BARBARA CARTLAND'S

The Smuggled Heart

The breathtaking story of a girl in fear - and love!

Smuggled Heart

PhD, Melissa Farley

Smuggled Heart:

Smuggled Christina Shea, 2011-07-05 The harrowing yet hopeful life story of a Jewish girl's escape from Nazis growing up under communist oppression and finally reclaiming her true identity In a narrative sweeping from WWII rural Romania to 1990s cosmopolitan Budapest Christina Shea's *Smuggled* tells the story of Eva Farkas who loses her identity at five years old when she is spirited across the Hungarian border in a flour sack to escape the Nazis When Eva arrives in Romania her aunt and uncle greet her with a startling proclamation Eva is dead Her new name is Anca Balaj and she must never speak another word of Hungarian Living with a dangerous secret under Nicolae Ceausescu's Romanian Communist Party Anca meets others who are forced into hiding an abortion doctor a homosexual another secret Jew But when the Iron Curtain falls Anca reclaims the name her mother gave her She finally returns to Hungary a country changing as fast as the price of bread where her lifelong search for family and identity comes full circle An intimate look at the effects of history on an individual life

Smuggled is a raw and fearless account of transformation and a viscerally reflective tale about the basic need for love without claims *Smuggling* Simon Harvey, 2016-04-15 A cellar door creaked open in the middle of the night or a hand slipping quickly into a trenchcoat the most compelling transactions are surely those we never see Smuggling can conjure images of adventure and rebellion in popular culture Han Solo knew all about it as did Al Capone but as Simon Harvey shows in this fascinating book smuggling has had a profound effect on the geopolitics of the world Shining a light onto seven centuries of dark history he illuminates a world of intrigue and fortunes hinged on outlaw desires and those who have been willing to fulfill them Harvey tells this story by focusing on the most coveted contrabands of their time In the Age of Discovery these were silk spices and silver During the days of western empires they were gold opium tea and rubber And in modern times it has been of course drugs To the side of these major commodities he looks at a wide array of things that have always been in smugglers' trunks from guns to art to the most dangerous of all ideas Central to this story are the not always legitimate forces of the Dutch and British East India Companies the luminaries of the Spanish Empire Napoleon Bonaparte the Nazis Soviet trophy brigades and the CIA all of whom have made smuggling at one point or another part of their modus operandi Beneath this Harvey traces out the smaller time smugglers the micro economies of everyday goods precious objects and people drawing the whole story together into a map of a subterranean world crisscrossed by smugglers' paths All told this is the story of the unrelenting drive of markets to subvert the law of the invisible seams that have sewn the globe together

Steampunk Universe Diana M. Pho, Elsa Sjunneson-Henry, Maurice Broaddus, Ken Liu, Malon Edwards, Suna Dasi, Emily B. Cataneo, Matthew Bright, Lyndsay E. Gilbert, Candida Spillard, Pip Ballantine, Victor Fernando R. Ocampo, Kate Coe, Jody Lynn Nye, Liam Hogan, Zach Chapman, Andrew Knighton, Lucy A. Snyder, 2018-01-02 Fiction has a special role in the way we relate to each other Fiction can take us outside of our own experience and give us a small hint of what it's like to be someone else Speculative fiction including steampunk has always been a metaphorical mirror to our own society allowing us

to see ourselves and our behaviors from the outside in ways that we otherwise couldn't. It's not magic. It's the interworking of dozens of finely machined gears. It's the craftswoman adjusting the tension on a spring so it doesn't break. It's the stoker making sure the furnace fires stay burning. It's the conductor collecting tickets, the passengers watching the landscape roll by, the excited child standing next to the engineer who gets to pull the cord and hear the train's steam whistle. It might not be magic, but it's still amazing. Especially with a project like Steampunk Universe making an anthology of steampunk stories that feature diverse characters who are disabled or atypical. Join editor Sarah Hans, our cover artist James Ng, and contributors Ken Liu, Jody Lynn Nye, Maurice Broaddus, Malon Edwards, Emily Cataneo, Pip Ballantine, and nine others today.

