Smoking Gun A Nell Matthews Mystery:

The Smoking Gun Eve K. Sandstrom, 2000 A shootout at a woman's shelter leaves officer Mike Svenson holding the gun and targeted for scandal Reporter Nell Matthews is left with the unexpected key to a dead man's past a key that links him to a bizarre conspiracy and lures him into the crosshairs of a cunning killer The third installment in a series [The Smoking Gun](#) JoAnna Carl, 2014-03-18 From the national bestselling author of the Chocoholic Mysteries the series that has 1 New York Times bestselling author Charlaine Harris raving I'm proud to stand up and say My name is Charlaine and I'm a Chocoholic A split second judgment and a single bullet turn a routine assignment into murder for reporter Nell Matthews and officer Mike Svenson The shoot out at the Grantham Women's Shelter may have liberated a woman from her knife wielding husband but it also left Mike holding the gun and targeted for scandal Especially when it turns out that the deceased was the son of the most powerful matriarch in town Now Nell finds herself with an unexpected key to the dead man's past a key that links him to a bizarre conspiracy and will lure Nell into the crosshairs of a killer still on the loose The Nell Matthews Mysteries are Strong and unique Sue Henry Beguiling and wicked Boston Herald Hooks you on the first page and never lets go William Bernhardt Includes a preview of The Violence Beat and JoAnna Carl's The Chocolate Book Bandit *The Homicide Report* JoAnna Carl, 2014-03-18 Eve K Sandstrom's The Violence Beat was an impressive debut Here the national bestselling author of the Chocoholic Mystery series brings back crime reporter Nell Matthews in a novel about a crimesolver's secret past and a killer's hidden motive Crime reporter Nell Matthews doesn't have to go far for a gripping lead story In fact the Grantham Gazette's own basement pressroom has become the scene for the paper's next explosive headline Nell and her boyfriend Detective Mike Svenson have stumbled on a trail of press ink leading to the body of copy editor Martina Gilroy And just before dying she whispered one final word Alan Alan was Nell's father a man who vanished from her life when she was a child a man who was implicated in the murder of her mother For Nell investigating the story behind Martina's death means sifting through her own past to discover the truth about her father exposing a long buried secret and surviving the deadline her own The Nell Matthews series will attract legions of new fans A nicely plotted mystery Sandstrom knows her way around the pressroom The Sunday Constitution Thoroughly enjoyable I Love A Mystery New York Times bestselling author Margaret Maron Includes a preview of The Smoking Gun and JoAnna Carl's The Chocolate Book Bandit [Mystery Women, Volume Three \(Revised\)](#) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or

liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 [The Violence Beat](#) JoAnna Carl, 2014-03-18 From the national bestselling author of the popular Chocoholic Mystery series comes the intriguing exciting story of a crimesolving reporter who is about to become the lead story In the Southwestern city of Grantham Bo Jenkins takes his young son hostage and demands to talk to the press Enter Nell Matthews a reporter for the Grantham Gazette who becomes a hostage herself before finally turning the tables on her captor But when Bo Jenkins dies under suspicious circumstances Nell initiates an investigation that could bring down an entire city and just might implicate Mike Svenson the charismatic cop with whom she's begun a secret romance As Nell moves dangerously closer to the truth she realizes that her beat is getting too close to home Fascinating A strong and unique character Sue Henry Sandstrom writes with confidence An impressive debut for a wonderfully conflicted heroine New York Times bestselling author Margaret Maron A good book with great characters and a twisting plot I Love A Mystery Publishers Weekly Includes a preview of The Homicide Report and JoAnna Carl's The Chocolate Book Bandit *The Writers Directory*, 2013 **Forthcoming Books** Rose Arny, 2001 *Bowker's Guide to Characters in Fiction 2007*, 2008-02 *What Do I Read Next?* 00 V2 Gale Group, 2000-11 [Books In Print 2004-2005](#) Ed Bowker Staff, Staff Bowker, Ed, 2004
