Chinedu Nnadi, 2025-09-23 The flames tearing across California are more than nature's fury they're a weapon For firefighter Riley Torres wildfire season has always been about grit sacrifice and saving lives But when a blaze ignites in a pattern too precise to be accidental she discovers the unthinkable someone is setting these fires on purpose And the victims aren't just homes and forests they're entire families being driven off land that powerful developers want for themselves Riley's warning falls on deaf ears Her department dismisses her suspicions and soon she becomes a target Threats shadow her every step Colleagues turn cold An accident nearly costs her life Alone and hunted she finds her only ally in Evan Blake a volunteer pilot with scars of his own and a plane just nimble enough to pierce the smoke-filled skies Together Riley and Evan uncover a conspiracy that stretches from corrupt officials to ruthless profiteers all willing to let California burn for profit With each blaze growing deadlier the two must outpace not only the inferno but the killers determined to silence them As walls of fire close in survival becomes more than a battle against nature it's a fight for truth justice and the thousands of innocent lives still in the fire's path *Smoke Screen* is a pulse-pounding thriller of courage and conspiracy where the greatest danger hides not in the flames themselves but in the smoke that conceals the truth

Smoke Screens Nita G. Berquist, 2013-12-26 God cannot and will not be discredited by the devil a created angel who disobeyed Him then went on to corrupt all men who don't believe or refuse to believe God's truth *Smoke Screens* looks at some of the counterfeits the devil uses and compares them with the powerful gifts and fruits of God's Holy Spirit Now it is the devil being discredited as God lives and works through His people to show the world how much He loves it

Smokescreen Kevin A. Sabet, 2021-04-20 From the leading authority on marijuana a man who has served as White House advisor on drugs to three different administrations and who NBC News once called the prodigy of drug politics comes the remarkable and shocking exposé about how 21st century pot today's new and highly potent form of the drug is on the rise spreading rapidly across America by an industry intent on putting rising profits over public health *Smokescreen* What the Marijuana Industry Doesn't Want You to Know examines the inside story behind the headlines containing accounts from Sabet's time in the Obama administration to stunning revelations from whistleblowers speaking out for the first time What it finds is how the marijuana industry is running rampant without proper oversight leaving Americans' health seriously at risk Included are interviews with industry insiders who reveal the hidden dangers of a product they had once worshipped Also contained in these pages are insights from a major underground market dealer who admits that legalization is hastening the growth of the illicit drug trade And more to the heart of the issue are the tragic stories of those who have suffered and died as a result of marijuana use and in many cases as a result of its mischaracterization Readers will learn how power brokers worked behind the scenes to market marijuana as a miracle plant
