Gardner Jr.,2014-05-22 The stories in All Our Yesterdays and Nine Other Stories continue to explore the lives of the Cockburn family and other characters in and around the fictional town of Menninger North Dakota first created in the novel The Song Is Ended and continued in the novel The Dark Between The Stars and the short stories in Meatball Birds and Seven Other Stories While the events and the characters found in the ten stories exist in rural and small town settings the themes explored have a universal appeal The Protectors & Other Stories Nasir Mahmood,2011-04-20 This collection of short stories takes its title from one of the stories contained in it The Protectors All stories are basically romantic in nature but they are not simple love stories Their themes have all the colours and their myriad shades to afford you a panoramic view of the world we live in The first story for example is that of a boy whose rebellious nature not accepting the norms of a corrupt society struggles to achieve a job on the basis of his qualification and not on the recommendation of a friend Another story deals in defence of the motherland from the vicious attack of a rival force Then there is a story which gives a graphic picture of a poverty stricken housing scheme where women forgetting about their self respect stoop so low as to adopt a life style both execrable and pitiable but there are women and there are women In brief the book touches on unemployment indignity of a religious family and inheritance inciting to murder A story each describes the horrendous custom of doing away with female foetuses the ugly face of feudalism and foundering efforts of a courtesan to escape to a righteous life Last but not least is the story of educated youth who for want of any reasonable job resort to robbery The book takes you along on a journey which unravels a picture of unspeakable misery some people are subjected to One would feel the milk of human kindness is drying up fast One could read these stories with a view to killing time but if they pause and think well that is exactly what these stories are aimed at **Things Look**
