she d found lying unconscious nearly on her doorstep And he seemd to know scarcely more about himself just his name and a few tattered memories that incredibly impossibly spoke of a bloody battle more than a century in the past But she had to help him make his way in his strange new world even though his every word his every touch made her tremble with fear and with desire Because it was becoming clear that some powerful force was determined to destroy this man and a newfound love that longed to vanquish time *So Little Time* John P.
