The Snake in the Grass Kathleen Long Bostrom,2003-01-01 Recounts the biblical story of Adam and Eve in rhyming verse and relates it to the reader s own choices about honesty and accountability *Between the Folds - The Agency: The Aranas Years* Terence A. McSweeney,2023-03-05 James Aranas has been named Archivist after the former Archivist s death As he takes on his new duties he is immediately confronted with a threat that jeopardizes all mankind The first days are rough He turns to old friends the McGonegals for help There is a mad man loose and he is threatening to bring down the entire universe in his obsession to meet the creator IT Using his experience as a time traveler he wreaks havoc within the dimensions Nothing will stop him from crashing into each other Worlds colliding destruction and death are a small price to pay for immortality within the folds of time Mary Cillian and Thomas McGonegal with the aid of dangerously beautiful Agent Bregante and a superhuman pair of blue violet giant humanoids called Alphas must find and destroy this threat This is an uneasy alliance as the Alphas have their own violent past with the agency James must hold the alliance together and traveling through time and space confront this threat The Agency must save the world and their adversary is two steps ahead and moving fast Will they be successful or has time run out

Sex in the Garden Michael J. Broyde,Reuven Travis,2019-09-13 In the MeToo times in which we live there are few hard and fast rules that govern personal encounters and sexual liaisons Consent so long as it is neither coerced nor forced dictates all Astute students of the Bible will see this aspect of our current social milieu reflected in the book of Genesis Genesis is not a book about laws There are no thou shall or thou shall not commandments given over by God to humanity Instead its narrative depicts the cultures of its time as operating on personal choices and personal freedoms And from the first sexual tryst in the garden of Eden to the attempted seduction of Joseph by the wife of Potiphar these consensual encounters tend to end badly The cautionary nature of these tales underscores the continued relevance of Genesis for our times

RIB Artorius Rex,2015-12-13 One in every three women has been beaten coerced into sex date raped murdered or otherwise abused by a man There are more than 150 million women in the United States and at least one out of every three wants to know why they are abused by a man RIB scripturally and secularly provides plausible answers to the reasons why man has been set up to abuse and destroy who a woman was created to be After reading RIB women will see how they lower themselves in character spiritual standing rank and reputation This book is a depiction of behaviors that are seen practiced and accepted by women on a daily basis without any regards to the degradation it produces for all women RIB leads you step by step into understandings who women are what man has caused them to be and the purpose they have been mislead to serve The wisdom contained in RIB has never been told or linked from so many perspectives RIB is written with biblical and secular definitions defining the actions of women who conduct themselves under the constructs of man

Lustmord Maria Tatar,2020-07-21 In a book that confronts our society s obsession with sexual violence Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth century

Western culture the violated female corpse This image is so prevalent in painting literature film and most recently in mass media that we rarely question what is at stake in its representation Tatar however challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder In examining images of sexual murder Lustmord she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present Tatar focuses attention on the politically turbulent Weimar Republic often viewed as the birthplace of a transgressive avant garde modernism where representations of female sexual mutilation abound Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision women as enemies that can be contained and mastered through transcendent artistic expression Not only does Tatar show that male artists openly identified with real life sexual murderers George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife but she also reveals the ways in which victims were disavowed and erased Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma to urban pathologies and to the politics of cultural production and biological reproduction In exploring the complex relationship between victim and agent in cases of sexual murder Tatar explains how the roles came to be destabilized and reversed turning the perpetrator of criminal deeds into a defenseless victim of seductive evil Throughout the West today the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims Maria Tatar s book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century
