Snakes Legs Sequels Continuations Rewritings And Chinese Fiction:

Snakes' Legs Martin W. Huang, 2004-09-30 *Snakes Legs* examines sequels xushu a common but long neglected literary phenomenon in traditional China What prompted writers to produce sequels despite their poor reputation as a genre What motivated readers to read them How should we characterize the nature of the relationship between sequels and rewritings Contributors to this volume illuminate these and other questions and the collection as a whole offers a comprehensive consideration of this vigorous genre while suggesting fascinating new directions for research Xushu as a discursive practice reinforces the paradox that innovation is impossible without imitation It presents us with fertile ground for studying the intricate ties that bind the writer and reader of traditional Chinese fiction the writer of xushu is always self consciously assuming the dual role of author and reader and in the writing process must consider both the work in progress as well as its precursor s *Snakes Legs* contains detailed discussions of some representative xushu works from the late Ming and Qing periods many of which have received little scholarly attention It will shed light on the development of Chinese fiction and the various textual practices in traditional China as well as account for the genre s continuing vitality in modern times

Hundred Days Literature Lorenzo Andolfatto explores the landscape of early modern Chinese fiction through the lens of the utopian novel casting new light on some of its most peculiar yet often overshadowed literary specimens The wutuobang or lixiang xiaoshuo by virtue of its ideally totalizing perspective provides a one of a kind critical tool for the understanding of late imperial China s fragmented Zeitgeist Building upon rigorous close reading and solid theoretical foundations *Hundred Days Literature* offers the reader a transcultural critical itinerary that links Edward Bellamy s *Looking Backward* to Wu Jianren s *Xin Shitou ji* via the writings of Liang Qichao Chen Tianhua Bihe Guanzhuren and Lu Shi e The book also includes

the first English translation of Cai Yuanpei's short story *New Year's Dream* *Green Peony and the Rise of the Chinese Martial Arts Novel* Margaret B. Wan, 2009-01-05 Martial arts fiction has been synonymous with popular fiction in China from the Qing dynasty on. This book, the first to trace the early development of the martial arts novel in China, demonstrates that the genre took shape nearly a century earlier than generally recognized. *Green Peony*, 1800, one of the earliest martial arts novels, lies at the center of a web of literary relations connecting many of the significant genres of fiction in its day. Adapted from a drum ballad, *Green Peony* parodies both previous popular fiction and the great Ming novels, generating humorous reflection on their values. By focusing on popular fiction and popular culture, Margaret B. Wan argues for the relevance of genre to literary criticism, the convergence of popular and elite fiction in the nineteenth century, and a general turn from didacticism to entertainment. Literary scholars, historians, and anyone who wishes to know more about Chinese popular culture in the Qing dynasty will benefit from reading this book.

Snake Sisters and Ghost Daughters Cathy Yue Wang, 2023-08-29 Politics and paradigm shifts underlying contemporary retellings of fantastic traditional Chinese tales. Contemporary Chinese film and literature often draw on time-honored fantastical texts and tales which were founded in the milieu of patriarchy, parental authority, heteronormativity, nationalism, and anthropocentrism. Author Cathy Yue Wang examines the processes by which modern authors and filmmakers reshape these traditional tales to develop new narratives that interrogate the ingrained patriarchal paradigm. Through a rigorous analysis, Wang delineates changes in both content and narrative that allow contemporary interpretations to reimagine the gender politics and contexts of the tales retold. With a broad transmedia approach and a nuanced understanding of intertextuality, this work contributes to the ongoing negotiation in academic and popular discourse between past and present, traditional and contemporary, and text and reality in a globalized and postmodern world. *Snake Sisters and Ghost Daughters* offers an engaging interdisciplinary investigation of issues at the heart of these traditional tales, such as gender and status hierarchy, marriage and family life, and in-group/out-group distinction. Beyond the content of these individual stories, Wang ties these narratives together across time, using cognitive literary criticism, especially affective narratology, to shed new light on the adaptation of literary and cultural texts and their sociopolitical contexts.

Writing Pirates Yuanfei Wang, 2021-06-23 In *Writing Pirates*, Yuanfei Wang connects Chinese literary production to emerging discourses of pirates and the sea. In the late Ming dynasty, so-called Japanese pirates raided southeast coastal China. Hideyoshi invaded Korea. Europeans sailed for overseas territories, and Chinese maritime merchants and emigrants founded diaspora communities in Southeast Asia. Travel writings, histories, and fiction of the period jointly narrate pirates and China's Orient in maritime Asia. Wang shows that the late Ming discourses of pirates and the sea were fluid, ambivalent, and dialogical; they simultaneously entailed imperialistic and personal narratives of the other, foreigners, renegades, migrants, and

marginalized authors At the center of the discourses early modern concepts of empire race and authenticity were intensively negotiated Connecting late Ming literature to the global maritime world Writing Pirates expands current discussions of Chinese diaspora and debates on Sinophone language and identity

Negotiating Masculinities in Late Imperial China Martin W. Huang, 2006-01-01 Why did traditional Chinese literati so often identify themselves with women in their writing What can this tell us about how they viewed themselves as men and how they understood masculinity How did their attitudes in turn shape the martial heroes and other masculine models they constructed Martin Huang attempts to answer these questions in this valuable work on manhood in late imperial China He focuses on the ambivalent and often paradoxical role played by women and the feminine in the intricate negotiating process of male gender identity in late imperial cultural discourses Two common strategies for constructing and negotiating masculinity were adopted in many of the works examined here The first what Huang calls the strategy of analogy constructs masculinity in close association with the feminine the second the strategy of differentiation defines it in sharp contrast to the feminine In both cases women bear the burden as the defining other In this study feminine is a rather broad concept denoting a wide range of gender phenomena associated with women from the politically and socially destabilizing to the exemplary wives and daughters celebrated in Confucian chastity discourse

