of recent world events viewed through the lens of an ancient institution, the papacy, a key champion of human rights under attack in modern times. The fascinating story is told through short profiles of the eight popes, combining crucial, often little-known facts about each by an author who is a veteran observer of Church affairs, a former top official of the conference of

bishops of the USA and consultant to the Vatican It is written clearly and simply but with carefully documented precision A special feature are the substantial excerpts from the writings of the popes that give important insights into their personalities and thinking It also includes a useful overview of the Second Vatican Council 1962-65 and its pivotal role in reshaping the Catholic Church Eight Popes and the Crisis of Modernity contains judgments that will be challenged by partisans of both liberal and conservative ideological persuasions But serious and open minded readers Catholics and non Catholics alike will find it an informative timely and inspiring guide to understanding many central events and issues of our times while students of Church history will find it indispensable *White Light Dark Night* Lucien Gregoire, 2007 The only existing biography of the 33 Day Pope It is the record of his struggles as an impoverished child as a revolutionary priest as an outspoken bishop as a compassionate cardinal and as a beloved pope It is the record of his philosophies and of his hopes and of his dreams for mankind For twenty years as a bishop he was a rampaging locomotive running about the courts and Parliament of Italy demanding equal rights for oppressed peoples In 1967 faced by an orphan population of two million in Italy it was his lobbying in Italian Parliament that made it legal for single persons to adopt children An opposition member challenged That would make it legal for homosexuals to adopt children Bishop Luciani responded Until the day comes that we can guarantee equal human rights and dignity to the tiniest minority we cannot truthfully call ourselves a democracy His intentions concerning bastards women homosexuals etc was quite evident in his acceptance speech we must rise up the courage within us to set aside the convictions of our forefathers and together we will muster the strength to lift those restraints that have been unfairly placed by doctrine upon the everyday lives of many innocent people for God given human life is infinitely more precious than is man made doctrine On the evening of September 26 1978 he called together the Vatican cardinals He told them The Church's ban on contraception is the driving force behind disease poverty and starvation in third world countries and abortions in first world countries He told them one thing more Mother Church is about to cease to be the cause of many of the world's problems and rather will begin to be the answer to them

*Benedict XVI: A Life Volume Two* Peter Seewald, 2021-11-11 Emeritus Pope Benedict commanded both adulation and unrelenting criticism To millions he was a beacon of light in a turbulent modern world In this second volume of Peter Seewald's authoritative biography the story continues from the Second Vatican Council 1965-8 right up to his resignation in 2013 the first Pope to do so in almost 600 years We see how Benedict was influenced by the Council and the ensuing political unrest all over Europe to move from a liberal perspective on the Church and the modern world to one that was profoundly conservative Appointed in 1981 as prefect of the Congregation of Doctrine of the Faith and quickly nicknamed God's Rottweiler he proved to be intransigent on the controversial issues of abortion contraception gay rights and

gay marriage But elected Pope in 2005 his tenure of office was so riven with shocking revelations of controversy and scandal that it seemed that by the time of his resignation in 2013 he was incapable of handling the complexities of the Church in the modern world Vatileaks sexual abuse by priests the Regensburg speech which became the spark of an eruption of anger and rage in the Muslim world all these hit the world's media headlines Peter Seewald was the only person who was close enough to Benedict to assess the man himself and to uncover the truth about so many of the controversial issues surrounding this most controversial papacy Seewald has already published two books of interviews with Benedict and this book is based not just on meticulous research but on many hours of recorded interviews with Benedict himself It will stand for many years as the definitive biography of Benedict XVI from an author with unrivalled access to the Pope Emeritus **Following St.**
