***Shakespeare Meets the Indian Epics*** Mohan Gopinath,Sabina Zacharias,2023-06-16 This book demonstrates that people writing and creating characters almost 6 000 miles apart and in different centuries have a lot more in common than one might expect It examines the day to day themes appearing in two epics The Ramayanam and The Maha Bharatham and some of Shakespeare s plays without entering into the realm of philosophy The book reveals that whatever backgrounds people may have they ultimately tend to tackle life in very similar ways and this claim is substantiated with many pertinent examples The perspectives presented in this book will be of interest to all who study literature

**How to Be Like Walt** Pat Williams,Jim Denney,2010-01-01 How to Be Like is a character biography series biographies that also draw out important lessons from the life of their subjects In this new book by far the most exhaustive in the series Pat Williams tackles one of the most influential people in recent history While many recent biographies of Walt Disney have reveled in the negative this book takes an honest but positive look at the man behind the myth For the first time the book pulls together all the various strands of Disney s life into one straightforward easy to read tale of imagination perseverance and optimism Far from a preachy or oppressive tome this book scrapes away the minutiae to capture the true magic of a brilliant maverick Key Features This is for the millions of Disney fans those who admire his artistry or his business savvy or the products of his namesake company The tone and style of the book will capture the imagination of younger readers especially teens in the same way as How to Be Like Mike Support within the Disney world includes the daughter and grandson of Walt Disney nephew and former vice chairman Roy Disney and numerous Disney