The Modern Theatre; a Collection of Successful

Modern Plays ... Printed from the Prompt Books. ... Selected by Mrs. I. Mrs. Inchbald, 1811

Women Writers of

Great Britain and Europe Katharina M. Wilson, Paul Schlueter, June Schlueter, 2013-12-16. A valuable survey and reference resource. It is hard to imagine a more needed and more useful literary reference work than this one, which gives students and readers quick access to the lives and work of a wide range of notable female writers from England and the Continent, from Aphra Behn to Emily Brontë, from Simone de Beauvoir to Isak Dinesen, from Bridget of Sweden to Hannah Arendt. Writers in more than 30 languages are included: French, Czech, Greek, Italian, Swedish, Spanish, German, Russian, Portuguese, Serbian, Catalan, Arabic, Hebrew, Dutch, Bulgarian, Croatian, Slovak, and more. Covers 1,500 years and all major genres. Going back 15 centuries, the Encyclopedia covers the authors of novels, short stories, poetry, plays, criticism, social commentary, feminist manifestos, romances, mysteries, memoirs, children's literature, biography, and other genres. In signed entries, some of which are mini-essays, experts in the field examine writers' lives and achievements, comment on individual works, place artistic efforts in historical context, provide insights and analyses, and present more information than can be easily found elsewhere without undertaking more exhaustive research. Each entry is followed by a bibliography of primary works. Indexed by language, nationality, genre, and century. Spotlights the interesting lives of notable writers. In these pages, students and readers will meet hundreds of interesting women writers who made lasting contributions to the intellectual and popular culture of their countries, while often leading fascinating lives among them: AGATHA CHRISTIE, who wrote her first book in response to her sister's demand for a detective story that was harder to solve than the popular fiction of her day, and whose work has been translated in more languages than Shakespeare's; HILDEGARD VON BINGEN, the 12th-century German mystic who wrote profusely as a prophet, a poet, a dramatist, a physician, and a political moralist, often communicating with popes and princes and exerting a tremendous influence on the Western Europe of her time; MARY WOLLSTONECRAFT SHELLEY, whose 1818 masterpiece *Frankenstein, or The Modern Prometheus* became a literary sensation around the world; ILSE BLUMENTHAL WEISS, one of the few concentration camp survivors to memorialize the victims of the Holocaust in German verse; LINA WERTMULLER, who, in addition to her work in films, has written plays for the stage and a novel, and who once was a member

of a short lived puppet theater that staged the works of Kafka Special features Ideal for quick reference and student research Multicultural covers over 30 languages and 15 centuries Includes many contemporary writers Provides essential biographic data on each writer Each entry is followed by a chronological listing of the writer s published book length works Offers critical evaluations of major works Indexes help find writers by country research by time period survey genres focus on languages

Irregular Migration, Refugee Status and the Law Maja Grundler,2025-08-29 Through an investigation of the protection needs of irregularised migrants this book offers a novel approach to the phenomenon of irregular migration by reframing it as a matter of refugee law Thousands of people have died disappeared and suffered mental and physical harm on their dangerous migratory journeys to Europe This book addresses an issue which so far has been largely omitted from the study of refugee law the fact that harm experienced during irregular migration is often as serious as harm feared by recognised refugees in their countries of origin Grundler argues that harm experienced during dangerous journeys can constitute persecution and that a risk of irregular re migration can form the basis for a claim to refugee status Drawing insights from a comparative content analysis of trafficked persons asylum claims other disciplines such as psychology and sociology and additional case law this book provides readers with new understandings on the scope of the refugee definition adds new concepts to migration theories and challenges states migration control policies This volume will be an important point of reference for scholars practitioners policymakers and students working on refugee and human rights law irregular migration and vulnerability The smugglers Francis Higginson (lt.),1843

