The Skeptic's Guide to Sports Science Nicholas Tiller, 2020-03-27 The global health and fitness industry is worth an estimated 4 trillion We spend 90 billion each year on health club memberships and 100 billion each year on dietary supplements In such an industrial climate lax regulations on the products we are sold supplements fad diets training programs gadgets and garments result in marketing campaigns underpinned by strong claims and weak evidence Moreover our critical faculties are ill suited to a culture characterized by fake news social media misinformation and bad science We have become walking talking prey to 21st Century Snake Oil salesmen In *The Skeptic's Guide to Sports Science* Nicholas B Tiller confronts the claims behind the products and the evidence behind the claims The author discusses what might be wrong with the sales pitch the glossy magazine advert and the celebrity endorsements that our heuristically wired brains find so innately attractive Tiller also

explores the appeal of the one quick fix the fallacious arguments that are a mainstay of product advertising and the critical steps we must take in retraining our minds to navigate the pitfalls of the modern consumerist culture This informative and accessible volume pulls no punches in scrutinizing the plausibility of and evidence for the most popular sports products and practices on the market Readers are encouraged to confront their conceptualizations of the industry and by the book's end they will have acquired the skills necessary to independently judge the effectiveness of sports related products This treatise on the commercialization of science in sport and exercise is a must read for exercisers athletes students and practitioners who hope to retain their intellectual integrity in a lucrative health and fitness industry that is spiraling out of control

Speaking of Animals Robert Palmatier, 1995-04-30 No other nonhuman source has served as the basis for more metaphors than animals Speaking of Animals is a dictionary of animal metaphors that are current in American English It is comprehensive historical and metaphor based Each entry refers to the other dictionaries that catalog that same metaphor and the dates of first appearance in writing are supplied where possible for both the metaphor and the name of the source The main text is organized alphabetically by metaphor rather than by animal or animal behavior all the metaphors are classified according to their animal source in a list at the end of the book An animal metaphor is a word phrase or sentence that expresses a resemblance or similarity between someone or something and a particular animal or animal class True metaphors are single words such as the noun tiger the verb hog and the adjective chicken Phrasal metaphors combine true metaphors with other words such as blind tiger hog the road and chicken colonel Other animal metaphors take the form of similes such as like rats leaving a sinking ship and prickly as a hedgehog Still others take the form of proverbs such as Don't count your chickens before they hatch and Let sleeping dogs lie The horse is the animal most frequently referred to in metaphors followed closely by the dog The Bible is the most prolific literary source of animal metaphors followed closely by Shakespeare