Polygamy and Sublime Passion Keith McMahon, 2009-11-24 For centuries of Chinese history polygamy and prostitution were closely linked practices that legitimized the polygynous male the man with multiple sexual partners Despite their strict hierarchies these practices also addressed fundamental antagonisms in sexual relations in serious and constructive ways Qing fiction abounds in stories of female resistance and superiority Women main wives concubines and prostitutes were adept at exerting control and gaining status for themselves while men indulged in elaborate fantasies about female power In Polygamy and Sublime Passion Keith McMahon introduces a new concept passive polygamy to explain the unusual number of Qing stories in which women take charge of a man's desires turning him into an instrument of female will To this he adds a story that haunted the institutions of polygamy and prostitution the tale of sublime passion in which the main characters are a remarkable woman and her male lover Throughout the book McMahon examines how polygamy prostitution and the story of sublime passion encountered the first stages of paradigmatic change in the nineteenth century decades before the legal abolition of polygamy By the end of the Qing dynasty in 1911 love stories were celebrating the exploits of street smart prostitutes who fleeced gullible patrons in the bustling city of Shanghai What do these characters have in common with their early counterparts as men and women became inhabitants of a new city in an era flooded with ideas from radically foreign sources all of this taking place in a time of economic and cultural dislocation McMahon reads late Qing love stories in a historically symbolic way taking them as part of a larger fantasy of Chinese civilization undergoing a fundamental crisis The polygamous marriage and the affairs of the brothel became metaphorical staging grounds for portraying the destiny of China on the verge of modernity Finally McMahon speculates on the changes polygamous sexuality

underwent after the Qing dynasty ended and whether it exerted a residual influence in later times Polygamy and Sublime Passion will undoubtedly engage those interested in Chinese society culture literature and gender studies as well as comparativists seeking to understand the diverse responses to modernization around the world

The Chinese Political Novel Catherine Vance Yeh, 2020-05-11 The political novel which enjoyed a steep yet short rise to international renown between the 1830s and the 1910s is primarily concerned with the nation's political future It offers a characterization of the present a blueprint of the future and the image of the heroes needed to get there With the standing it gained during its meteoric rise the political novel helped elevate the

novel altogether to become the leading literary genre of the twentieth century worldwide Focusing on its adaptation in the Chinese context Catherine Vance Yeh traces the genre from Disraeli's England through Europe and the United States to East Asia Her study goes beyond comparative approaches and nation state and language centered histories of literature to examine the intrinsic connections among literary works Through detailed studies especially of the Chinese exemplars Yeh explores the tensions characteristic of transcultural processes the dynamics through which a particular and seemingly local literary genre goes global the ways in which such a globalized literary genre maintains its core features while assuming local identity and interacting with local audiences and political authorities and the relationship between the politics of form and the role of politics in literary innovation Women and National Trauma in Late Imperial Chinese Literature Wai-yee Li, 2020-10-26 The Ming Qing dynastic transition in seventeenth century China was an epochal event that reverberated in Qing writings and beyond political disorder was bound up with vibrant literary and cultural production Women and National Trauma in Late Imperial Chinese Literature focuses on the discursive and imaginative space commanded by women Encompassing writings by women and by men writing in a feminine voice or assuming a female identity as well as writings that turn women into a signifier through which authors convey their lamentation nostalgia or moral questions for the fallen Ming the book delves into the mentality of those who remembered or reflected on the dynastic transition as well as those who reinvented its significance in later periods It shows how history and literature intersect how conceptions of gender mediate the experience and expression of political disorder Why and how are variations on themes related to gender boundaries female virtues vices agency and ethical dilemmas used to allegorize national destiny In pursuing answers to these questions Wai yee Li explores how this multivalent presence of women in different genres provides a window into the emotional and psychological turmoil of the Ming Qing transition and of subsequent moments of national trauma 2016 Joseph Levenson Book Prize Pre 1900 Category China and Inner Asia Council of the Association for Asian Studies **The Novel: An Alternative History, 1600-1800** Steven Moore, 2013-08-29 Winner of the Christian Gauss Award for excellence in literary scholarship from the Phi Beta Kappa Society Having excavated the world's earliest novels in his previous book literary historian Steven Moore explores in this sequel the remarkable flowering of the novel between the years 1600 and 1800 from Don Quixote to America's first big novel an homage to Cervantes entitled *Modern Chivalry* This is the period of such classic novels as *Tom Jones* *Candide* and *Dangerous Liaisons* but beyond the dozen or so recognized classics there are hundreds of other interesting novels that appeared then known only to specialists Spanish picaresques French heroic romances massive Chinese novels Japanese graphic novels eccentric English novels and the earliest American novels These minor novels are not only interesting in their own right but also provide the context needed to appreciate why the major novels were major breakthroughs The novel experienced an explosive growth spurt during these centuries as novelists experimented with different forms and genres epistolary novels romances Gothic thrillers novels in verse parodies science fiction episodic road

trips and family sagas along with quirky unclassifiable experiments in fiction that resemble contemporary avant garde works As in his previous volume Moore privileges the innovators and outriders those who kept the novel novel In the most comprehensive history of this period ever written Moore examines over 400 novels from around the world in a lively style that is as entertaining as it is informative Though written for a general audience *The Novel An Alternative History* also provides the scholarly apparatus required by the serious student of the period This sequel like its predecessor is a zestfully encyclopedic avidly opinionated and dazzlingly fresh history of the most elastic of literary forms Booklist