Trafficking and Prostitution Reconsidered Kamala Kempadoo,2017-07-05 Trafficking and prostitution are widely believed to be synonymous and to be leading international crimes This collection argues against such sensationalism and advances carefully considered and grounded alternatives for understanding transnational migrations forced labor sex work and livelihood strategies under new forms of globalization From their long term engagements as anti trafficking advocates the authors unpack the contemporary international debate on trafficking They maintain that rather than a new white slave trade we are witnessing today more broadly an increase in the violation of the rights of freedom of movement decent employment and social and economic security Critical examinations of state anti trafficking interventions including the U S led War on Trafficking also reveal links to a broader attack on undocumented migrants tribal and aboriginal peoples poor women men and children and sex workers The book sheds new light on everyday circumstances popular discourses and strategies for survival under twenty first century economic and political conditions with a focus on Asia but with lessons globally Contributors Natasha Ahmad Vachararutai Boontinand Lin Chew Melissa Ditmore John Frederick Matthew S Friedman Josephine Ho Jagori Ratna Kapur

Phil Marshall Jyoti Sanghera Susu Thatun Kynance Cove: Or, The Cornish Smugglers William Bentinck Forfar, 1865

Routledge International Handbook of Human Trafficking Rochelle Dalla, Donna Sabella, 2019-09-19 According to the UNODC 2015 human trafficking HT is the fastest growing means by which people are enslaved the fastest growing international crime and one of the largest sources of income for organized criminal networks It profoundly impacts the physical and mental health of victims their families and entire communities and is recognized as a crime against humanity Despite burgeoning interest education research and advocacy efforts a pinnacle handbook devoted to human trafficking and modern day slavery with global focus and multidisciplinary scope does not currently exist The Routledge International Handbook of Human Trafficking was created to fill this resource gap Divided into four sections the Handbook offers the reader a comprehensive and fresh approach via a in depth analyses and opportunities for application through case studies critical thinking questions and supplemental learning materials b multidisciplinary linkages with disciplinary overlap across each of the four sections acknowledged and highlighted and c content experts representing multiple segments of society academia government foundation law enforcement and practice and global vantage points Australia Finland Germany Netherlands South Africa Thailand and the United States Written by expert scholars service providers policy analysts and healthcare professionals this Handbook is an invaluable resource for those already working in the field as well as for students in any discipline who want to learn or learn more about HT and modern day slavery

Caribbean Anti-Trafficking Law and Practice Jason Haynes, 2019-07-11 This monograph investigates the International European and Commonwealth Caribbean approaches to human trafficking from an Analytical Eclectic perspective It presents a compelling empirically based argument that although there is currently a panoply of measures aimed at preventing human trafficking prosecuting offenders and protecting trafficked victims in both Europe and the Commonwealth Caribbean these measures have in practice been fraught with a number of challenges whether of a normative institutional or individual nature The continued existence of these challenges strongly suggests that there exists a disconnect between anti trafficking law and practice which is not peculiar to small island developing States since they also extend to developed States including the United Kingdom Although these challenges are not insurmountable this monograph advances the argument that sustained social economic political and legal commitments are both necessary and desirable and that without such commitments only pyrrhic victories would be won in the fight to eradicate the scourge of the twenty first century Given the importance of the issue of human trafficking and its inescapable impact on victims families communities nations regions and the international community as a whole this monograph will serve as an important resource for policy makers scholars students and practitioners actively working in this increasingly dynamic area of law

Prostitution, Trafficking, and Traumatic Stress PhD, Melissa Farley, 2004-04-15 Prostitution Trafficking and Traumatic Stress offers the reader an analysis of prostitution and trafficking as organized interpersonal violence Even in academia law and public health prostitution is often misunderstood as sex work

The book s 32 contributors offer clinical examples analysis and original research that cou
