Moon Over Soho cements the Rivers of London series as my favorite urban fantasy series The humor the world building the action the magic the mystery the procedural all are top notch Ranting Dragon My name is Peter Grant and I m a Police Constable in that mighty army for justice known as the Metropolitan Police a k a the Filth I m also an apprentice wizard the first in fifty years When your dad is an almost famous jazz trumpeter you know the classics And that s why when Dr Walid called me down to the morgue to listen to a corpse I recognized the tune it was playing as the jazz classic Body and Soul Something violently supernatural had happened to the victim strong enough to leave its imprint on his corpse as if it were a wax cylinder recording The former owner of the body Cyrus Wilkinson was a part time jazz saxophonist and full time accountant who had dropped dead of a heart attack just after finishing a gig He wasn t the first but no one was going to let me exhume corpses just to see if they were playing my tune So it was back to old fashioned police legwork starting in Soho the heart of the scene with the lovely Simone Cyrus s ex lover professional jazz kitten and as inviting as a Rubens portrait as my guide And it didn t take me long to realise there were monsters stalking Soho creatures feeding off that special gift that separates the great musician from someone who can raise a decent tune What they take is beauty What they leave behind is sickness failure and broken lives Reviews for *Moon Over Soho* Mr Aaronovitch is in short w riting the best contemporary occult detective series on the shelf today and that s by a substantial margin Pornokitsch *Moon Over Soho* is a gripping continuation of River of London s well executed blend of police procedural and fantasy with a good splash of horror thrown in This is urban fantasy done with a loving attention to detail and enlivened by an ever present wit making this series a must read for anyone who likes their fantasy with a strong edge of realism SF Book Reviews *Poverty in Modern Chinese Realism* Keru Cai, 2025-04-28

Poverty in Modern Chinese Realism shows that early twentieth century Chinese writers drew upon Russian texts about the socially downtrodden to describe poverty in a bid to enrich Chinese culture by creating a syncretic new realism Modern Chinese realist writers turned to the topic of material poverty peasants suffering from famine exploited urban laborers homeless orphans to convey their sense of textual poverty and national backwardness The

combination of a radically new subject matter and experimentation with diverse literary resources indigenous and foreign generated major innovations in narrative technique Depicting poverty allowed writers to revolutionize the nascent forms of modern Chinese narrative innovating strategies of representing the nation the social other time and space while problematizing their deployment of squalor for aesthetic purposes This book examines why Russian literature itself long preoccupied with a problem of belatedness vis vis Western Europe occupied a privileged place for Chinese intellectuals of this era Comparing Chinese fiction about poverty to Russian intertexts by Gogol Andreev Chekhov Turgenev and others the book shows how Chinese writers drew and innovated upon themes such as madness or human animality and formal elements such as metonymy Keru Cai s multi scalar approach emphasizing close textual analysis situates modern Chinese realism in the trans Eurasian axis of world literature

Whispered Shadows Beverly L. Anderson, 2024-12-02 The twisting paths of a poet s mind lead to intriguing places there can be little doubt of this These places contain whispers of the writer s soul Some paths show desired sights others uncover unforeseen knowledge and at times unwanted things The shadows conceal unknown discoveries on well lit paths through the poet s mind Travelers beware uncertain destinations await along these paths Tread carefully Becoming lost in the pages of the poet s thoughts may be a very real danger to these travelers So come along and visit this place of shadows Here there bedragons monsters truth and more to enjoy Fantasy Reality and Truths form one

hundred and fifty poems by Beverly L Anderson The first path is one of fantasy with mythic beasts of yore and darkness that creeps into the very bone Fairies may fly and dragons may soar The second path is one of reality and perhaps questions of what is and is not within that reality Questions of existence and what the world shows us daily are spoken here And the final path is one of truths These truths may be surprisingly uncomfortable or may not be the truth expected In any case travel the paths at your own risk Open these pages and see if something draws you into the whispered shadows of the very soul
